A BRIEF BIOGRAPHY OF OUR GRAND MASTER

Born of French, English, Scottish and Pennsylvania Dutch ancestry, Ronald Eric Groshaw grew up on the family farm near Moorefield, Ontario where he attended S.S. No. 5 Maryboro Public School, and subsequently Palmerston High School. While attending the University of Western Ontario at London, hostilities began in Korea. He enlisted in the R.C.A.F. while continuing his studies for a doctorate in medicine. Upon completion of a junior rotating internship at Victoria Hospital in London, he served with No. 408 Squadron in the Arctic and subsequently with NATO in Europe. Upon the completion of that tour of duty, he did postgraduate study in ophthalmology in both Europe and North America, culminating in a specialist qualification in 1962. Dr. Groshaw established a private practice immediately, and four years later was appointed to the teaching staff of the University of Toronto; a post he still holds with the faculty of medicine. Dr. Groshaw has been the Chief of Ophthalmology at Etobicoke General Hospital since it was built, and is also on the medical staff of St. John's and West Park Hospitals, as well as Sunnybrook Medical Centre. Since 1978, he has been a member of the Medical Advisory Committee of the Council for Ontario of the Order of St. John. In October 1982, at Ottawa, the Governor General invested him as a Serving Brother in that Order.

The United Church of Canada has always been a part of his life. He was a member of the choir at Moorefield United Church and, more recently, has served on many committees of the official board of St. Luke's United Church, Islington.

In 1960, he married Barbara Jean Bain, a graduate of the University of Western Ontario in public health nursing. They are the parents of two active boys. George, age 19, is pursuing studies at York University in Fine Arts, and Eric, age 17, is in grade 12.

M.W. Bro. Groshaw first saw the light of Masonry in 1959 in Conestogo Lodge No. 295, Drayton. Several years later, after affiliation with Wellington Lodge No. 635, Toronto, he became Worshipful Master in 1971-72. A charter member of Heritage Lodge No. 730, he served as its Worshipful Master in 1980-81. Bro. Groshaw is a member of several Scottish Rite Bodies, including the Royal Order of Scotland. He was Thrice Puissant Grand Master of Toronto Lodge of Perfection in 1974-75. He received the 33° at Regina, Saskatchewan on September 10, 1976. In caputular Masonry, he was First Principal of Mimico Chapter No. 295 in 1979-80, and is also a member of Geoffrey de St. Aldemar Preceptory No. 2. As a member of Rameses Shrine No. 33, Toronto, he served as its first Ceremonial Master in 1982, and is also a member of the Ceremonial Cast and the Royal Order of Jesters, Court No. 83. Our Grand Master served as Grand Senior Warden in 1976-77 and was then elected to the Board of General Purposes in 1978 and 1980. Upon his election as Deputy Grand Master in 1981, he assumed the duties of President of the Board of General Purposes and Chairman of the Long Range Planning Committee.

Recreationally, Dr. Groshaw enjoys being a tree surgeon, as well as tilling the soil at the three-acre cottage property on the western shore of Lake Simcoe. His hobbies also include fishing, sailing, golf and skiing.

Our Grand Master feels very privileged to have the opportunity to work with the brethren, being mindful of the fact that our Masonic teachings of morality, brotherhood and compassion, though shrouded in antiquity, are as relevant today as at any time in our history. It is his fervent prayer that we may strive to have peace, harmony, understanding and good will toward all people in this beautiful and bountiful land.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

"Behold how good and how pleasant it is for Brethren to dwell together in unity."

As we meet together coincident with the Sesquicentennial of our host city, as well as the 200th Anniversary of the Province of our jurisdiction, I feel very humble and extremely exhilarated to bid each of you welcome to this 129th Communication of our Grand Lodge. Humble because of the great honour this Grand Lodge has conferred upon me to be its Grand Master, and exhilarated with gratitude for the many courtesies and co-operative efforts

extended, resulting in so many blessings that have been mine to enjoy, and hopefully shared with you.

The rejoicing of the author of the 133rd Psalm is a reflection of my happiness that we can share this Grand Lodge session. It also reflects my gratitude to the Great Architect of the Universe for all of His blessings. May we deliberate, ever mindful of His presence.

To our honoured guests, on behalf of a membership of over one hundred thousand, I extend a sincere and warm welcome. You add a great lustre to this occasion. We thank you for coming, and wish you a safe return to your home. May you be enriched by this time that we share together. I hope that we may return in some small measure the warm friendship and hospitality that each of you have extended to this Grand Master, or a representative of our jurisdiction, when we were privileged to visit with you.

Necrology

Death has taken a large number of our members during the past year. I feel certain that we will long remember those who have given so faithfully to their families, their place of worship, their community and to Freemasonry.

Darrell E. Magee

R.W. Bro. Magee passed away January 6, 1984. Our revered Brother was initiated in 1950 in Hiram Lodge No. 490; became a charter member of Kempenfeldt Lodge No. 673 in 1952 and served as Worshipful Master in 1961. He was elected District Deputy Grand Master in 1964 and served as a Member of the Board of General Purposes 1968-1976; and was the Grand Representative of the Grand Lodge of Alabama at the time of his passing. Bro. Magee will be remembered for his gentle and warm personality.

Appointments

At the time of laying the Cornerstone at Black Creek Pioneer Village on October 1, 1983, I was delighted to appoint and invest W. Bro. Warren Jones, the Secretary of Bridgewood Lodge and Secretary-Treasurer of the Metropolitan Toronto and Region Conservation Authority, a Grand Steward of the Grand Lodge of Canada in the Province of Ontario. We implore Bro. Jones to continue working hard and enjoying good health, so that he may enjoy this well-deserved honour. I request from Grand Lodge approval of this appointment and Past Rank for this Brother.

Past Rank

1. R.W. Bro. Clarence T. Jackson was elected and installed as D.D.G.M. of Grey District. Subsequent medical problems created increasing hardship, while most adequately discharging the duties of his office. On the

advice of his physician, R.W. Bro. Jackson indicated to me, in writing, on the 7th of April, 1984, that he "must resign the position of D.D.G.M. of Grey Masonic District." Because of the exemplary work that this Brother accomplished, with the assistance of the District Secretary and others, I recommend that he be granted the rank of Past D.D.G.M.

2. Upon accepting the resignation of R.W. Bro. Jackson, I immediately appointed W. Bro. Lorne T. Brown (District Secretary) as D.D.G.M. to complete this Masonic year. M.W. Bro. Robert E. Davies invested our Brother on April 9, 1984. He has served well and I recommend that he be granted the rank of Past D.D.G.M.

3. V.W. Bro. Harry J. Dowsett of Bedford Lodge No. 638 was appointed Assistant Grand Organist on July 21, 1983. He passed away on April 15, 1984. Bro. Dowsett had laboured tirelessly in his Masonic endeavours, and I recommend Past Rank for him, posthumously.

4. I recommend past rank be granted to the following brethren who have served the office of Worshipful Master faithfully, but who for various reasons could not complete their full twelve-month terms.

Wor. Bro. Robert Lee Paxton—Sydenham Lodge No. 255

Wor. Bro. John Knaap—Harmony Lodge No. 438

Wor. Bro. Reginald Kendall—Corinthian Lodge No. 700
and— posthumously —

Wor. Bro. Andrew Milne—Hope Lodge No. 114

Wor. Bro. Douglas McDonald—Temple Lodge No. 597

Wor. Bro. Alexander Page—Long Branch Lodge No. 632

New Lodge Instituted

Innisfil Lodge U.D.

Congratulations and best wishes to the newly formed lodge situated in Stroud. It was instituted by R.W. Bro. Alfred H. Altman on April 9, 1984, and will be placed in Georgian District.

New Lodge Constituted and Consecrated

London Daylight Lodge No. 735 in London. On November 5, 1983, after attending a midday banquet, I had the pleasure of presiding at this impressive ceremony.

Lodge Buildings Dedicated

On Saturday, March 17, 1984, I was pleased to dedicate the new Masonic Temple of Xenophon Lodge No. 448 in Wheatley; and on Saturday, May 19, 1984, this impressive ceremony was repeated at the new Masonic

Temple of Lorne Lodge No. 622 in Chapleau. Each lodge is now in possession of a beautiful Masonic home, which is a testimony to the dedication and resourcefulness of small but vibrant lodges. To the Brethren of these lodges — congratulations!

Cornerstone Laying

On October 1, 1983, in the presence of the Honorary Reeve, Her Honour Mrs. Pauline McGibbon, I was delighted to preside at the laying of a Cornerstone for the restored pre-confederation building in Black Creek Pioneer Village, which contains a Lodge Room. The beautiful weather was surpassed by the large assembly of Masons and their families and friends, who witnessed this dignified ceremony. I wish to congratulate the many officials from the Metropolitan Toronto and Region Conservation Authority and especially the Worshipful Master, officers, members and friends of Heritage Lodge No. 730, for their stewardship in this H.O.M.E. project. Many Masons in our Jurisdiction and beyond have contributed their time, talent and their artifacts to appropriately refurbish and furnish this structure in this village setting.

Grand Master's Banquet

This year M.W. Bro. Gordon Bennett, P.G.M. of the Grand Lodge of Prince Edward Island is to be our banquet speaker. This gentleman has given freely of his many talents to his chosen vocation of education, as well as to assemblies, both in public life and in Freemasonry. We are privileged to have this distinguished Mason continue the high calibre of addresses enjoyed at this annual banquet.

Officers and Members of Grand Lodge

My gratitude is tendered to the Past Grand Masters for their continued dedication and willing assistance. Their talents and experiences have been extremely helpful to your Grand Master.

A special thank you to our conscientious and efficient Grand Secretary, M.W. Bro. Robert E. Davies, who has recently been honoured by receiving the Tucker Award from the Grand Lodge of Vermont, while addressing that communication — our congratulations. The Grand Treasurer, M.W. Bro. James N. Allan has again demonstrated good financial husbandry, while the President of the Board of General Purposes and Deputy Grand Master, R.W. Bro. Lou Copeland, has worked diligently.

The District Deputy Grand Masters, other officers of Grand Lodge, and the Members of the Board of General Purposes have also demonstrated great dedication and leadership.

Custodian of The Work

M.W. Bro. Wm. K. Bailey has given unstintingly of his time and effort over the past several years to improve the ritualistic presentations in our lodges, as well as the decorum and educational endeavors of our membership. M.W. Bro. Bailey has indicated that he is retiring at the time of this communication, and I extend, on behalf of all constituent lodges, our gratitude to him.

The Masonic Foundation of Ontario, as well as the Masonic Relief Association of the United States and Canada, have derived great input from this dedicated Mason; he being the President of the former for many years, and the immediate Past President of the latter. May these organizations continue to flourish.

I am pleased to advise you that M.W. Bro. Norval Richard Richards has been appointed and has accepted the duties associated with the office of Custodian of the Work. I am certain you will join with me in wishing for him success and satisfaction as he assumes the responsibilities of this important office.

Advisory Committee

On the recommendation of the Board of General Purposes, an Advisory Committee, consisting of some members of the Board, has been established to deliberate and debate issues. This additional resource has been worthwhile and much appreciated.

Worshipful Masters

Among those serving with great efficiency are Masons with limitations in mobility or eyesight. In all these circumstances I am impressed with the true Masonic compassion and brotherhood that is very evident. Hopefully, all of us can be aware of our own inadequacies and shortcomings, whether they be physical, psychological, or sociological. This increased awareness will strengthen us to work together for the betterment of society.

Appointment of Grand Representatives

On the recommendation of the respective Grand Masters, I have been pleased to appoint the following:—

Alabama—Bro. Michael L. Jones

Cuba—W. Bro. Otilio Lanza Martinez

Oregon—Bro. Carl W. Hopp

Tasmania—R.W. Bro. Chester B. Ward.

The Grand Masters of other Grand Lodges have graciously accepted my recommendations and have appointed the following Grand Representatives near our Grand Lodge.

Cuba—R.W. Bro. C. Edwin Drew
Kansas—R.W. Bro. J. Murray Jolley
Oklahoma—R.W. Bro. Robert G. Loftus
South Australia—R.W. Bro. Karl H. Redden
Spain—R.W. Bro. E. J. Langley

Recognition of 100 Years of Active Existence

Sincere congratulations and best wishes to:—

Springfield Lodge No. 259, Springfield—as of October 10, 1984
Fort William Lodge No. 415, Thunder Bay—as of May 6, 1986
Port Elgin Lodge No. 429, Port Elgin—as of May 7, 1992.

Grand Lodge Awards

We all recognize and treat with respect the circular lapel button signifying long service to our Craft. I had the good fortune to present a number of these this year, including the presentation of a sixty-year button to Bro. Jack Murray, a member of Conestogo Lodge No. 295, the Mother Lodge of the recipient as well as myself. This energetic Mason, whom I have known from my earliest recollections, received the button in the presence of his sons, Bro. Lorne Murray and Bro. James Murray.

Of special note is R.W. Bro. Ronald J. Curry, a member of North Entrance Lodge No. 463, who has completed fifty years as Past District Deputy Grand Master, and has received his pin recognizing same.

May all of these Brethren continue to enjoy the practice of Freemasonry with good health, contentment and happiness.

25-Year Recognition

In the recent past, some individuals or lodges have presented tangible evidence of Masonic service for years less than fifty. Upon receipt of a recommendation from the Regalia Committee, I sought the counsel of many, including the above-noted Advisory Committee of the Board of General Purposes. Concurrence was obtained that the 25-year recognition button should be available through the Grand Lodge Office for sale to individual lodges. The decision regarding recognition will rest with the lodge as to their satisfaction of completion of the 25 years of active membership. It is my fervent prayer that this 25-year button will in no way detract from the significance of the buttons already in service, but instead that it will offer to those Brethren who wish, an opportunity to display their continuing involvement in our Craft.

William Mercer Wilson Medal Recipients

To these special Master Masons who have subscribed to and practiced their Masonry above and beyond the call of duty, I tender my sincere congratulations and thanks.

Bro. Orielle Joseph Moyneur—St. Paul Lodge No. 601, Sarnia
Bro. Rev. Lawrence Mould—Lake Shore Lodge No. 645, Etobicoke.

To these, and all recipients of this prestigious medal who will be attending the Grand Master's Banquet this evening, I would point out that there will be a reserved table just in front of the head table. In this way the recipient has a choice of joining his peers at a special location, or, as in past years, he may sit with his friends. Wherever they sit, it is my intent to have the recipients of the William Mercer Wilson Medal stand at an appropriate time this evening, to be suitably recognized.

Visitations to Other Grand Lodges and Masonic Bodies and Other Special Events

Before leaving this hotel one year ago, and after my installation as your Grand Master, I was invited to speak at Oshawa on August 1, 1983. At that time Mayor Pilkey proclaimed McLaughlin Day, in honour of Colonel R. S. (Sam) McLaughlin. I was invited, in the presence of his three daughters and other members of the family, to address the large gathering at the Parkwood Estate about this Past Grand Steward of our Grand Lodge.

Other delightful experiences included the opportunity of responding to addresses of welcome in other Masonic jurisdictions as well as being the banquet speaker and the recipient of the Grand Master's recognition award at the American-Canadian Grand Lodge in Bad Kissingen, Germany, on April 27, 1984. During a stopover in London, England, on April 25, 1984, I was privileged to attend the Annual Investiture and Grand Festival of the United Grand Lodge of England.

Additional memorable occasions include being received by the Supreme Council of the Scottish Rite, on September 15, 1983, and by the Grand Chapter, Royal Arch Masons of Ontario, on April 13, 1984. Each event was held in the Concert Hall of this hotel.

Being the noon luncheon speaker of Moore Consistory, Hamilton, on Remembrance Day was a challenge, as was the opportunity to speak at the mid-western conference of Grand Lodges in Milwaukee, Wisconsin on May 4, 1984. Other speaking engagements include the All Canada Conference in Winnipeg, on March 30, 1984, and the Fellowship Night at the Oshawa Knights of Columbus on March 7, 1984. To extend the greetings of the 649 lodges of this jurisdiction to the Masonic Relief Association of the United

States and Canada was delightful. This was especially true when M.W. Bro. Bailey was the President and was presiding at that meeting held here in Toronto. A complete list of other enjoyable experiences is appended to this address.

General Observations

The joy of serving as your Grand Master this past year has been augmented by the enthusiasm of our membership. Improved summonses and newsletters are encouraging participation, and the overall improvement of our Masonic Temples encourage attendance and involvement. Our Masonic homes are a tangible indication of our precepts, and clean, freshly decorated and adequately illuminated lodge premises give a better impression in the community.

Two years ago, my predecessor, in his address to Grand Lodge, stressed the importance of holding traditions, customs and respect for the Monarchy and the Royal and National Anthems. I am pleased with your adherence to these as well as to the proper use of flags in our lodge and banquet facilities.

Charity knows no bounds, save prudence. The bequests continue to come in to the Memorial Fund so that more earnings are available to be dispensed for benevolent purposes. The continuing efforts of the Directors of The Masonic Foundation are highly commendable, especially that of the President and the equally hard working Secretary-Treasurer, R.W. Bro. T. John Arthur.

All of the above helps to improve our gentle Craft. However, inexcusable disregard of the Constitution of Grand Lodge by the officers and members of several lodges has provoked embarrassing situations for all concerned. Your Grand Master has, as a result, been called upon to heal brethren elected to Honorary Membership by a standing vote instead of by ballot, and applicants initiated without benefit of a proper ballot. Each situation has been dealt with in an appropriate way and after complete investigations, I have healed the grieved brethren and reprimanded those responsible.

Presently under investigation is a seemingly unqualified brother who possibly was illegally elected, installed and invested as Worshipful Master of his lodge. Accordingly, I appeal to all members, officers and Past Masters to adhere strictly to the guidelines so clearly enunciated in the Book of Constitution of Grand Lodge.

On occasion, at our assemblies there has been a lack of dignity and decorum displayed by members. BRETHREN, NEVER FAIL TO KEEP IN MIND THE FOUR CARDINAL VIRTUES.

In conclusion, may all rejoice with the Psalmist. May we all strive to better serve this Fraternity and deliberate upon matters before us at this

communication. After enjoying the remaining summer may we again return to our lodges with revitalized enthusiasm and dedication.

"Behold how good and how pleasant it is for Brethren to dwell together in unity."

Sincerely and fraternally

RONALD E. GROSHAW,
Grand Master.

APPOINTMENT OF COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. J. A. Irvine, seconded by M.W. Bro. N. R. Richards, and carried: That a committee, composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON DECEASED BRETHREN

This Report was presented by R.W. Bro. W. A. Isbister, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Isbister, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

As we remember our departed Brethren each of us will remember in particular those who have most profoundly influenced us individually. We remember all our deceased Brethren as adherents of an Order which teaches benevolence.

In these moments of remembrance we acknowledge that some of our members have been themselves bereft of loved ones since we last met. Let our words and acts of Masonic Friendship and support be a source of reassurance and comfort to all who must suffer the pain of loss.

“Sleep on, dear friends, such lives as thine
Have not been lived in vain,
But shed an influence rare, divine,
On those that here remain.”

In the knowledge that service to mankind is the most worthy work one can accomplish let us remember our deceased Brethren by rededicating our efforts to cheering the hearts of others. In particular those who may have less time remaining on this earthly abode. Let us emulate the lines — HE WHO SERVES

He has not served who gathers gold,
Nor has he served, whose life is told
In selfish battles he has won,
In deeds of skill that he has done,
But he HAS served, who now and then
Has helped along his fellow men.
The world needs men today,
Red-blooded men along life's way
With cheerful smiles and helping hands,
And with faith that understands
The beauty of the simple deed
Which serves another's hour of need,
Strong men to stand beside the weak,
Kind men to hear what others speak,
True men to keep our country's laws;
Men who will bravely play life's game,
Nor ask reward of gold or fame.
Teach me to do the best I can
To help and cheer my fellow man;
Teach me to lose my selfish need
And glory in the larger deed,
Which smooths the road and lights the way,
For all who chance to come my way.

Brethren, our Grand Chaplain, R.W. Bro. Dorian A. Baxter will now conduct the Remembrance Service.

Memorial Service

Opening Invocation:

Almighty and everlasting Lord, Thou who art the Great Architect and Grand Geometrician of the Universe. As we gather here to remember those of our Brethren who have departed this life, may we who remain temporarily in this sublunary abode take great comfort from the wisdom of Solomon which we are about to read.

Responsive Reading: (From the Wisdom of Solomon—Chapter 3: Verses 1-8)

- Verse 1** (Grand Chaplain)—“The souls of the righteous are in the hand of God and there shall no torment touch them.”
- Verse 2** (the Brethren)—“In the sight of the unwise, they seemed to die and their departure is taken for misery.”
- Verse 3** (Grand Chaplain)—“And their going from us to the utter destruction that they are in peace.”
- Verse 4** (the Brethren)—“For though they be punished in the sight of men, yet is their hope full of immortality.”
- Verse 5** (Grand Chaplain)—“And having been a little chastened, they shall be greatly rewarded for God proved them and found them worthy for Himself.”
- Verse 6** (the Brethren)—“As gold in the furnace hath He tried them and received them as a burnt offering.”
- Verse 7** (Grand Chaplain)—“And in the time of their visitation, they shall shine and run to and fro like sparks among the stubble.”
- Verse 8** (the Brethren)—“They shall judge the nations and have dominion over the people, and their Lord shall reign forever and ever.”

Hymn: “Glorious Things Of Thee Are Spoken”

(Tune—F. J. Hayden)

- | | |
|--|---|
| <p>1. Glorious things of Thee are spoken
 Zion, City of our God;
 He whose Word cannot be broken,
 Formed thee for his own abode,
 On the Rock of ages founded,
 What can shake thy sure repose?
 With salvation's walls surrounded,
 Thou may'st smile at all thy foes.</p> | <p>2. See, the streams of living waters,
 Springing from eternal love,
 Well supply thy sons and daughters
 And all fear of want remove.
 Who can faint, when such a river
 Ever flows their thirst to assuage;
 Grace, which like the Lord, the Giver,
 Never fails from age to age?</p> |
|--|---|

- | | |
|---|--|
| <p>3. Round each habitation hovering,
 See the cloud and fire appear
 For a glory and a covering —
 Showing that the Lord is near.
 Thus they march, the pillar leading,
 Light by night and shade by day;
 Daily on the manna feeding
 Which he gives them when they pray.</p> | <p>4. Saviour, since of Zion's city
 I, through grace, a member am,
 Let the world deride or pity,
 I will glory in thy Name.
 Fading is the world's best pleasure,
 All its boasted pomp and show;
 Solid joys and lasting treasure
 None but Zion's children know.</p> |
|---|--|

Amen.

Prayer of Remembrance:

Almighty God, Thou who art the most High, with whom do live the spirits of them that depart hence in the Lord and with whom the souls of the faithful after they are delivered from the burden of the flesh are in joy and felicity, we praise and magnify Thy Holy Name, for all Thy servants who have finished their course in Thy faith and fear; and we most humbly beseech Thee that at the day of the general Resurrection, we and all they who are found in Him who is the most High may be set on His right hand and hear that His most joyful voice, come, ye blessed of My Father, inherit the Kingdom prepared for you from the foundation of the world. Grant this, O Merciful Father, for the sake of Him who is the Supreme Ruler of the Universe and our only mediator and advocate. So Mote It Be.

Benediction:

May the blessing of He Who is the Light of the World and the Lord of our lives rest upon us all, in all our undertakings, so that we too like our beloved Brethren who have gone before us trusting in Him, may enter His courts unstained by vice and unspotted by sin and be reunited with them in that dimension we call The Grand Lodge Above where the Grand Geometrician of the Universe reigns forever and ever. So Mote It Be.

All of which is respectfully submitted on behalf of the Committee on Deceased Brethren.

W. A. ISBISTER,
 Chairman.

PRESENTATION OF GRAND REPRESENTATIVES' COMMISSIONS

M.W. Bro. R. E. Groshaw summoned R.W. Bros. C. E. Drew and J. M. Jolley to the East and then presented, on behalf of the Grand Lodge of Cuba and the Grand Lodge of Kansas, their respective Commissions.

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of other Grand Lodges those who were present stood up and were welcomed by the Grand Master. Grand Honours were then given under the direction of the Grand Director of Ceremonies.

AUDITORS' REPORT

To the Most Worshipful the Grand Master,
Officers and Members of Grand Lodge A.F. & A.M.
of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We have examined the summary of resources arising from cash transactions of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1984 and the related statements of receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such test and other procedures as we considered necessary in the circumstances.

The Grand Lodge's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion the financial statements present fairly the summary of resources arising from cash transactions of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1984 and its receipts and disbursements for the year then ended in accordance with the accounting principles stated above applied on a basis consistent with that of the preceding year.

Chartered Accountants.

Hamilton, Ontario,

June 6, 1984.

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Auditor's Report was accepted.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a distinct and, perhaps, in these times of deficit financing, a proud moment to report that rather than experiencing a deficit we can report a surplus in the year's operation.

Several of our Brethren deserve commendation for the sound financial condition we are delighted to report. Our Grand Master set a good example by keeping within his budget, as did the Chairmen of the various committees. I wish, however, to make special mention of the contribution of the Grand Secretary to the excellence of our financial statement. His experience in the business world before assuming his present position influenced him to favour good financial statements and to do what is required to produce such a result.

I wish, also, to inform the Brethren it was with intense satisfaction that your Grand Treasurer learned the second floor of our Memorial Building had been rented to a reputable tenant. M.W. Bro. Nancekivell, President of Masonic Holdings, our Grand Secretary and especially R.W. Bro. Norman Byrne, who not only looked after the legal details but was extremely helpful in the negotiations that culminated in the agreement to complete the lease, deserve our deep gratitude.

Masonic Holdings can now resume the redemption of the 6% debentures held by Grand Lodge. Funds derived from such redemption can be invested by Grand Lodge in securities yielding more than double the rate of interest — a distinct benefit for Grand Lodge.

I am pleased, indeed proud, to inform the brethren that the value of cash and investments held by Grand Lodge increased by \$74,343 during the 1983-84 year; they now amount to \$2,340,693.

I draw your attention to two items that will be helpful in the financing of Grand Lodge affairs in the coming years. The first one is a further increase in the value of investments held by the Memorial Fund. The new figure is \$738,101, a Capital Fund considered adequate to produce sufficient revenue to provide for Benevolent Grants. This should eliminate the need for financial assistance from the General Fund for the Committee on Benevolence.

The second encouraging development is the continued growth of Investment Income from the Commutation Fund. This fund now has cash and capital investments of \$239,833. We look forward to the day, in the not too far distant future, when Investment Income from this fund will equal the revenue that would have been received in dues from brethren whose dues have been commuted.

I wish to again record the grateful thanks of Grand Lodge for bequests received from estates of deceased brethren. Investment income in the Memorial Fund amounted to \$72,374, an increase of \$12,373 over the year 1982-83.

Again, I wish to record my thanks to the Grand Secretary and his staff for their co-operation and assistance in facilitating the work of the Grand Treasurer; likewise to the Chairman of the Committee on Audit and Finance for his co-operation and advice on financial matters.

I wish, also, to record my appreciation of the service rendered by our auditors, Doane Raymond, in the preparation of the Annual Statement for presentation to Grand Lodge. The statement sets out our financial operations during the year and the state of our finances at year end. I recommend careful perusal of this information by the brethren.

Respectfully and fraternally submitted.

JAMES N. ALLAN,
Grand Treasurer.

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the report was received and adopted.

Semiannual returns have been received from 649 constituent lodges and the information contained therein has been entered in the books of Grand Lodge. Statistical information may be found in the audited statement presented by the Grand Treasurer and in other tables printed in the annual Proceedings of Grand Lodge.

In conclusion, my genuine thanks are extended to all those with whom our office comes into contact, for their co-operative efforts and their willingness to give so freely of their time and talents in the service of our Craft. This co-operation and willing assistance greatly helps our office staff who quietly and proficiently perform the many tasks for which they are responsible.

Again, ere closing, I must single out the Lodge Secretaries whose work is a labor of love. Indeed, the support and assistance of all those of whom I speak has not only greatly assisted your Grand Secretary, but is also most deeply appreciated.

Respectfully and fraternally submitted.

Grand Secretary.

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was received and adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The Reports of the 43 District Deputy Grand Masters were presented by the Grand Secretary and on motion of the Deputy Grand Master, seconded by the Grand Secretary, they were referred to the Board of General Purposes.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed R.W. Bro. J. I. Carrick Chairman of the Committee of Scrutineers, to supervise and count the vote at the election of Grand Lodge officers, with power to name the members of the Committee.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

M.W. Bro. B. B. Foster presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. Foster, that the Report be received.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by M.W. Bro. E. W. Nancekivell, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Nancekivell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

A request for recognition was received from the Grand Lodge of the State of Sao Paulo, Brazil, together with a Statement of Principles and a list of the Grand Lodges which already recognize this State Grand Lodge of Brazil. It would appear that this Grand Lodge is entirely regular and your Committee on Fraternal Relations recommends that we do extend recognition to the Grand Lodge of the State of Sao Paulo, Brazil.

More recently we received a request for recognition from the Grand Orient of Brazil, but in keeping with the opinion of the Commission on Information for Recognition of the Conference of Grand Masters of Masons in North America we do not recommend recognition of the Grand Orient of Brazil at this time.

One of the Mexican Grand Lodges, the Grand Lodge of Nuevo Leon, made a rather informal request for recognition in September 1983 through our then Grand Master, M.W. Bro. Howard Polk. On checking with R.W. Bro. Robert Dillard, Secretary Treasurer of the Commission on Information for Recognition, he unreservedly recommends recognition of this Mexican Grand Lodge, saying that his

Grand Lodge (Texas) has a very good relationship with Nuevo Leon, that they are regular in every way and are already recognized by all but four of the U.S. Grand Lodges. We place great trust in the judgement of this most knowledgeable Mason and so the Committee recommends that the Grand Lodge of Canada in the Province of Ontario also extend recognition to the Grand Lodge of Nuevo Leon, Mexico.

Respectfully and fraternally submitted,

ERIC W. NANCEKIVELL,
Chairman.

REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

This Report was presented by M.W. Bro. J. A. Irvine in two parts, and on motion of the Deputy Grand Master, each part, together with the report in its entirety, was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Constitution and Jurisprudence begs leave to report as follows:

PART I

R.W. Bro. John I. Carrick has given Notice of Motion to amend the Constitution as follows:

That Section 55 be deleted and the following substituted therefor —

“55. The scrutineers shall meet at such hours and in such places as the Grand Master may appoint. In supervising the elections they shall act in pairs under the direction of the Chairman. Each pair shall be provided with a ballot box and a book containing the name and number of the lodge of each brother entitled to vote and the number of votes to which he is entitled.”

That Section 60 be deleted and the following substituted therefor —

“60(a) Voting for the election of the District Deputy Grand Master, the Board of General Purposes and all other elective offices except those of Grand Master, Deputy Grand Master, Grand Treasurer and Grand Secretary shall take place on the afternoon of the first day of the annual meeting at such hours as the Grand Master shall appoint, and failing other appointment at the hour of 5:00 p.m.; and shall close one hour later, provided that the Grand Master may extend the time of closing to 7:00 p.m. if he deems it expedient.

(b) The vote under this Section for the District Deputy Grand Master shall be counted and announced forthwith in the District Meeting.

(c) The Vote under this Section for the Board of General Purposes and all other elective offices shall be counted forthwith and shall be announced by the Chairman of the Committee of Scrutineers during the forenoon of the second day of the annual meeting."

That Section 62 be deleted and the following substituted therefor —

"62(a) Voting for the office of Grand Master, Deputy Grand Master, Grand Treasurer and Grand Secretary shall take place at the time and place of registration and voting shall close at the hour of 3:00 p.m. on the afternoon of the first day of the annual meeting.

(b) The vote shall be counted forthwith and if a second ballot is required the voting shall take place in the District Meetings and in conjunction with the voting for the office of District Deputy Grand Master, the Board of General Purposes and all other elective offices under Section 60.

(c) Only those brethren who have placed first or second on the original ballot for the office of Grand Master, Deputy Grand Master, Grand Treasurer and Grand Secretary shall be eligible as candidates on the second ballot. An announcement in writing of the holding of a second ballot, with the surnames of the two candidates in alphabetical order, shall be delivered to each District Deputy Grand Master prior to the District Meeting. The announcement, including the spelling of the surnames of the candidates, shall be communicated to the brethren at the outset of the meeting.

(d) The results of the final ballot for the office of Grand Master, Deputy Grand Master, Grand Treasurer and Grand Secretary shall be announced by the Chairman of the Committee of Scrutineers during the forenoon of the second day of the annual meeting."

That Section 138(a) be deleted and the following substituted therefor —

"138(a) At the meeting of the Board of General Purposes, immediately following the annual meeting of Grand Lodge, the Board shall appoint a Past Master as Chairman of a Committee on Credentials, with power to add other members to the Committee."

That Section 138(b) (iii) be deleted and the following substituted therefor —

"138(b) (iii) to close the registration books at 3:00 p.m. on the afternoon of the first day of the annual meeting; and"

These amendments generally deal with the election of the Grand Master, the Deputy Grand Master, the Grand Treasurer and the Grand Secretary at the Annual Communication of our Grand Lodge. Your Committee notes no constitutional objection to this Notice of Motion.

PART II

R.W. Bro. Victor D. Alyea has given Notice of Motion to amend the Constitution as follows:

Section 323(a) **delete** "if a favourable report of the Committee of Inquiry with respect to an applicant has been submitted to the lodge, notice of ballot, stating particulars of the name, age, occupation and residence of the applicant, shall be given in the summons for the next regular meeting of the lodge at which the application is to be considered."

Section 323(a) **insert** "If a favourable report of the Committee of Inquiry with respect to an applicant has been submitted to the Lodge, and if proper notice of ballot stating particulars of the name, age, occupation and residence of the applicant has been given, the ballot may be proceeded with at once or at the next regular meeting of the Lodge."

Your Committee notes that provided that Section 319 is adhered to and provided that a proper Notice of Ballot has been given in the lodge summons, which Notice of Ballot may very well state that it is subject to a favourable report of the Committee of Inquiry, and providing that the words "in the lodge summons" are added immediately after the word "given" appearing in the fifth line of the proposed amendment, and providing that the words "or at the next regular meeting of the lodge" are removed from the end of the sentence, your Committee then notes no constitutional objection to this Notice of Motion.

Respectfully and fraternally submitted on behalf of the Committee.

WILLIAM L. WRIGHT
Chairman.

REPORT OF THE COMMITTEE ON WARRANTS

This Report was presented by R.W. Bro. R. Colledge, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Colledge, it was received and adopted.

To the Most Worshipful the Grand Master, Officers, and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present, on behalf of the Committee on Warrants, our report to the 129th Annual Communication of this Grand Lodge.

Your Committee is composed of R.W. Bro. R. E. Jewell, G.S.W.; R.W. Bro. E. G. Burton, G.J.W.; R.W. Bro. F. S. Foote, Gr.Reg.; and myself as Chairman.

One application for a Warrant has been received from Edinburgh Lodge U.D., Ottawa, Ontario, and having met the necessary requirements, your Committee recommends that Edinburgh Lodge be granted a Warrant, numbered 736 on the Register of this Grand Lodge and assigned to Ottawa District 1.

We congratulate all concerned in the formation of this new lodge in our Grand Jurisdiction and wish them continued success.

We are happy to report that dispensation has been granted to Innisfil Lodge U.D. of Georgian District and look forward to this lodge receiving their Warrant at the 130th Communication.

We again wish to express our sincere gratitude to the Grand Secretary and his staff for their assistance and encouragement afforded us during this past year.

Respectfully and fraternally submitted

ROBERT COLLEDGE,
Chairman.

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This Report was presented by R.W. Bro. N. E. Byrne, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Byrne, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee, once more, is pleased to report on its activities and the decisions it has made in the past Masonic year.

Under the Constitution your Committee is charged with reviewing any recommendations made to it by a Board of Appeal.

In addition, the result of every Masonic Trial is carefully reviewed, when no appeal is launched by either the Complainant or the Accused and there is no automatic appeal provided for.

Your Committee is also required to consider any applications made to it for restoration, after indefinite suspension or expulsion by a previous member of the Craft, who has been expelled or suspended and to review similar applications for restoration made to a constituent lodge.

Since our last report to this Annual Communication in 1983, your Committee has reviewed the decisions of three Masonic Trial Commissions.

In each instance, after proper notification to the accused brother, and assuring that his interest was represented at the trial, the decision and punishment of the Trial Commission has been carefully reviewed. Careful consideration is given to all the evidence presented in each trial. The facts and circumstances of each specific situation, as presented, is weighed and examined and the decision as to the "guilty" or "not guilty" finding is discussed and either confirmed or rejected.

The punishment awarded is then considered in all the aspects of the case and it is either confirmed, rejected or varied.

In all three cases, after careful review, as above indicated, your Committee has seen fit to confirm the guilty decision of the Trial Commission.

The sentence in all three cases imposed by the Trial Commission was that of indefinite suspension.

Your Committee has confirmed the sentence of the Trial Commission in one of the foregoing cases. The Constitution does not require that this report of your Committee reiterate the details of this Masonic Trial as your Committee has affirmed the Trial Commission's decision and the punishment imposed. Further airing of this matter accomplishes no useful purpose. The Brother has been judicially dealt with by his peers and brethren and must now suffer the penalty imposed.

PART I

BRO. PAUL UPPER

Hatherly Lodge No. 625

A charge of masonic offences under Section 410(m) (n) and (o) was brought against Bro. Paul Upper.

The Masonic Trial held in April 1984 found Bro. Upper guilty of offences under Section 410(m) and (n) and not guilty under Section 410(o).

Your Committee has carefully reviewed the proceedings of the Trial Commission and the sentence imposed as required under Section 424.

Your Committee has varied the decision with respect to punishment from indefinite suspension to indefinite suspension with a recommendation for expulsion from the Masonic Order.

Your Committee now recommends that Bro. Paul Upper be expelled from the Masonic Order.

PART II

BRO. PAUL DONAHOE

Wardrope Lodge No. 555

A charge of a Masonic offence under Section 410(m) was brought against Bro. Paul Donahoe.

The Masonic Trial held in December 1983 found Bro. Donahoe guilty as charged.

Your Committee has carefully reviewed the proceedings of the Trial Commission and the sentence imposed, as required under Section 424.

Your Committee has varied the decision of the Trial Commission with respect to punishment from indefinite suspension to indefinite suspension with a recommendation for expulsion.

Your Committee now recommends that Bro. Paul Donahoe be expelled from the Masonic Order.

Let the severed Masonic relationships of these brethren be a warning to us all that Masonry endeavours to ensure that those men who form under its banners are men of sound judgment and strict morals and that she will not suffer any encroachment on these requirements.

In addition to the above three trials, in one instance an appeal was filed by the Complainant. The appeal was directed to the sentence imposed by the Trial Commission.

PART III

BRO. ALBERT JUNGERS

Sharon Lodge No. 97

A Masonic charge based on a serious infraction of our rules under Section 410(m) was laid against Bro. Albert Jungers.

Bro. Jungers was judged masonically by a Trial Commission. He represented himself and had opportunity of answering the charge and produced several witnesses.

After the trial, the Trial Commission found Bro. Jungers guilty as charged and imposed a sentence of suspension for three years.

The Complainant appealed this sentence and as Chairman of your Committee and pursuant to the Constitution, I appointed an Appeal Board.

The Appeal Board, after due and proper notice to the accused Brother, and the Complainant, conducted its hearing in May of this year in Peterborough.

The Appeal Board was composed of five very experienced Masons, two of whom were members of your Committee, one having in addition great professional skill as a Judge of one of our Courts of criminal jurisdiction.

The appellant presented his submissions to the Appeal Board and Bro. Jungers was afforded every opportunity to respond.

The Appeal Board, after careful review and consideration of the evidence and the laws of both our Country and of Masonry, has recommended varying the sentence of the Trial Commission and substituting instead a sentence of indefinite suspension with a further recommendation for expulsion.

The Constitution requires that one more review be made of this matter. Your Committee of Grievances and Appeals is required to review the recommendations of the Appeal Board and consider once more the facts, the circumstances and the law appertaining to this case.

Your Committee has done so and after due deliberation, accepts the recommendation of the Appeal Board.

Your Committee now recommends that Bro. Albert Jungers of Sharon Lodge No. 97 be expelled from our Order.

PART IV:**MR. J. ROBERT HODGINS****Restoration**

At the Annual Communication of Grand Lodge held in July 1978, Bro. J. Robert Hodgins, at one time a member of Palace Lodge No. 604 G.R.C. was expelled from Masonry. More than five years have elapsed since that time.

Pursuant to Section 426 of our Constitution, a person who has been expelled from the Craft may apply to Grand Lodge for restoration.

Mr. J. Robert Hodgins has applied in writing for restoration in accordance with our requirements.

The application made by J. Robert Hodgins would indicate that he has rearranged his personal life, has apparently conducted his affairs, since his expulsion, with discretion and has had no contact with Masonry during that time. This was in accordance with the Order of Expulsion.

He states "he has never lost his love for Freemasonry, still believes in all the tenets and principles of the Craft and believes he can still contribute quite a lot."

His application was supported by the active brethren of Palace Lodge No. 604 of which he was last a member, who have advised your Committee that indeed Mr. J. Robert Hodgins has not brought discredit to Palace Lodge or Masonry in general; has given assistance to the members of the Craft in their time of need and by the observation of several members of the lodge, has lived in such a manner as has been above reproach.

Mr. Hodgins personally presented his application to your Committee. Members of Grand Lodge from the Windsor District also have, at the request of your Committee, presented themselves to your Committee and had made comments and answered your Committee's questions relating to this application and we thank those members who have assisted your Committee accordingly.

Your Committee, recognizing that Mr. Hodgins, through his own actions and weaknesses, had been expelled from our Craft, and aware of the meaning that Masonry has had for this man, notwithstanding his removal from the Order, and after careful and mature debate and consideration, now recommends that Mr. J. Robert Hodgins' application for restoration be accepted and accordingly having made such enquiries as seem necessary, recommends for approval to Grand Lodge that Mr. J. Robert Hodgins be restored to Masonry with the status of a non-affiliated brother.

CONCLUSIONS:

Your Committee records its appreciation to those members of the Appeal Board for their genuine service to our Grand Lodge. Review of sensitive and distasteful matters is, at the best of times, unpleasant and upsetting. The responsibility of judgment is not one sought after by wise men. The brethren who were asked to undertake this unpleasant, serious and onerous task, have accepted their responsibilities without regard for personal inconvenience and have gone the "second mile" in Masonic duty.

On behalf of the Committee, I personally thank R.W. Bros. R. J. Connor, A. N. Newell, G. F. W. Inrig, A. T. J. Wickins and V.W. Bro. D. R. Shaw for accepting and completing this task on behalf of Grand Lodge.

Your Committee once again has presented a "Masonic Trial Demonstration" as a means of bringing to the attention of all who attend it, the fact that that, which at first blush may seem a terribly legalistic and complicated matter can, and in fact on many occasions, has become, far less problematic than first envisioned.

Masonry is founded on strict morals and true brotherhood and therefore requires that its members, in their conduct and language, adhere to these sound principles. On the other hand, Masonry also recognizes the fallibility and weakness of man, the existence of bad personal judgments, resulting from the pressures of business or private life, and understands toleration in all things, even of intolerance.

From time to time some of its members must be brought to task to account for their actions as men and as Masons.

Here we are taught to judge wisely, with compassion and understanding, but also with justice.

Charity has many aspects, not the least of which may in certain cases be extended to those of our Craft who have tottered on the uneven paths of weakness, temptation and adversity.

Masonry teaches us that we must maintain a delicate balance. We must uphold sound, moral values, regardless of the pressures of modern society to accept "situation ethics" and at the same time, extend relief, understanding and mercy to those of our Order who have fallen short of our individual responsibilities.

This task may well require the "Wisdom of Solomon" and therefore the challenge to Masonry is to attempt to meet these difficult and sometimes painful decisions, square on, without fear or favour, administering justice with mercy, toleration and forgiveness where merited, and at all time, conduct our enquiries so that the stand that Masonry takes may be looked on in future generations as the result of men endeavouring to practice the time-honoured tenets of brotherly love, relief and truth.

Masonic trials have taken place in our jurisdiction since our Grand Lodge was formed many years ago. It is not something new and different. Our present responsibility is, I submit, to keep a watchful eye on our system of Masonic justice and weigh it in the delicate balance of the ancient teachings of our Craft, applied in this modern age of rights and freedoms for all people.

Enquiries of your Committee, through the office of the Grand Secretary, can save much concern in Masonic trial matters and render timely assistance and advice to lodges who are faced with having to deal with these unpleasant duties.

Your Committee is dedicated to this ongoing responsibility and stands ready at all times to assist lodges and members of our Order as they deal with those of our number who, unfortunately, fall short of the Masonic requirement of "being good men and true."

Your Committee records its appreciation of the good services and efficient assistance rendered by our own Grand Secretary, M.W. Bro. R. E. Davies and his staff. Their efforts have been a great help to your Committee on many occasions and we thank them sincerely.

All of which is respectfully submitted on behalf of the Committee.

NORMAN E. BYRNE,
Chairman.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. W. R. Pellow, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Pellow, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege to tender this report on behalf of the Committee to the 129th Annual Communication of Grand Lodge.

The Committee is composed of M.W. Bros. Eric W. Nancekivell, Howard O. Polk; R.W. Bros. Frank J. Bruce, David C. Bradley, Edsel C. Steen, with the undersigned as Chairman.

Within the span of four years, this Committee has functioned ideally and laboriously and has instigated new programs to motivate, stimulate and educate at the constituent lodge level and maintain a crest of increasing excitement in the field of Masonic Education.

We must acknowledge the administrative capabilities of our seven regional directors:

R.W. Bro. Paul Curry, (Toronto); V.W. Bro. Elmer Guppell, (Kitchener); V.W. Bro. Fraser Howes, (Kingston); R.W. Bro. James Jackson, (Kenora); R.W. Bro. Edsel Steen, (Wallaceburg); R.W. Bro. Harold Waller, (Sudbury); V.W. Bro. Harold Whitmore, (Hamilton); their ability to open up the lines of communication and together with the promotion of our programs by the 43 D.D.G.M.s, their respective District Chairmen and the 650 lodge chairmen of Masonic Education, we are reaching out and finding Masons who are sincerely interested in increasing their knowledge in Craft Masonry.

This Committee met formally on three separate occasions — September 24, 1983, January 7, 1984 and April 7, 1984. We gratefully acknowledge the generosity of Bro. H. A. Pellow, Toronto, for the use of his board rooms for these meetings. We extend a special note of thanks to R.W. Bro. Edsel Steen, who continues to act as our recording secretary and provides an excellent transcript of our meetings.

On September 13th, 1983, your Chairman met with several Grand Lodge Committee Chairmen, the Grand Master, Deputy Grand Master and Past Grand Masters to outline and explain the aims and objectives of this Committee's programs for 1983-84 and to improve inter-administration communications for the Board of General Purposes of Grand Lodge. A presentation on forecasts and related information was proffered.

Specific requests were made to the Custodian of Work to outline our Masonic Education Programs and all resource material that is available to the membership. This Committee commits a vote of thanks for his diligent cooperation at the August meetings with the D.D.G.M.s in the jurisdiction.

To bolster this brief, we held a pilot project meeting with the D.D.G.M.s and Masonic Educational personnel from London East, London West, South Huron, North Huron, Bruce and Wilson Districts on October 5, 1983 at St. Marys, Ontario.

- a. A catalyst of \$4,000. worth of our Grand Lodge Publications was distributed for sale in the respective districts.
- b. Whence Come We was especially promoted.
- c. Our five-point programs were explained in detail
- d. Improvements in communication between Grand Lodge and the Districts were strengthened.
- e. "Feed Back" information was assimilated
- f. The role of Masonic Education and our media was discussed. We attempted to sustain interest for the newly made masons and enthusiasm and leadership in the officers of lodges. We stressed improvement in the education of the general membership wherever and whenever possible.

On November 19, 1983, at the Grand Lodge Board of General Purposes meeting held in Toronto, an interim report was tendered to the members. Questions were answered pertaining to Masonic Education in our jurisdiction. One recurrent concern addressed, "What are we doing for the newly initiated mason?" "What are we doing for the youth in the community, specifically DeMolay?" The latter was responded to at some length but with discretion because this topic is beyond the perimeter of this Committee's activities. The former has been openly discussed in committee and plans are being formulated to provide a program of instruction and guidance to begin in the 1984-85 Masonic year.

We are extremely pleased that R.W. Bro. E. C. Steen has accepted the Chairmanship for the Grand Lodge Masonic Education Seminars, July 17, 1984.

This Committee has continued to promote its five-point program in 1983-84. We have:

1. New Correspondence Course
2. The Newsletter
3. Deacons Program
4. Masonic Workshops
5. The Grand Lodge Speakers Program

Concerted emphasis this year shifted to the inauguration of the Correspondence Course, January 1, 1984, sponsored by this Standing Committee of Grand Lodge. R.W. Bro. D. C. Bradley, author of "Towards The Square" and Editor of The Newsletter, has taken on the additional duty of Curriculum Chairman of the Course, with all committee members assisting. The Co-Chairmen of Administration are R.W. Bros. F. J. Bruce and E. C. Steen.

At the time of writing, 430 Masons have registered. We are highly optimistic that 500 Masons will be enrolled by the end of the year. Mentors have been assigned their tasks and the flow of Masonic communication is vented wide open and vast strides are being recognized, a most gratifying result.

There was a tremendous output of time and labour to formulate this new course and the administration hours necessary will supersede everything. It encompasses several dimensions and is geared particularly to:

- a. Create interest in Craft Masonry
- b. To be educational and instructive
- c. To promote and generate enthusiasm with the potential of spreading this enthusiasm
- d. To finally prepare Masons for very knowledgeable leadership, therein strengthening the fibers that hold our Craft together.
- e. As an instrument to keep existing members of the fraternity continually excited about Masonry, thus preventing resignations, demits and suspensions.
- f. To enlighten, to bolster our image in the community, for enjoyment and leisure, self-gratification, motivation, pride and lastly to fulfill the thirst for Masonic knowledge so evident in the field.

We would like to see every lodge officer involved in this course, especially the Junior Deacon. In four years, the Junior Deacon could complete all four phases of the course. By the time he is elected Worshipful Master, he would be extremely confident and competent to provide outstanding leadership for his lodge. Perhaps the individual lodges can see merit in recommending the Junior Deacon to commence his studies and perhaps even sponsor him toward that end.

From reports received from the students, this new correspondence course is definitely fulfilling a wanted need. Admission fee for Part I is only \$30.00 and any Master Mason is eligible to register at any time. The Curriculum Chairman is well armed with enough ammunition to complete Part II and Part III of the course.

There is a close liaison between the Grand Lodge Library Committee and this Committee to ensure sufficient Grand Lodge publications and papers are available for the students.

To our reporters, we heed your advice and will have promotional posters ready for September, 1984.

The Newsletter

Volume 3, Edition 4 was printed in April, 1984. This edition captured several exciting short stories:

What is Freemasonry?	Speakers Corner
Initiation	The Grand Steward
Cabletow	The Entered Apprentice
Pythagoras The Philosopher	Questions and Answers
Instruction of New Members	Others

Every D.D.G.M. and the Secretary of each lodge have had direct correspondence concerning content, requests for contributions from the membership for articles and the ways and means to subscribe to this wonder packet of Masonic wealth and information.

At Grand Lodge this year this Committee will have available all back issues of the Newsletter; we will have many volumes packaged as units and we will have a limited supply of Volume I, II, and III bound with hard covers (Collector's items) and of course subscription forms. Subscriptions can be purchased for \$5.00 per year. There were over 900 subscriptions mailed in 1983.

The Editor still requests your penned contributions. Article submissions can be forwarded directly to: The Editor, 81 Hillsdale Avenue West, Toronto, Ontario M5P 1G2. One Chairman, Worshipful Bro. Donald Hanton, St. Lawrence District, had several issues bound for Masonic Education presentations. Indeed a commendable effort.

Comments:

- "Good response, excellent feed back"
- "An excellent vehicle for masonic education"
- "Very good balance of material"
- "I am not aware of any Newsletter"
- "Most enlightening, interesting, well received, informative"
- "Always worth reading"
- "Short extracts read at each meeting for masonic education"

Brethren, the articles are scrutinized by at least four well-skilled Masons before being sent to the printers to assure the content is authentic.

The Deacons Program

The seventh printing of Towards The Square (1500) October, 1983. Copies are now shelved in Hamilton and can be purchased from the Grand Secretary's office, \$4.00 each.

1. This program was held by the three Sault Ste. Marie lodges in 1984.
2. In Frontenac District, 28 Wardens attended a special session on the Worshipful Master. Each prospective Worshipful Master was presented with a blank calendar to fill in the date and nature of each meeting of his lodge for the coming year and secondly, steps in planning a meeting in (a) the lodge; (b) the social hour were discussed. The driving force educators were V.W. Bros. Fraser Howes and Dale Clark and W. Bros. Donald Thornton and Sidney Wood.
3. Hamilton "A", "B" and "C" Districts had four evenings devoted to Towards The Square. Speakers were R.W. Bros. N. Byrne, D.C. Bradley, W. Elgie and W. R. Pellow. 30 members from the combined districts were present at each meeting.

4. February 18, 1984, at Sudbury, 49 Masons attended an all-day session. Several travelled considerable distances to be present; as far away as Haileybury, Nipissing East District (200 miles). This Committee's newest regional director for the North, R.W. Bro. F. H. Waller was the organizer and spearhead, assisted by R.W. Bro. R. N. Gordon.
5. Toronto District 3 renamed the course to Officers Training Program, to not limit to Deacons as implied: held fourth Thursday — January through April — at the Pickering Masonic Temple. 30 - 40 average attendance, excellent.
6. Toronto "6" is gearing up to a full program in 1985.
7. Toronto 7: The program was opened to Deacons and Inner Guards. Each of the four meetings were chaired by various members of the district education team.
8. At Arcadia Lodge No. 440, Minden, Victoria District, September 29, 1983, instructions were given at the Officers Association meeting by the District Masonic Education Chairman, using Towards The Square as the text.
9. One D.D.G.M. presented Towards The Square texts to the Deacons of the Lodges.
10. And again, October 26, 1983 at Kintore, Wilson District, R.W. Bro. Joel Piper held 60 active Masons at bay with his interesting Deacons presentation.
11. Prince Edward District are impressed and are being encouraged to hold sessions in the Fall of 1984 by the D.D.G.M.

This zestful Grand Lodge publication, which originated out of Toronto District 3 in 1977, has been extremely useful in Masonic Education and has assisted in moulding strong Worshipful Masters in our lodges across the jurisdiction.

Workshops

1. Western District: Each year the Past Masters' Association of Kenora and Keewatin hold a Shield Competition. This is a special night for Masonic Education only. All the lodges in the district are invited to enter a team. Each team consists of four, five or six brethren. They must be a Master Mason and under the rank of Junior Warden. Usually the Junior Warden is their coach as he has put in two or three years of experience and knows the question and answers. There are approximately 100 questions in each degree. The teams are given both questions and answers in early February. They have regular practices each week until the competition.

This year there were three teams: Golden Star Lodge, No. 484, Dryden; Sioux Lookout Lodge No. 518; and Pequonga Lodge No. 414, Kenora. It was a very close competition and Pequonga No. 414 finally won the coveted Shield. There were 84 in attendance, and everyone was a winner. D.D.G.M., R.W. Bro. G. Ed Devins, was the guest speaker.

2. Brant District and Toronto 6 are now planning Masonic Workshops in 1984-85.
3. May 29, 1984, Windsor District conducted a well organized workshop exemplifying the first degree. The format was formal questions and answers interspersed with some obvious and some not so obvious mistakes. Symbolism was explained. 17 of the 19 lodges in the Windsor District were represented. Moderator

was W. Bro. Jim Hayes, P.M. of Palace Lodge No. 604. He was assisted by several Worshipful Masters and Grand Lodge Officers.

4. Several other Districts, namely: Bruce, Grey, Chatham, London East and West (250 in attendance), Sarnia, Ontario (attendance 100) and South Huron, held sessions on the ritual and included these sessions in their Masonic Education report.

Speakers Program

Yes, we do have an abundance of brethren who are capable of speaking in Masonic lodges. On a ratio basis of total lodges in our jurisdiction few have taken advantage of the Speakers Program. Several lodges independently arrange for their own speakers and that is tremendous. Several are so involved with ritual and degree work they claim no time for "extra curriculum" activities. That is unfortunate. Although the ritual is very important, it is only one facet of Masonry. There are other events that are enjoyable to many Masons.

Perhaps it is time now to release some of our tried ideas of the past, and turn our attention to other methods of interest.

Constructive Happenings

1. Dyment Lodge (Algoma East) is proud to mention V.W. Bro. Henderson as one of their perennial speakers and outstanding educators.
2. Ozias Lodge No. 508 held an enlightening evening of Masonic Education; topics varied; several Grand Lodge members in attendance.
3. An excellent suggestion from D.D.G.M., S. Boyd, Bruce District, "that the Master of each lodge prepare (or have prepared) a questionnaire and on an evening when there is no degree work encourage the younger members to ask questions. The P.M.s and Grand Lodge officers would brush up on the answers expected, all would benefit."
4. Chatham District: R.W. Bro. E. C. Steen conducted a Lodge of Instruction on the Three Degrees and the Installation Ceremony.
5. Eastern District would like to have more Grand Lodge involvement in their District activities. May the 1984-85 Grand Lodge Committees heed this request. However, D.D.G.M., R.W. Bro. H. Summers's report does reflect many interesting local activities in Eastern.
6. Georgian's educators, V.W. Bro. McAteer, W. Bros. Benson and Robinson held Wardens and Deacons Seminars — well done.
7. W. Bro. Frank Simon, Hamilton "C" and a member of Corinthian Lodge No. 513 did a fantastic job researching the talks he delivered in the district. He prepared many of these talks in leaflet form for distribution.
8. London East and London West still maintain an inter-district schedule of Masonic Education visits. Groups from one lodge providing the education to another lodge. Some presentations are exceptional.
9. April 28, 1984, the two London Districts sponsored "Take a Brother To Lunch". Guest speaker, Deputy Grand Master, R.W. Bro. A. Lou Copeland. Extremely well presented and well received by the 148 in attendance.

10. Highlights in Niagara District "A". At the Wardens' and Masters' Association meeting, a slide presentation of the Grand Lodges of England and Pennsylvania and a quiz on the three degrees. Interest was high. Niagara "B" was invited, well represented.
11. Nipissing East, Haileybury Lodge No. 485 has revised its By-Laws and Masonic Education is now in the order of business.
12. R.W. Bro. Douglas Martyn was an outstanding promoter of Masonic Education in North Huron District. Sales from Grand Lodge publications for Masonic Education reached an all time high. Wor. Bros. Don Dunbar and Denis Langridge were extremely capable in their chair positions. Quote from D.D.G.M. Martyn: "I wish that it was part of an officer's duties to be an educator as well as a ritualist. By the time he became Master his meetings would be most interesting, informative and well attended."
13. 100 in attendance for Ontario District's presentation and instructions on The Master Masons Degree.
14. Ottawa No. 2 held three District Masonic Education Nights. The format was Questions and Answers. March 3, 1984, Ottawa No. 2 hosted Grand Lodge Regional Director, V.W. Bro. Fraser Howes, who explained all the programs available and the current resource material from Grand Lodge for District assistance. A discussion period after, very well received.
Every lodge in Ottawa No. 2 had at least one "in house" Masonic Education meeting.
15. May 12, 1984, "Masonic Information Day" for all Masons in the Peterborough District from 1:00 - 4:30 p.m. The three speakers were: 1. M.W. Bro. William Bailey; 2. R.W. Bro. George Inrig; 3. V.W. Bro. Jack Carpenter. The format was Questions and Answers.

An exciting Travelling Square Schedule is used in Peterborough District. Each visiting lodge when presenting The Travelling Square will give the Masonic Education for the evening, also the visiting Wor. Master, Senior and Junior Wardens will participate in the Work. Fantastic idea!! Others should innovate or duplicate.
16. Sarnia District is proud to acclaim Wor. Bro. Albert Flavell as the District Masonic Education Supervisor. His topics included (a) The Square; (b) R. Kipling; (c) The Temple (d) History. On two occasions, he used tiles to prove the Pythagorean Theorem on the floor of the lodge.
17. Several Districts are promoting bulletins to disseminate Masonic Education to their respective districts.
18. Wardens' Association (Toronto "1") hold breakfast meetings each month and have a guest speaker. Topics have been: The Constitution, Signs in Every Degree, The Floor Work, and others. Wor. Bro. R. Slee maintains an interesting slide collection. Wor. Bro. William Boratynec continues his research work with perfection. Toronto District "1" continues to be a leader in Masonic Education programs.
19. Toronto 2 Education Committee has provided Masonic Education and instruction in eleven lodges by invitation.

20. "Masonry Under Fire" June 20, 1984 to be held at York Masonic Temple. Toronto District 3, an extravaganza, well planned and superbly organized. Too late to report details this year.
Interesting suggestion by R.W. Bro. Hayman: A travelling roadshow and a new title for Masonic Education, "Masonic Interest" or "Masonic Knowledge," "Education seems to turn people off." He might have something there!
21. January 31, 1984, Markham Masonic Temple, a full education evening conducted by Wor. Bro. W. Reiach, Todmorden Lodge, assisted by R.W. Bro. J. Hughes. V.W. Bro. A. Shenfield prepared nine papers to be read in each lodge.
22. Toronto District 5, theme, "Interviewing Applicants," an excellent dramatization involving fifteen brethren. Fourteen out of sixteen lodges were represented.
23. Orientation evening in Toronto District 7, all Masons who had a degree conferred on them since September, 1983 were invited to attend. Held simultaneously in three different locations. Talks included such topics as:
 - a. The Office of Grand Master
 - b. Deputy Grand Master and Grand Lodge Board of General Purposes (their duties)
 - c. Office of D.D.G.M.
 - d. Reasons for elections in lodges
 - e. Various charities supported
 - f. Advantages of becoming a lodge officer, participation

Take note, brethren, what more can be done to interest our newly made Masons?

24. Brock Lodge No. 354 Cannington, Victoria District, Chairman Wellman, lectured on the Working Tools. The Officers' Association presented lectures on each of the Three Degrees at different lodges. R.W. Bro. (Rev.) William Fairley continues to deliver exhilarating talks on Masonic Education.
25. Galt Lodge held a Question and Answer Night using the 1963 Constitution. Note: Participation of many brethren seems to be the most popular form of disseminating Masonic Education we have at present at the lodge level.
26. Irving Lodge No. 203, Wellington District, received an excellent presentation by W. Bro. Ross Barrie on the Tracing Board.
27. Wyndham Lodge No. 688, Wellington District, on "Reason for the Attitudes of Young People Towards Masonry" by V.W. Bro. A. Grant of Joseph A. Hearn Lodge No. 685, Toronto District 1, very well responded to.
28. Western District held a District Meeting and presented slides on an American chart called "From Darkness to Light." Four lodges have this chart on their walls, but themselves never knew the signification.

Summary

Well Brethren, here we have scratched the surface in this report on the happenings concerning Masonic Education in our vast jurisdiction.

You must be impressed with the activity, the substance and the involvement of so many dedicated Masons who practice and enjoy our principles.

Why are we restless? Because we strive constantly for perfection?

Why are a few negative? We have produced positive results.

This Committee is diligently promoting education of an interesting nature, attempting to plant small seeds for growth in every square inch of our jurisdiction. They will sprout and be the catalytic seeds for future growth, future understanding and future pleasure for many Masons.

Respectfully and fraternally submitted on behalf of the Committee.

WILLIAM R. PELLOW,
Chairman.

REPORT OF THE COMMITTEE ON ANNUAL COMMUNICATION SEMINARS

This Report was presented by R.W. Bro. D. C. Bradley, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bradley, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee has once again organized seven seminars to provide information, enjoyment and knowledge for the members of the Craft. These will be held on the afternoon of Tuesday, July 17, 1984. Before these are listed it is first necessary to acknowledge the assistance of R.W. Bro. J. W. Auckland, who has been most unsparing of his time and provided good, solid counsel whenever needed. His generous and continuous support is greatly appreciated.

The topics and the seminar leaders responsible for each are:

The Office of D.D.G.M.	R.W. Bro. Jerry M. Howarth
The Office of Worshipful Master	R.W. Bro. R. Carl Casselman
The Office of District Secretary	R.W. Bro. Lloyd W. Lawrence
Lodge Finance	V.W. Bro. Samuel H. Cohen
Grievances and Appeals	R.W. Bro. Norman E. Byrne
The Masonic Foundation of Ontario	R.W. Bro. C. John Woodburn
Masonic Education	R.W. Bro. Edsel C. Steen

The thanks of the Committee are extended not only to each of the above, but also to those whose names are not always known, but without whom nothing much could be accomplished. Our expression of gratitude covers all those who worked so tirelessly in the preparation and staging of the seminars.

Your Committee is again providing questionnaire sheets for the members at each seminar. We hope that these will be completed fully, because we wish to know whether you enjoyed the current offering, but more importantly what you want in future sessions.

Blood Donors and Lodge Buildings, inclusive of assessment problems, are two seminars under consideration for the future; however your answers to the

questionnaires will assist in the final determination of future seminars. In response to many requests each seminar leader has been asked to allot sufficient time for discussion of any questions.

There has been a slow but steady increase in interest since the annual seminars began, and last year the attendance exceeded all expectations. There seems to be a tremendous and natural curiosity evident among the membership, and this enthusiasm for learning must be satisfied. In some part the annual seminars assist Masonry to grow and exert its wonderful ideas throughout our jurisdiction and perhaps into the community. They will help to promote the worth of the individual by instilling in each a knowledge of and love for Masonry that will shine through all troubles, and lead the Craft into the path of excellence, into the knowledge that sustains strength of purpose, and into the confidence of our Masonic heritage of truth and honour and virtue. An informed Mason is an interested Mason.

All of which is respectfully and fraternally submitted on behalf of the Committee.

DAVID C. BRADLEY,
Chairman.

REPORT OF THE POLICY COMMITTEE ON THE BULLETIN

This Report was presented by R.W. Bro. E. C. Steen, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Steen, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of V.W. Bro. J. Carpenter and myself we would like to express our appreciation to all who have taken the time to submit many articles of great interest to our Brethren.

The Grand Lodge Bulletin is the only communication sent directly from Grand Lodge, through the Lodge Secretaries, to every member in this Grand Jurisdiction. Its success depends a great deal on the material received. Outstanding lodge meetings or events that were highly successful from the member standpoint can be of great

assistance to others in program planning. Unusual events found in the early history of a lodge at a centennial are also welcome.

We are indeed fortunate to have R.W. Bro. Wilson McConnell as Editor of our Bulletin. His skill and ability to select and present items in a most interesting way is a mark of excellence. We are happy to report that his health has greatly improved.

Finally, the job of proofreading a bulletin of this size and mailing of sufficient copies for each lodge in our Jurisdiction is of mammoth proportions. We are deeply indebted to our Grand Secretary and his staff for their assistance.

Respectfully and fraternally submitted on behalf of the Committee.

EDSEL C. STEEN,
Chairman.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by R.W. Bro. R. S. Throop, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Throop, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

It has been a most interesting and rewarding year for the Advisory Committee on Lodge Buildings. We have had the pleasure of dealing with a total of thirteen referrals concerning lodge buildings and facilities. Two of these culminated in the impressive ceremony of Dedication of a Lodge Room by the Most Worshipful the Grand Master. The brethren concerned in these two endeavors, namely Xenophon Lodge No. 448, Wheatley and Lorne Lodge No. 622, Chapleau, are to be congratulated on the zeal and enthusiasm with which they brought their projects to such a successful conclusion. They have not only provided beautiful facilities for their assemblies, but have had the foresight to build in keeping with their requirements. By so doing they have not placed any undue financial burden on themselves or their future members. They have indeed set an example for others to emulate.

It is gratifying to see so many lodges concerned with improving their facilities for the safety, comfort, and convenience of their members. We, as Masons, should always be concerned about our image in the community. Effort expended in improving the external appearance of our buildings in such things as landscaping, painting, and general repairs could pay dividends in improving that image. A tastefully designed and well placed sign indicating that Masons meet here would also assist.

Your Committee wishes particularly to bring three matters to your attention: namely Fire Safety Standards, Access for the Handicapped, and the desirability of holding title to Masonic property by a nonprofit holding company without share capital.

Fire Safety:

This is a subject that has been discussed in nearly every one of the twenty-seven annual reports of this Committee. We are making great strides in meeting fire safety standards but there is still a long way to go. All too often we take the attitude that it can not happen to our building. However, there is an old and true saying that if anything can happen, then sooner or later it will happen. Let us ensure that we have taken the proper steps in our lodge buildings so that it can not happen there.

We would draw your attention in particular to the new Fire Safety Regulation that became law in this Province on April 29, 1983. We refer to Ontario Regulation 251/83, Retrofit, Part 9 of the Fire Code. This Regulation is to be used in conjunction with the Fire Code Ontario Regulation 730/81.

This new Regulation applies to the upgrading of existing buildings in order that they conform to at least minimum fire safety standards. It is of interest to note that Section 9-2 of the Regulation, namely "Assembly Occupancies," specifically includes lodge rooms.

There is a time limit set for the compliance with the Act, and the requirements are quite explicit.

We strongly urge all Lodges and Temple Boards to carefully peruse this Regulation, and to govern themselves accordingly. To this end it is our intention to supply, through the Grand Secretary, each of the incoming District Deputy Grand Masters sufficient copies of the Regulation so that they may give one to each lodge in their district.

Access for the Handicapped:

There is an increasing awareness of the need to include in plans for the upgrading of buildings, facilities that will permit older and physically handicapped brethren to comfortably join with their brethren. We recommend, therefore, that the Ontario Building Code O.R. 583/83, Part 10 — "Building Requirements for the Handicapped Persons," although not specifically applicable to lodge rooms, should nevertheless be applied voluntarily to any proposed new Lodge Room or Temple Building.

It should be pointed out that if new buildings, or revisions to existing buildings, incorporate community facilities they must conform to the Ontario Building Code Part 10, at least insofar as those areas used by the public.

The following items should be considered in any proposed construction in order to accommodate persons in wheelchairs: accessibility of primary entrance, door widths, vestibule size, ramps, vertical transportation, washroom facilities, and alternative routes for restricted passageways.

It is recommended that each lodge building be reviewed with the object of bringing forward proposals to improve the accessibility of the building. The minimum object of this review should be to upgrade facilities to approximate the Building Code Part 10 as close as practical.

It is further suggested that lodge buildings conforming to the required standards be listed in some manner, perhaps in the various Masonic Directories as "Accessible."

In this way those needing such facilities would be aware of which lodge building provided them.

Non-profit Holding Companies:

The desirability of incorporation of a non-profit holding company without share capital to hold title to Masonic property has been discussed at considerable length in previous reports.

Information is available from the Grand Secretary's office in regard to the formation of such a Company.

We would again strongly urge all those concerned to avail themselves of this service.

In conclusion, we would be remiss if we did not express our gratitude to the Grand Secretary and his staff for the invaluable assistance provided to us.

Respectfully and fraternally submitted on behalf of the Committee.

ROBERT S. THROOP,
Chairman.

**REPORT OF THE COMMITTEE ON
THE GRAND MASTER'S BANQUET**

This Report was presented by R.W. Bro. W. H. Sproule, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Sproule, it was received as presented.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

As Chairman of the Grand Master's Banquet, I am pleased to report that ticket sales will be over 1,800 and the support that the brethren are giving is excellent. Once again, we shall enjoy the entertainment supplied by Bro. Edgar Goodair and his orchestra and soloist. My co-chairman, R.W. Bro. D. I. Greenwood, has done a wonderful service and tickets may be obtained from him or myself. Once again, Brethren, I thank you very kindly for the support you are giving to the Grand Master and this Grand Lodge.

Respectfully and fraternally submitted on behalf of the Committee.

WILLIAM H. SPROULE,
Chairman.

REPORT OF THE BLOOD DONORS' COMMITTEE

This Report was presented by R.W. Bro. A. N. Newell, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Newell, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the report of the Blood Donor Committee.

The Committee was composed of R.W. Bros. A. G. Broomhead, W. E. Elgie, G. F. Inrig, J. D. Jackson, J. Pos, W. E. Rawson, R. S. Throop, D. J. Emerick and Ralph Green, with the undersigned as Chairman.

I would like, first, to thank R.W. Bro. Elgie for his extra effort when I was incapacitated for a time this past year.

The same organization was maintained as previously reported. A newsletter produced by R.W. Bro. Elgie was instituted in February of 1984 and as a result of this, I believe, the annual reports have been submitted from almost all of the districts. This has been most encouraging. Some of the District Chairmen have done an outstanding job in promoting and recording your participation.

I have established a liaison with and have been asked to sit on the Red Cross Blood Donor Advisory Recruitment Committee for Ontario and hopefully this will afford a mechanism to solve some of our problems.

Reports from all of the District Chairmen show varying accomplishments. St. Thomas has won the Blood Donor Challenge Trophy in their area for the third consecutive year. London East surpassed 500 units for the first time. Eastern District Chairman, V.W. Bro. Doug McNaughton attests personally to the benefits of receiving blood transfusions. Bro. Garry Saunders, Chairman for Western District, forwarded an article from the Neepawa Press, Manitoba, welcoming the addition to the Manitoba Red Cross the Mobile Lab previously donated to the Ontario Red Cross by the Toronto Districts 1 - 7. He also travelled 1,500 miles as District Chairman.

I am indebted to R.W. Bro. Ken Hunter and W. Bro. Alvin Turner of Windsor District for informing me of the story of W. Bro. Alex Swanson who suffered from leukemia and required the services of the pheresis program. Adequate donors were supplied by the cooperation of the members of the Windsor and London Districts, coordinated through W. Bro. Turner and R.W. Bro. Bob McKibbin and aided by others. W. Bro. Swanson gave a very moving speech at an appreciation night for special donors in London. He was in remission and has returned to lodge functions.

Individual lodge efforts have been noteworthy:—

Centennial No. 684	114 donors
Ancient St. John's No. 3	94 donors
Cataraqui No. 92	79 donors
Equity No. 659	69 donors

Lorne Lodge No. 404
Woodland Lodge No. 680

26 donors
30 donors

It should be appreciated that several are rural lodges at some distance from clinics.

Individual efforts are also reported as commendable:

Bro. Tom Bailey	Keystone No. 412	140 donations
Bro. Robert Henry	Patterson No. 265	111 donations
V.W. Bro. Wm. Keiller		100 donations
Bro. W. B. Burmaster	Algoma No. 469	92 donations
W. Bro. Ken Holtz	Robertson No. 292	75 donations
Bro. Robert Haddock	Temple No. 690	80 donations
Bro. Murray Hodges		75 donations

Ten other brethren are reported as having given over 50 donations.

Once more there are numerous reports of apathy, lack of communication and outright neglect of fulfilling the duties required to give adequate support to this aspect of Masonic charity. On the other hand I am encouraged by the number of District Chairmen who submitted their reports on time and particularly those who gave an adequate outline of their programs and successes.

Helpful suggestions received:—

1. Blood Donor Chairman (if active) should remain in office for more than one year (this was recommended last year).
2. Some form of active recognition be forthcoming from Grand Lodge for outstanding donors (recommended last year).
3. A Telephone Committee to be used prior to clinic dates as a reminder.
4. In Niagara B — donors of more than 15 units have their names printed with the number of donations in the local press.

The following is a tabulation of donations for 1984 and 1983:—

Recommendations:

I would refer you to last year's report and the Blood Donor Update which was sent to all the District Blood Donor Chairmen and the 1983-84 District Deputy Grand Masters. Apathy and lack of communication continue to be our greatest problems. What are you going to do about it?

Once more, I would like to thank those Area Supervisors, District Chairmen, Lodge Chairmen, and particularly the donors who have tried so hard to make this project a success.

Respectfully and fraternally submitted on behalf of the committee.

Chairman.

REPORT OF THE LIBRARY COMMITTEE

This Report was presented by R.W. Bro. F. J. Bruce, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bruce, it was received as presented.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of your Library Committee it is my pleasure to present the following report to this 129th Annual Communication of this Grand Lodge.

The members of the committee are: R.W. Bros. Pellow, Pos, Horwood and Casselman, with the undersigned as chairman.

The library was moved this year from its location at 888 Yonge Street in Toronto, to its new home in the Grand Lodge building in Hamilton. This room — decorated and carpeted by the Grand Lodge Holdings Committee, and with a signed lease to the Library Committee rents for \$1,800.00 per year. Your Library Committee purchased new book shelves, work table and reading table for the new library, and a metal storage cabinet was supplied by the Grand Lodge offices. The cost of the shelves and tables amounted to \$2,881.51, and were purchased from the National Library Resources of Scarborough.

To complete the room, it is necessary to purchase 4 chairs, 2 extra sections of shelves and a reading light over the reading table — estimated cost of \$1,200.00 and I recommend that it be done in this next year.

Although all the books that belong to this Grand Lodge that were in Toronto have not as yet been moved, it is your chairman's hope that this will someday be achieved. Special thanks to R.W. Bro. Norman Byrne and the Grand Secretary for their valued help in getting the books.

At present approximately 1,800 volumes are now being carded and prepared for catalogue. Special labels have been printed and will be affixed to the inside cover of all books, stating that they are the property of the Grand Lodge Library, with the return address of the Grand Lodge Offices.

Bro. Robert Todd of Composite Lodge No. 667, Hamilton, spent his spare time in the library making out cards and R. W. Bro. De Young of Hamilton District "C" has agreed to help with a system of cataloguing. Our thanks to both of these brethren.

Expenses for the library this year have been:

Insurance	\$ 250.00
Rent Paid	2,000.00
Shelves and Tables	2,881.51
Printing and Mail.....	<u>1,749.74</u>
Total.....	\$6,881.25

This is high due to the move this year, but should be less in the year ahead.

The use of video material has been good this year. Some 75 tapes and slides have been loaned to lodges. Again I report the need for new material in this area, and a much needed area is in Canadian Masonic content. I recommend that the Publication Committee look into this area of need.

Again this year, requests for papers have been good. 125 papers were supplied to lodges, and over 150 letters answered.

The library again this year prepared kits of material for each lodge. This was sent to all D.D.G.M.s. The kits contained material for the D.D.G.M. himself, for the Masters of the lodges, lodge library chairmen, the district library chairmen. It was composed of book list, price list, book reviews, audio-visual material, list of papers available and a number of other papers to help the district and lodges to bring Masonic knowledge and understanding to their brethren. We express our sincere thanks to all 43 D.D.G.M.s for their full cooperation in the appointing of district library chairmen, and for their keen interest in seeing that books and material were available to their district lodges.

The outreach program has been, over the last three years, the most rewarding to your Library Committee. It has shown that the brethren throughout our Grand Lodge are interested in receiving material, books and papers that can help them to obtain a better understanding of the Craft. Only through the efforts of your committee can the brethren obtain this, especially those in the far reaching corners of this Grand Lodge, and it is our job to see that it is available to them.

All district chairmen, either through the committee, or direct from Grand Lodge obtained books for their brethren. A special thanks to the chairmen of the seven Toronto Districts, Georgian District, North Huron District, Ontario District, and Nipissing East District, who maintained a supply of other publications besides those of Grand Lodge, and have done an outstanding job for their districts.

Although at the time of the presenting of this report it was not possible to have all the figures of the number of books sold in the outreach program, but at the time this report was written over \$20,000.00 in books had been purchased through your library. A better than 50% increase over the year 1982-83.

The Education Correspondence Course has been a big mover of publications this year; such books as Mackey's Encyclopedia of Freemasonry, Coil's Encyclopedia, Freemasons Guide and Compendium, Towards the Square and The Freemason at Work. Because of the overlapping of the work of the Committee on Education and the Library Committee it is the suggestion of this chairman that the Board of General Purposes should take a look at bringing these two committees under one chairmanship with sub-chairmen.

A full report will be filed with the Grand Secretary as soon as all sales are in.

I again list the addresses of book supply houses.

1. Your Grand Lodge Offices, Hamilton
2. Masonic Book Sales, P.O. Box 250, Pefferlaw, Ontario L0E 1N0
3. Macoy Publishing Co., P.O. Box 9825, Richmond, Virginia, 23228
4. A. Lewis Publishers, Terminal House, Shepperton TW17 8AS

5. Masonic Service Association, 8120 Fenton Street, Silver Spring, Maryland 20910
6. Masonic Book Club, 317 North Main Street, Bloomington, Illinois 61701
7. Quatuor Coronati Correspondence Circle, 27 Great Queen Street, London WC2B 5BB

As chairman of the Grand Lodge Library since 1980, I must say it has been a most rewarding experience. It has shown me that there is a genuine outreach from brethren throughout this Grand Lodge, seeking the proper books and material that will help give them a greater understanding of this wonderful Craft that we belong to — the search for knowledge goes on and it is up to us to see that it is supplied to them. Again, as I stated earlier, the need for Canadian content.

There is greater need for proper written material of our Order for the Entered Apprentice, the Fellow Craft and the new Master Mason. We do not in this modern day and age have the time that was ours in the early days to sit with a new brother and tell him what the Craft is all about, so the need is there for proper prepared text.

It is with regret that I find it necessary to request that I be relieved as Chairman of the Library, but at this time I must back off of some of my work load.

In closing, I wish to express sincere appreciation to all 43 District Deputy Grand Masters for their full support this past year; to the District Library Chairmen for the work they have done in their districts; to my committee: R.W. Bros. Pellow, Pos, Horwood and Casselman; with a special thanks to R.W. Bro. Casselman who accepted the job as vice-chairman and took a lot of the work load from this chairman; to the staff at the Grand Lodge office who are just the greatest, and always had a pleasant smile and ready to serve no matter what time you drop in; and a special thanks to M.W. Bro. Robert E. Davies, our Grand Secretary, for his continued help.

All of which is respectfully and fraternally submitted on behalf of your Grand Lodge Library Committee.

FRANK J. BRUCE,
Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

This Report was presented by V.W. Bro. T. R. Davies, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Davies, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

We are pleased to present on behalf of the Grand Lodge Committee on Benevolence this report of the activities of our Committee during the past twelve months. We have had a reasonably active and rewarding year, and have dealt with all applications presented. We have enjoyed a high level of continuity among our Committee and acknowledge the support and interest of the several members appointed to our Committee, plus the dedication and effort put forward by the many District Chairmen of Benevolence. Each year we have urged the District Deputy Grand Masters to assist our work by reappointing wherever appropriate, the incumbent District Chairman and in 1983 we met with the D.D.G.M.s to bring to their attention the merit of expanding the continuity of awareness that comes from the involvement over a period of years of an interested and active District Chairman. We are glad to report that in 1983 there was an improvement in the number of reappointments and we would appreciate the incoming 1984/1985 D.D.G.M.s to be mindful of the merit of continuity of the District Chairman of Benevolence. One of the goals of our Committee is to maintain the highest possible continuity of recall and past experience dealing with cases that have been with us on an ongoing basis, plus of course to have a vital awareness of the need for care and attention to new cases developing in our midst. Both of these mandates are ideally served by the cumulative experience attained over years of experience by an active and involved Committee and District representation.

We continue to administer about sixty-five individual benevolent situations. Each year a few are removed from our files, sometimes by death and sometimes by an improvement in their circumstances, but of course each year we find new cases where some measure of interest and support is appropriate. We anticipate the likelihood of dealing with another 65/75 applications for financial benevolence during the year ahead and have submitted to the Committee of Audit and Finance our budget estimate calling for a proposed \$5,000 out of 1984/1985 Grand Lodge revenues. This is the lowest budget requirement ever and is the happy result of the fact that the revenue earned by our Memorial Fund has now been built up to the point where estimated interest revenues in the year ahead will bring approximately \$65,000. We have no expectation of any particular increase in the number of cases to be dealt with or in the level of financial aid that would be required. Accordingly, we believe the \$5,000 estimate from Grand Lodge funds - bringing us to a total of say \$70,000 in available revenues - will be sufficient and if the present trend continues it is likely the revenues from the Memorial Fund will meet and perhaps even exceed the financial requirements of the Benevolence Committee within the next couple of years.

We wish to acknowledge our appreciation to the Boards of Relief throughout the Jurisdiction who have continued to be most helpful to our Supervisor of Benevolence during the year and we again extend our sincere appreciation for their ongoing support.

Our Committee recommends that we continue membership in the Masonic Relief Association of the United States and Canada.

Last year we drew your attention to the fact that from time to time we receive applications which involve a temporary need pending disposal of property or other assets and that your Committee had concluded there are applications where assistance might be provided in some form other than as an outright grant. This view was referred to the Long Range Planning Committee and is receiving their consideration.

We must remark on the fine co-operation that we have enjoyed in the work of our Committee and that of the Masonic Foundation. The most dramatic example of co-ordination between our Committee and the Foundation has been the Barbara Turnbull fund, and Masons throughout Ontario have raised some \$40,000 that has been earmarked for the purchase of long term physical aid requirements that this young woman, a daughter of one of our Craft, will require. An earlier example of enormous co-operative spirit between the Foundation and our Committee was evidenced in the Rose Sonnenburg case only a year ago. There have been others and we anticipate an ongoing and closer evolution of care and handling of Masonic benevolence between our Committee and the Foundation.

We wish to again draw attention to the special care needed in the completion of applications and of the desirability of the Lodge and/or District Chairman to write a report supplementary to the application for the consideration of our Committee. There is no way that we could devise a form that would be suitable for the wide variety of cases that we review each year and the information forthcoming by way of an additional report supplemental to the application is invaluable to our deliberations. We also wish to remind the newly appointed and reappointed District Chairmen of Benevolence of their responsibility to be ever alert to the requirements of Masons and their families where there is health or financial or other difficulty.

We have assisted in visitations and made presentations in various Lodge and District communications about the work of our Committee via seminars, and will welcome invitations for ongoing involvement in this area of our work.

In closing, we wish to express our appreciation for the care and attention of all involved with the Benevolence process, but to extend a special word of thanks to two members of Grand Lodge — our Supervisor of Benevolence, R.W. Bro. James Guy and our Grand Secretary, M.W. Bro. Robert E. Davies. We also wish to record our appreciation to the staff at Grand Lodge office; the overall support from all quarters continues to be an inspiration.

Respectfully and fraternally submitted.

T. RICHARD DAVIES,
Chairman.

ROLL CALL OF DISTRICT DEPUTY GRAND MASTERS

At the request of the Grand Master, the Grand Secretary called the roll of the District Deputy Grand Masters in attendance.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. R. J. Connor, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Connor, it was received as presented.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

"The view of any lodge offered to a District Deputy Grand Master while sitting in the East is similar to that produced by a wide angled lens of a camera. It provides a far greater introspect of all aspects of the lodge: its Master, Officers and members, with respect, not only to the morale, the friendship, the support, the workings of each; but also the concerns, problems, aggravations and frustrations they face."

This is the panoramic view to give R.W. Bro. George Bradshaw, D.D.G.M. Toronto District 5, his picture of strength, enthusiasm and leadership. This picture, in all districts, shows some disturbing sights as well as producing some very pleasant memories.

Several lodges face problems in filling progressive offices and are forced to rely on Past Masters to fill these chairs and rule the lodge for a second term or a second time.

Without exception, some concern has been expressed by each D.D.G.M. of the financial condition of one or more lodges. Each one has recommended that 1) a financial statement be mailed to every member; 2) that an invoice be issued for the annual dues (not a notation on the lodge summons); and, 3) that each lodge prepare and follow an annual budget. They seldom find a lodge following all three of these recommended practices — indeed some lodges do none of them.

Allied very closely to these recommendations is the fact that each lodge needs an active Finance Committee to help prepare and police the budget; to recommend to the lodge any necessary changes to the fees and dues; and to keep up to date on investments and accounting procedures so that the finances of the lodge are always wisely invested.

Arrears of lodge dues are another item of deep concern as several lodges, by not collecting all of their annual fees, have had to use capital to cover expenses. These

arrears are, in some reported instances, very great — one lodge had outstanding \$2,100.00, another \$2,400.00, another 28% of the dues were uncollected and one district showed 5.8% of the dues (\$8,732.00) is still to come. These lodges, all of them, need a Delinquent Dues Committee immediately because, if this trend is not reversed, these lodges are all in for a very rough future. There is a comment in R.W. Bro. Owen Osborne's report regarding the Lodge of Fidelity No. 231 in Ottawa District 1, "As usual, there are no members in arrears." That's the reputation to have.

Each year there are two songs sung in these reports — "Low Insurance" and "Fire Safety". Some lodges are reported as having ample coverage on all aspects of insurance while others are very poorly covered — one lodge has NO insurance. Some are amply covered on the building and on liability but lack sufficient insurance on regalia and furniture. With replacement costs increasing annually, insurance should be under constant review and be increased as required.

Fire Safety is improving slowly but great anxiety is expressed over lodges with no secondary exit, few or no fire extinguishers and smoke alarms. Some properties have ample exits but they are poorly identified and so would not be used even though they do exist.

Declining membership is still of prime concern to all officers of Grand Lodge. It would appear from the D.D.G.M.s' reports that the initiations and affiliations each year exceed the toll taken by the Grim Reaper. Therefore, the only cause of this decline is that of suspensions and demissions. No member should be suspended without a personal interview to either remove the cause of the suspension or to discover why he is in dues arrears. If the reason is financial embarrassment, then benevolence can prevent the loss of a member. Demits, too, should be questioned to satisfy the lodge that the reason is sound.

The reports of your D.D.G.M.s are not a litany of problems and regrets. There are highlighted many delightful and interesting events to show the involvement, activity and endeavours of our members.

Masons as a group are becoming involved in Community projects. Niagara District "B" has made a commitment to replace some needed equipment in the Greater Niagara General Hospital. This is to continue for the next 5 years. Sussex Lodge No. 5, St. Lawrence District, sponsored a Christmas Party for the wards of the local Children's Society as well as providing financial assistance for two people, one of whom is a Mason.

The tragic shooting of Barbara Turnbull, young daughter of the Worshipful Master of Joseph A. Hearn Lodge, leaving her paralyzed for life, inspired Toronto District 1 to establish the "Barbara Turnbull Fund" under the umbrella of the Masonic Foundation of Ontario. Many other districts and lodges contributed to this fund to make the future of this young girl somewhat more secure.

Within many lodges, there is great activity with renovations — insulation is being installed, metal siding added, new carpets purchased, wiring being renewed and, in most cases, the lodge members are providing the labour. Many innovative fund raising events are taking place and these are producing, not only the necessary finances, but increased interest in the lodge by its members and by the communities. J. B. Hall Lodge No. 145, Peterborough District, after 10 years in their new building, discharged

their mortgage and Mount Zion Lodge No. 28, Kemptville, paid the mortgage in full on their new building after only 5 years. Congratulations to all these lodges. May your efforts be enjoyed for many years to come.

In the Georgian District, there has been much activity culminating in the institution of Innisfil Lodge at Stroud. Brethren, may you long delight in your new lodge.

Benevolence seems to be receiving increasing attention in most districts. While most of the instances do not require Grand Lodge assistance, they are providing the lodges and the members an opportunity to aid others through periods of difficulty and distress.

In his report on Verulam Lodge No. 268, Bobcaygeon, R.W. Bro. Lloyd Johnson, D.D.G.M. Victoria District, stated that, in addition to the lodge rooms, the property included 5 apartments. He gives "A Point of Interest — as a contribution to the community, rent charged for the apartments is geared to low-income tenants and they will not rent to those who can afford to pay a higher rent for accommodations."

No report on the Condition of Masonry would be complete without the mention of a couple of people who have enjoyed special honour. On May 27, 1984, a special Divine Service was held in St. Luke's Cathedral in Sault Ste. Marie to celebrate the 40th Anniversary of M.W. Bro. William L. Wright's being created a bishop in the Anglican Church. Many district Masons were in attendance to honour the Dean of our Past Grand Masters on this memorable occasion. W. Bro. Mac Duncan, the 82-year old Worshipful Master of Ozias Lodge No. 508, Brantford, had the honour and privilege of initiating his grandson. W. Bro. Cecil McFadden, a Past Master of Burlington Lodge, was selected as Burlington's Citizen of the Year.

It is a real pleasure to note the increase of Divine Services both in districts and in lodges. Sunrise Services, since the inception in London, have been on the increase. Hamilton District B has, for a few years, enjoyed success with theirs, but it was decided to expand this to encompass both Hamilton A and C Districts as well. Despite heavy rain, this expanded program produced a large turnout with about 400 people in attendance.

This report last year praised Ottawa District 1 for holding a special meeting for all Masons initiated during the year. This meeting was again held this year with the D.D.G.M. explaining the structure of Grand Lodge and how Grand Lodge Officers are elected and appointed.

Each D.D.G.M. has felt most fortunate in having the assistance of a very dedicated and supportive team of District Officers who worked very hard to propagate the ideals of Freemasonry in their district. The District Secretary, Chaplain and Committee Chairmen, truly help to lighten the load of a D.D.G.M. and their only reward is the satisfaction of accomplishment and the thanks of their peers.

All D.D.G.M.s are most appreciative of the honour of representing the Grand Master within their district and to be able to act for him in presenting 50, 60 and 70 year Service Buttons as well as presenting bursary awards on behalf of the Masonic Foundation of Ontario.

To close this report, a quote from the report of R.W. Bro. Lyle Stevens, D.D.G.M. Chatham District, seems appropriate:

"Freemasonry continues to be a vibrant, living force. Our main enemy is complacency. Leaders throughout the years have fostered and cared for our landmarks. Today talents are spread more thinly among many activities. Rare, indeed, is the Worshipful Master who is not involved, either with other organizations, or is the victim of long and exacting hours at his place of business. His time is rationed and, unfortunately, sometimes his enthusiasm.

This gentle Craft of ours is an exacting taskmaster. For the future success of our lodges, I think lodge officers should be faced with responsibility at a much earlier stage. 'There is no right without a parallel duty,' has never been more applicable than now."

Respectfully and fraternally submitted

ROD. J. CONNOR,
Chairman.

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. D. A. Baxter, Grand Chaplain, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Baxter, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is with a deep sense of gratitude to our Grand Master, M.W. Bro. Ronald E. Groshaw, that I begin this report; gratitude to him for allowing me the great honour and privilege of serving as your Grand Chaplain.

It is said that some people achieve greatness, some are born great and some have greatness thrust upon them. It seems to me that our Grand Master, having achieved greatness himself, has in that generous spirit that so characterizes all his activities seen fit to thrust some of that greatness upon others.

I shall never forget the honour and privilege afforded me this past year. Unfortunately, ill health in our family and exciting new duties as a priest have prevented me from engaging in the many more Masonic activities I would have liked to engage in. It is my sincere hope and prayer that the kind brethren who sent me invitations to so many functions will forgive my absence and, in many cases, my inability to respond properly to their kind invitations.

On the other hand, I am happy to report that ill health is no longer as great a problem in our family and I have been privileged to attend a number of exciting

Masonic activities here in Northern Ontario. Amongst these, there was the Annual District Divine Service for Algoma District, to which our District Deputy Grand Master, R.W. Bro. 'Doc' Rogers, led a very large and impressive array of Masons with their families.

I have been privileged to address nearly every lodge in Thunder Bay and participated in the Annual Masonic Spring Thaw, held here in Northern Ontario. It was here that my wife and I received a heaping helping of Northern hospitality.

I am grateful to my predecessor in office, R.W. Bro. Gordon H. Fresque, who gave me invaluable advice as I began this past year. I am especially indebted to the Assistant Grand Chaplain, V.W. Bro. the Rev. John E. Jordan, who used his skill as a pilot to fly from the frozen North to attend Receptions I was unable to attend in the sunny South!

Perhaps the most gratifying aspect of occupying this privileged position over the past year has been as recipient of the tangible manifestations of Masonry — namely, Brotherly love, relief and truth. These precepts, along with faith, hope and charity, have persistently permeated the Freemasonry in which I have been privileged to participate here in Northern Ontario.

As I close this report, may Almighty God continue to bless our Order by cementing and adorning it with every moral and social virtue, and may He continue to bless our Grand Master and his family and continue to make them the great blessing they are as they carry out the important duties that are theirs. So Mote It Be.

Respectfully and fraternally submitted,

DORIAN A. BAXTER,
Grand Chaplain.

REPORT OF THE COMMITTEE ON PRINTING AND PUBLICATIONS

This Report was presented by R.W. Bro. R. T. Runciman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Runciman, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Printing and Publications I beg to submit this report to the 129th Annual Communication of Grand Lodge.

Printing costs for the year ended April 30, 1984 are:

Grand Lodge Bulletin:	\$ 8,384.00
Fraternal Reviews.....	6,799.40

Proceeding (including printing of Advisory Committee Report on Lodge Finances).....	11,889.26
Preliminary Reports	5,918.97
Printing, Stationery & Office Supplies	7,671.12
	<u>\$40,662.75</u>

Inventory of Grand Lodge Publications for the year ended April 30, 1984:

	Volumes Sold
Meeting the Challenge	4130
First Grand Master.....	910
Beyond the Pillars.....	2630
The Work	3250
Whence Come We?.....	15315
Constitution	2900
	470
	40
	365
	1350
	185
	7150

During the year the Grand Secretary's office received \$675.00 from the sale of "The Proceedings". This amount is less than last year because there were fewer volumes for sale.

All of the above figures are subject to audit and the final audited figures will appear in the Grand Treasurer's Report.

In our report last year we indicated that the stock of "Beyond The Pillars" was depleted. It is used as part of the curriculum by the Masonic Education Committee and we recommended that it be reprinted. There was a reprint of 2995 copies in a soft cover.

At the Annual Communication of Grand Lodge last year we recommended that the "Book of Constitution" be reprinted after a number of "housekeeping" amendments had been made. Accordingly 10,050 copies were printed.

The Advisory Committee has discussed the merits of a combined publication incorporating the "Installation Ritual" and "The Handbook of Instruction on Installation Procedure" and has recommended to this Committee that when it is reprinted that it be done in a single volume. Your Committee therefore recommends that these two booklets be reprinted in a single volume when the existing stock is depleted. In the interim your Committee recommends that the two booklets be marketed together for the price of \$2.00. The existing stock is estimated to be sufficient for two years. We would also recommend that prior to the reprinting the two booklets be referred to the Custodian of the Work for review and revision if required.

The Committee wishes to express its thanks to the District Deputy Grand Masters, the District Chairmen of Masonic Education and the Masonic Education Committee for their assistance throughout the year.

The Grand Secretary and his staff are again to be commended for their vigilant control of costs this year and we express our thanks to them for their continued support and guidance.

All of which is respectfully submitted.

ROBERT T. RUNCIMAN,
Chairman.

REPORT OF THE COMMITTEE ON AWARDS

This Report was presented by M.W. Bro. J. A. Irvine, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Irvine, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Awards respectfully submits the following report.

We reiterate a portion of our report of 1982, in which we stated that in order to qualify for a William Mercer Wilson award, the nominee must have made outstanding contributions to his Craft Lodge, to Masonry in general, to his fellow man, his country and his church. Further, according to the instructions for petitioning, he must have been recognized in a fitting way by his Craft Lodge.

We have received several petitions in the past twelve-month period, two of which have been approved.

We received one petition this year that seemed extremely worthy. However, the nominee's lodge had apparently done nothing by way of recognizing his many contributions. His attainments were of such a high order that for the first time in my experience as Chairman we made a thorough investigation of the brother and the lodge before a final decision was made. We found that the lodge had prepared a gala night to be held in the brother's lodge, at which time suitable recognition was to be made and the membership had been so advised. The lodge had not advised us of these plans. Furthermore, we found this man to be a veritable one-man service club, working hard for sick, destitute and underprivileged members of his community, members of the Craft and others. This had not been communicated to us either. After our researches the award was granted. However, had we gone strictly by the book a very worthy brother would not have been recognized.

I would recommend that this report be read in all lodges. In some instances many details are omitted and an individual could be overlooked.

We again advise all lodges that there is a format available from the office of the Grand Secretary, outlining the procedure to be followed when petitioning for an award. Your committee recommends this format be obtained, studied and followed meticulously when applying for an award.

Your committee further offers our sincere thanks to M.W. Bro. Robert E. Davies, Grand Secretary, and his staff for assistance so cheerfully given to this committee.

Respectfully and fraternally submitted.

B. B. FOSTER
H. O. POLK
J. A. IRVINE, Chairman.

REPORT OF THE ADVISORY COMMITTEE

This Report was presented by M.W. Bro. H. O. Polk, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Polk, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Advisory Committee of the Board of General Purposes became a reality, as a result of meetings of a Task Force appointed, after prolonged discussion at Grand

Lodge workshops held on July 19th, 1982, to determine whether such a Committee would perform a useful purpose.

The mandate enunciated by the Task Force is, as follows:

1. To aid, advise, and assist the President of the Board of General Purposes.
2. To attend to such matters as may be referred to it by the Grand Master, the President of the Board of General Purposes, and the Board of General Purposes.
3. To advise and assist the President of the Board in preparing the agenda for meetings of the Board of General Purposes.
4. To report on recommendations of Standing, Special, and Ad Hoc Committees referred to it by the Board of General Purposes.
5. To make recommendations to Committees of the Board of General Purposes.

The Committee is composed of the Most Worshipful the Grand Master, the Deputy Grand Master, the Grand Treasurer, the Grand Secretary, the Custodian of the Work, four elected members of the Board of General Purposes (the two who finished first and second on the ballot of each of the two prior Board elections—Right Worshipful Brothers Byrne, Pellow, Throop, and Steen) and the writer Chairman for this year, as Immediate Past Grand Master.

Two meetings have been held to date. The inaugural on January 17th, followed by a second on March 26th, 1984.

Recommendations went forth on the referral of six matters, after much deliberation —

- (a) That no action be taken on area representation to the Board of General Purposes, at this time.
- (b) That a 25-year service pin be approved.
- (c) That the Chairman of the Committee on Printing and Supplies consider the possibility of a combined publication, incorporating the Installation Ritual, and the Handbook of Instruction on Installation Procedure.
- (d) That an Editorial Board be established.
- (e) That Section 107 of the Book of Constitution be referred to the Audit and Finance Committee of Grand Lodge for their consideration, regarding interpretation of legitimate expenses claimed by District Deputy Grand Masters in the Districts.
- (f) That consideration be given to alter the method of reporting on the Condition of Masonry to the Board of General Purposes.

The recommendation regarding the Concept of Regional Representation to the Board of General Purposes, ongoing since 1981, is worthy of special comment in this report, for the purpose of clarification.

The following is the sequence of recorded reports, and the action taken on each of them:

1. The report of the Long Range Planning Committee of July 1981, recorded that consideration be given to a recommendation that the Grand Jurisdiction be divided into areas, and Board representatives be elected by those areas, such procedure to

be implemented, beginning in 1984. The report was approved by the Board for presentation to Grand Lodge, whereupon it was *received* and *adopted*.

2. The (then) Grand Master charged the Long Range Planning Committee, the members of which were convinced of the merits of the concept, with devising a possible format by which such a procedure could be implemented.
3. The Long Range Planning Committee report of 1982, while referring to area representation made no additional recommendation for action, but that it had been the subject-matter of great attention, during the year.
4. On November 18th, 1982, the (then) Grand Master requested a presentation of a plan by a delegation from the Long Range Planning Committee, at a meeting of himself, the Deputy Grand Master, and several Past Grand Masters. No immediate action was taken to provide an opportunity for detailed study by Lodges in the respective districts of the Jurisdiction.
5. The 1983 Long Range Planning Committee report detailed the proposal, herein above presented, as well as an alternative predesigned plan. (See Grand Lodge Proceedings 1983, at Pages 100-102 inclusive). That report was *approved* by the Board of General Purposes, and *received* by Grand Lodge at the session that followed, as it did not recommend action, other than a plea for those with voting rights to consider the proposal, and to compare it with the existing method of election practices.
6. In November 1983, the Most Worshipful the Grand Master requested the Advisory Committee to review the subject, and to report to him. Subsequently, the committee recommended that no action be taken relating to the election of members of the Board of General Purposes by area representation procedure.

It is not the purpose or intent of this Committee to expound upon the merits, or possible defects, of what must be construed as a well designed method of Board of General Purposes elections presented by the Long Range Planning Committee, involving, as it did, many hours of intense study, should an alternative procedure be instituted.

However, the following observations are worthy of note.

Considerable opposition to the concept of area representation has been expressed, vocal and otherwise, in various regions of the Province.

Secondly, on an examination of the plan presently on record, the existing Board of General Purposes (1983-1984) is not far removed from area representation. Recent elections and appointments to the Board have corrected some of the deficiencies.

Of the proposed fourteen (14) areas, only one (1) consisting of 54 lodges does not have an Honorary, Elected, or Appointed Member on the Board, two (2) made up to 37, and 50 lodges respectively have one (1) member; and eleven (11) have more than one (1) varying from two (2), to three (3), to a high of four (4). It must be remembered, also, that every District has a District Deputy Grand Master each year as a member of the Board to express views of local concern.

Your Committee composed of an exhilaration of men whose top priority is to serve in the grand tradition of fraternity is of trenchant will to fulfill a useful function.

While proceeding through the growing stage it will most assuredly pursue the approach long favoured by former stalwarts of great repute in our Craft. Not to create the illusion of taking venturesome risks, pertaining to change, but to assist in strengthening the solid record of leadership, achievement, and strong sense of purpose that has been the success story of Ancient Freemasonry in this Grand Jurisdiction.

Respectfully submitted, on behalf of the Committee

HOWARD O. POLK,
Chairman.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This Report was presented by M.W. Bro. J. A. Irvine, seconded by M.W. Bro. R. E. Davies; it was received and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Brethren:

On behalf of the committee on the Grand Master's address I congratulate and commend our Grand Master upon the outstanding quality of his report. This address is a masterpiece of sincerity and indicates to us the spirit of dedication that our Grand Master possesses. We are indeed fortunate to have the services of M.W. Bro. Ronald E. Groshaw as head and ruler of our Grand Lodge. The messages he has delivered on his many visitations are a real inspiration to the membership and assure a good future for our Grand Lodge.

Your committee on the Grand Master's address acknowledge and thank the Grand Master for his recognition of the Past Grand Masters; we appreciate his kind and gracious remarks.

We congratulate the Grand Master on his representation at so many functions across our entire grand jurisdiction, and also for the great number of visitations he has made to sister Grand Lodges in Canada and the United States of America and even abroad. This has been an extremely busy year for him.

The committee notes with sadness the passing of R.W. Bro. Darrell E. Magee. Brother Magee was a long time member of our Board of General Purposes, and gave unstintingly of his time, energy and ability to our Grand Lodge. We revere his memory and will miss him immensely.

Your committee applaud and approve of the Grand Master's appointment of W. Bro. Warren E. Jones to the office of Grand Steward in our Grand Lodge.

We note with approval the granting of past rank to R.W. Bro. Clarence T. Jackson, R.W. Bro. Lorne T. Brown, and the late V.W. Bro. Harry J. Dowsett. We further endorse the granting of past rank to several Worshipful Masters who for various reasons did not serve their complete terms.

It was gratifying to your committee to note the kind references of the Grand Master in acknowledging the many outstanding contributions of M.W. Bro. William K. Bailey, P.G.M. No words can adequately express our thanks to M.W. Bro. Bailey who has been a stalwart worker for our Grand Lodge for so many years. His has been a labour of love, and we know he will continue as a Past Grand Master to be a tower of strength. We concur enthusiastically and unanimously with the appointment of his successor, M.W. Bro. N. R. Richards, as Custodian of the Work.

We approve the Grand Master's address in its entirety and congratulate him on a complete and interesting account of his stewardship.

Respectfully submitted.

JOHN A. IRVINE,
Chairman.

During the twenty years since incorporation it has been policy for the Board of Directors of The Masonic Foundation of Ontario to make disbursements from revenues received from investments and receipted Income Tax donations during the current year. Deficit financing in anticipation of donations has been less than satisfactory in setting budgets. In keeping with provisions of the charitable act of Revenue Canada, your Board of Directors is proceeding to implement a policy of retaining revenue of one year for disbursement the following year. Accordingly, \$55,000. has been placed in reserve this year towards implementation of that policy.

Congratulations are extended to Toronto District "1" with generous assistance from Toronto District "2" and many lodges throughout the Jurisdiction on raising \$39,306. for the Barbara Turnbull Fund. Wellington District and Prince Edward District are planning fund raising projects for autumn. Such expansion of fund raisings into the districts has meant a great increase in administration by the Secretary-Treasurer. Although we are pleased to cooperate with the districts, there must be a limit in any one year. Your Board of Directors has held three executive meetings to deal with these and many other requests for financial assistance.

In addition individual members of the Board have continued to give personal attention to the varied projects supported by the Foundation. I am certain that the Directors would not object to two of our members being singled out for special commendation and gratitude. I refer to Wallace E. McLeod for administration of the expanding bursaries program and T. John Arthur for continuing to discharge the executive functions of Secretary-Treasurer in a most exemplary manner. The work of The Masonic Foundation is now big business both in moneys and variety of projects. It has required day in and day out attention by the Secretary-Treasurer.

Progress is being made in research and development of a prothesis for implant for the profoundly deaf. We are pledged for at least another six years of support for deafness research. We are satisfied that we are on track in support of bursaries, Autistic Homes, Voice for Hearing Impaired Children, district projects and miscellaneous aid programs. With the changeover from disbursements from current funds to disbursement during the following year it has been difficult to put a dollar value on the 1984-85 budget other than to anticipate that it is likely to be about \$150,000.

Your continued financial and moral support is solicited. You can be assured that your dollar will be well managed through The Masonic Foundation of Ontario.

Presented on behalf of the Board of Directors: Dr. A. J. Anderson, T. J. Arthur, W. K. Bailey, F. J. Bruce, W. E. McLeod, Dr. A. N. Newell, N. R. Richards, E. C. Steen, C. J. Woodburn.

Respectfully submitted,

WILLIAM K. BAILEY,
Chairman

Following receipt of this report, a special reference was made by the Grand Master and M.W. Bro. W. K. Bailey, to the outstanding work being done by R.W. Bro. T. J. Arthur in his capacity of Secretary-Treasurer of The Foundation.

REPORT OF THE LONG RANGE PLANNING COMMITTEE

This Report was presented by R.W. Bro. A. L. Copeland, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. G. E. MacDonald, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Several meetings were held by your committee this year. The ten members of the committee are multifaceted in nature, being drawn from Ottawa in the East to Windsor in the West, Sudbury in the North and Toronto in the South, representing a

true cross section of our Jurisdiction. It was suggested at our initial meeting that we review our past activities and assess the main thrust and motivation of the committee and place in proper perspective, current priorities, challenges and opportunities.

It was agreed that the committee should discuss the various issues, arrive at a consensus, and make recommendations; it was not to be considered a decision making body. The committee was also charged to consider issues relating to long term requirements. It became quite apparent that although Craft membership has declined slightly, we do have a number of **SUCCESSFUL LODGES** who have faced the challenge, provided spirited leadership and instilled vigour and enthusiasm into their particular lodges.

The committee agreed to research the common denominators of these vibrant lodges. These factors were identified through seven papers presented at our meeting in May, 1984. Of the thirty-four major points recorded, following is a condensation highlighting their major features.

It was found that successful lodges:

- 1) have dedicated officers with strong leadership capabilities with officers training courses, producing creative innovators.
- 2) organize interesting meetings to create good attendance which include families on special nights
- 3) conduct lodge visitations within and outside the jurisdiction thereby encouraging and fostering the inclusion and participation of young officers.
- 4) promote the concept of "Lodge Team Management" thereby merging the experience of the Past Masters with the enthusiasm and zeal of the young officers.
- 5) provide an essential bridge to assist the absorption of the new Masons through degree preparation, and teaching our basic philosophies in small home study groups, which fosters participation in both ritual and social activities.
- 6) hold officer rehearsals at regular intervals to assure ritual profficiency and to encourage junior officers to act as committee chairmen for special designated social functions.
- 7) encourage participation in the District Wardens' and / or Past Masters' Associations.
- 8) display a sensitivity for new members by making it possible for non-masons to attend special friendship nights and other designated lodge social functions.
- 9) are financially sound by preparing advance budgets and staying within its guidelines in order to implement and sustain supportive lodge programs.
- 10) have secretaries who encourage full co-operation and support of Grand Lodge and its activities.
- 11) maintain a high profile in Community affairs and actively participate in benevolent and charitable programs.
- 12) **HAVE A DEDICATED CADRE OF OFFICERS WHO BELIEVE THAT OUR ORDER HAS SOMETHING WORTHWHILE TO OFFER TODAY'S SOCIETY.**

In Summary:

- A) Successful Lodges have become proficient in making their new members into practicing Freemasons, who thoroughly understand our basic beliefs, and are able to relate to it.
- B) They offer a common meeting ground for men of good will to meet in an undisturbed atmosphere of mutual trust and understanding.

Other discussions covered availability of the recent report of the "Advisory Committee on Lodge Finances." It is a splendid document prepared by experts from various disciplines and is freely available on request from the Grand Secretary's office. If required, one or two members of this former committee would be available for consultation. It was recommended that (i) there is a need for structuring a new approach to charitable contributions by centralizing donations to the Masonic Foundation of Ontario (i.e. the Barbara Turnbull Fund) and (ii) to improve our internal communications to members of the Craft.

Future issues for consideration by the Long Range Planning Committee are as follows:

- 1) Ways and means Grand Lodge can assist lodges.
- 2) Lodge Team Management Concept.
- 3) Recognition of lodges attaining their two hundred year anniversary.
- 4) Residential requirements for Initiation.
- 5) Formation of a lodge committee responsible for the coalescence of the new initiate.

All of which is respectfully submitted.

A. LOU COPELAND,
Chairman.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. J. W. Millar, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Millar, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee now has reviewed and considered in detail the reports of the Grand Treasurer, the Auditor's Report attached thereto, and the report of the Grand Secretary as referred to it by this Annual Communication. These appear to fully and accurately record the essential details pertaining to:—

- (a) the financial position of this Grand Lodge as of April 30, 1984 and the results of its fiscal operations on a cash basis for the twelve month period ended on that date.

- (b) details of all Receipts and Disbursements in respect to the General Fund, the Commutation Fund, the Memorial and Semi-Centennial Fund; together with particulars of all transactions and changes in Capital Accounts of Grand Lodge, which have occurred during the said period.
- (c) The Investment Accounts of the above mentioned Funds and the summary of all financial resources as of April 30, 1984.

The following observations respecting certain matters covered by these reports, and / or relative to its financial affairs, are presented for your consideration.

- (1) The Audited Statements of Grand Lodge accounts show that the net balance of all its resources now amount to \$2,340,693. This net balance includes total investments at cost value (not market value) plus cash on hand and in the bank and represents an increase in assets of \$74,343 over the same figures a year ago.
- (2) Total receipts under the General Fund for fees, dues, commutations, interest on investments, etc. amounted to \$413,695 while disbursements etc. amounted to \$385,058 leaving an excess of income over expenditures of \$28,637.
- (3) Grants for benevolent purposes amounted to \$60,004, a decrease of \$1,587 from a year ago.

These grants were paid out of the combined incomes of the Memorial and Semi-Centennial Funds, as supplemented by transfers from the General Fund, which last year amounted to \$1,200. It is anticipated that the amount for the coming year will be greater. The Committee on Audit and Finance therefore recommends that in order to provide these funds, the Board of General Purposes authorize, in accordance with Section 126 of the Constitution, appropriations from the General Fund up to the amount of \$5,000. Such funds to be transferred as and when required, to the combined Memorial and Semi-Centennial Funds, in order to supplement the interest and income therefrom, thus making adequate provision for all benevolent grants which Grand Lodge may make during the period May 1, 1984 to April 30, 1985. It should be noted that the Committee on Benevolence has shown great care in administering its funds.

Re. Dues and Fees — the annual dues were raised at the 1983 meeting of Grand Lodge from \$2.50 to \$3.00 per member effective January 1st, 1984. The life membership fee was also raised from \$25.00 to \$30.00 effective January 1st, 1984.

Your Committee recommends, in accordance with Section 126 of the Constitution, the approval of the payment of \$1,000 made to the Masonic Foundation.

In review of all matters covered in this report, your Committee has received the fullest cooperation and assistance from the Grand Secretary and his staff; the cooperation of the Grand Treasurer is also appreciated.

Your Committee recommends to this Grand Lodge the adoption, without amendment, the reports of the above-mentioned officers and approval of the recommendations contained in the report of this Committee.

In accordance with Sec. 134(c) of the Constitution your Committee submits for consideration and approval as set out below an estimate of the receipts and expenditures as they relate to the General Fund for the year ending April 30th, 1985.

Your Committee, which has met three times this year, believes these estimates to be realistic and to provide for all items which might reasonably be foreseen to meet all the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the current financial year.

Part I

In accordance with the notice of motion duly given and presented to Grand Lodge by R.W. Bro. J. I. Carrick, and subsequently moved by Bro. Carrick and seconded by the Deputy Grand Master, the following amendments were approved and adopted.

Section 55 now reads —

55. The Scrutineers shall meet at such hours and in such places as the Grand Master may appoint. In supervising the elections they shall act in pairs under the direction of the chairman. Each pair shall be provided with a ballot box and a book containing the name and number of the lodge of each brother entitled to vote and the number of votes to which he is entitled.

Section 60 now reads—

60.(a) Voting for the election of the District Deputy Grand Master, the Board of General Purposes and all other elective offices except those of Grand Master, Deputy Grand Master, Grand Treasurer and Grand Secretary shall take place on the afternoon of the first day of the annual meeting at such hours as the Grand Master shall appoint,

and failing other appointment at the hour of 5:00 p.m.; and shall close one hour later, provided that the Grand Master may extend the time of closing to 7:00 p.m. if he deems it expedient.

(b) The vote under this Section for the District Deputy Grand Master shall be counted and announced forthwith in the District Meeting.

(c) The vote under this Section for the Board of General Purposes and all other elective offices shall be counted forthwith and shall be announced by the Chairman of the Committee of Scrutineers during the forenoon of the second day of the annual meeting.

Section 62 now reads —

62.(a) Voting for the office of Grand Master, Deputy Grand Master, Grand Treasurer and Grand Secretary shall take place at the time and place of registration and voting shall close at the hour of 3:00 p.m. on the afternoon of the first day of the annual meeting.

(b) The vote shall be counted forthwith and if a second ballot is required the voting shall take place in the District Meetings and in conjunction with the voting for the office of District Deputy Grand Master, the Board of General Purposes and all other elective offices under Section 60.

(c) Only those brethren who have placed first or second on the original ballot for the office of Grand Master, Deputy Grand Master, Grand Treasurer and Grand Secretary shall be eligible as candidates on the second ballot. An announcement in writing of the holding of a second ballot, with the surnames of the two candidates in alphabetical order, shall be delivered to each District Deputy Grand Master prior to the District Meeting. The announcement, including the spelling of the surnames of the candidates, shall be communicated to the brethren at the outset of the meeting.

(d) The results of the final ballot for the office of Grand Master, Deputy Grand Master, Grand Treasurer and Grand Secretary shall be announced by the Chairman of the Committee of Scrutineers during the forenoon of the second day of the annual meeting.

Section 138(a) now reads —

(a) At the meeting of the Board of General Purposes, immediately following the annual meeting of Grand Lodge, the Board shall appoint a Past Master as Chairman of a Committee on Credentials, with power to add other members to the Committee.

Part II

In accordance with the notice duly given, R.W. Bro. V. D. Alyea moved, seconded by R.W. Bro. H. E. Mills, the following amendment to the Constitution.

“On behalf of the majority of the lodges of Prince Edward District, I hereby give notice that at the annual meeting of Grand

Lodge in July 1984, I will move or cause to be moved the following amendment to the Constitution (Subject to a favourable report by the Committee on Constitution and Jurisprudence as per Section 70).

Page 93—Section 323(a) **delete** "If a favourable report of the Committee of Inquiry with respect to an applicant has been submitted to the lodge, notice of ballot, stating particulars of the name, age, occupation and residence of the applicant, shall be given in the summons for the next regular meeting of the lodge at which the application is to be considered."

Page 93—Section 323(a) **insert** "If a favourable report of the Committee of Inquiry with respect to an applicant has been submitted to the Lodge, and if proper notice of ballot stating particulars of the name, age, occupation and residence of the applicant has been given, the ballot may be proceeded with at once or at the next regular meeting of the lodge."

R.W. Bro. Alyea then spoke briefly as to the intent and merit of his motion. The Grand Master thereupon acknowledged receipt of the motion duly made and seconded and called for discussion.

An amendment was then introduced by R.W. Bro. E. Anderson, seconded by R.W. Bro. J. M. Howarth, that the words "in the lodge summons" be inserted immediately after the word "given" in line 5 of the original motion of R.W. Bro. Alyea and that the words "or at the next regular meeting of the lodge" at the end of the motion which was just presented be deleted in their entirety, so that the amended portion of Section 323(a) would then read "If a favourable report of the Committee of Inquiry with respect to an applicant has been submitted to the lodge, and if proper notice of ballot stating particulars of the name, age, occupation and residence of the applicant has been given in the lodge summons, the ballot may be proceeded with at once."

R.W. Bro. Anderson then briefly outlined the intent of his amendment.

R.W. Bro. Alyea thereupon gave his wholehearted support to the amendment noting it was now as suggested by the Committee on Constitution and Jurisprudence.

The Grand Master then called for any discussion, question, or comment regarding the amendment to the motion.

After permitting discussion on the amendment only, the Grand Master called for the vote on the amendment, which carried.

M.W. Bro. Groshaw then called for discussion on the motion as amended.

Following this discussion the vote on the motion as amended was taken. The Grand Master thereupon declared the motion as amended carried.

The Grand Master requested M.W. Bro. B. B. Foster to conduct the Ceremony of Installation.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

FOREWORD

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the Report of the Committee on Fraternal Correspondence. This Report is a foreword to the reviews of the Annual Proceedings of our sister Grand Lodges received during the past year. Grand Lodge is indebted to Dr. C. A. Sankey, P.D.D.G.M., for his fine selection of items of interest to Ontario Masons and his dedication to the work in spite of a severe health problem during the year. I am sure that I express the unanimous hope of the members of Grand Lodge that he will be completely restored to his usual good health and vigor in the very near future.

It is encouraging to read about the increasing number of bursaries given to aid students who wish to take advanced education. This is one sure way to place the good work of Freemasonry before the public. Read reviews from Alberta and British Columbia.

With the decline in membership and lack of candidates, it becomes urgent that carefully planned meetings along with the promotion of research and Masonic Education should be the goal of each Worshipful Master. Read Alberta and Saskatchewan.

Your Committee recommends that you read the review of the Proceedings of the United Grand Lodge of England in its entirety. It is enlightening to see how they are revising the work and finances of the several activities of their Grand Lodge. There is also a warning issued to their members to follow closely the direction given by the Grand Lodge concerning members visiting other jurisdictions where there might be someone present from jurisdictions not recognized by the United Grand Lodge of England. Read also Maine!

The Grand Lodge of South Australia had its first election for the office of Grand Master since it was organized. The Deputy Grand Master was elected but it was a change from the acclamation accorded in former years. A new look is being taken on election procedures there. Your Committee suggests that you read the two paragraphs quoted in the review taken from the address by the new Grand Master.

In Quebec, the Committee on Rites and Ceremonies proposed that a degree should be completely done in one language, although individual questions following the degree might be in another language.

In the 1981 Annual Proceedings of our Grand Lodge, the Report of the Committee on Fraternal Relations recommended the recognition of the newly formed Grand Lodge of Alaska. I hope that our members will read the review of the Proceedings of the Grand Lodge of Alaska for it gives the details of the procedure

adopted in the formation of the Grand Lodge of Alaska. We welcome the review of Alaska to a place in the report on Fraternal Correspondence.

This foreword is your invitation to read about the exciting events and deep concerns arising in the Masonic world. Your Committee suggests that you read, learn from and enjoy each review. Your time will not be wasted.

Respectfully and fraternally submitted,

BRUCE B. FOSTER,
Chairman.

Fraternal Correspondence and Reviews

Reviews written by R.W. BRO. CHARLES A. SANKEY

The source material for these reviews is normally restricted to the proceedings of the respective jurisdictions. Absence of these has been sometimes regretted, especially in the case of India, as M.W. Bro. Mr. Justice Madon has been one of the few truly great Grand Masters of the present era. His appointment as Chief Justice of India is a reward for outstanding merit, and a matter for our most sincere congratulations. The new responsibilities have, regretfully, compelled him to relinquish his Masonic office.

R.W. Bro. Wallace McLeod has lent your reviewer some copies of "The Square and Compasses," the official publication of the Grand Lodge of India, of which he is the Grand Representative. One of these includes M.W. Bro. Madon's address at the installation of a new Regional Grand Master of Western India. The governance of the Craft in India parallels that of the Grand Lodges of England, Scotland, Ireland and New Zealand in that the Grand Master holds office for several years *and* has a personally appointed executive officer in charge in each of his "Provinces" or "Regions." This office is of much more importance than that of our D.D.G.M.s. not only in that the tenure is much longer, but in that the office-bearer is the chief executive within his region and has authority to act as such.

M.W. Bro. Mr. Justice Madon's speech provides an overview of the *actual governance* of the Craft. By contrast, proceedings permit a survey of the *results* of governance. The distinction is important. Your reviewer welcomes the opportunity to transmit, in the words of one of the greatest Freemasons of our time, the functioning of our Order at a level not usually reported.

First, there *is* transmission, with affection, from generation to generation:

"It is with joy and pride that I behold you waiting to be installed by me as the Regional Grand Master of Western India . . . In addition to being my student in law, you have also been my student in Freemasonry. You are one of the very few persons, about four only, whom I have personally proposed for initiation and personally initiated into Freemasonry . . . At your initiation there was one secret which I never communicated to you . . . The secret is that as your professor, I considered you in many respects to be my best and most outstanding pupil . . . You had the rare honour of being selected as a member of the Indian Debating Team to compete against the combined Debating Team of the Universities of Oxford and Cambridge . . . While I was at the Bar you have been in and out of my chamber every other day. . .

Our contacts in Freemasonry have been as close. Once I became a Judge, it would have been impossible to keep up this connection because friendship of any kind between a Judge and

practising lawyer must necessarily give rise to all kinds of allegations. As you know I never hear any matter in which you are concerned.

... Over the years, unknown to you, I have groomed you for this office. As Regional Grand Master I gave you active ranks only and as Grand Master I have conferred on you active ranks only ... I developed your flair for ceremonial working ... I tested your ritual-working ability and your Masonic lore and knowledge ... I gave you exposure to administration ..."

Second, the broad overall need must override a local or personal preference:

"There is no unmixed happiness ... by (my) edict (effective this date) the Union Territory of Goa shall be comprised within the area of jurisdiction of the Regional Grand Lodge of Southern India and cease to be comprised within ... Western India. (The reason was explained in detail. A new Lodge had just been established, the first in Goa. A sponsoring Lodge was in 'Southern India' and communications were much easier than through 'Western India'. The Grand Master was therefore reducing the territory of the new Regional Grand Master being installed, because it was for the obvious good of the whole Craft) ... The brethren have acquired premises for the new Lodge ... The name of the new Lodge is the ancient name of the territory of Goa. 'Lodge Gomantak' ... If a warrant is issued, it shall give me great pleasure to personally consecrate the Lodge, for it had always been my dream that there should be a Lodge in Goa ..."

Third, a ruler of the Craft must rule:

"Freemasonry is a great Brotherhood; but just as in a family all brothers are not equal ... The Masonic organization is a hierarchy ... It is for you to rule and teach ... In a lighter vein the modern translating ... can be reproduced in words of George Orwell, 'All animals are equal, but some animals are more equal than others' ... You must eschew all thoughts of popularity with everyone ... always whenever a question arises, try first persuasion and an appeal to reason, but whenever you fail in this, do not hesitate to act firmly and to act swiftly and with determination. This certainly will make you unpopular ... Also do not try to convince everyone of the correctness of your viewpoint or your case. ... For all those who talk behind your back, remember again these lines of Dryden:

'But far more numerous was the herd of such
Who think too little, and who talk too much.'

Fourth, a ruler of the Craft must administer:

"You are a very busy man ... Having no time, you have no time to waste. You must make up your mind quickly and dispose of all matters expeditiously ... Pass your orders, settle the drafts and return the papers the next morning ..."

Fifth, as to honours and conferring of ranks:

"You should have only two criteria, viz. honour seniority unless undeserving and recognize merit wherever you find it and however junior the Brethren may be . . ."

"You must remember that when ranks are conferred like leaves falling in autumn, they lose all value."

Sixth, a ruler of the Craft must be himself:

"Every individual has his own style of functioning. Some may adopt their own style right from the beginning. Others will follow the precedent set by others and some start by following a precedent until they find their own footing. I have little doubt that your style of functioning will be entirely your own."

The volume containing the proceedings of these meetings is, of course, an historical document and, as such, deserves a place in our Grand Lodge Library.

Sixteen of the nineteen lodges in Alaska, each chartered by the Grand Lodge of Washington, were represented at the Constitutional Convention, held with the approval of the Grand Lodge of Washington. M.W. Bro. Foss (P.G.M. Washington) and M.W. Bro. Hess (P.G.M. Montana) were also present.

W. Bro. R. E. Morse, as a delegate from the senior lodge present which had, by resolution, approved the formation of a Grand Lodge of Alaska, was chosen as temporary chairman. A Credentials Committee was struck and reported. The approved delegates (1 vote per lodge) elected W. Bro. Morse as permanent chairman. The Call for the Convention was read and receipt of its delivery by registered mail to each of the 19 lodges confirmed. A roll call vote on a resolution to form a new Grand Lodge resulted in 10 "yes," 5 "no," and 1 request to delay the vote until the following day. After the vote, 1 "no" vote was reversed to "yes," as the delegate had instructions to accept a majority vote. A 12th "yes" vote came the following day from the lodge which had asked for a delay. A "Code and Jurisprudence Committee" and a "Finance Committee" were set up.

During the following three days, and with numerous votes and resolutions, a Code, essentially that of the Grand Lodge of Washington, was adopted, a budget of \$22,000 for the first year approved, based on \$5 per capita and allowing (with some other available funds) for a \$12,000 seed surplus for reserves. The Code, of course, proclaimed the supremacy of the new Grand Lodge within the territorial limits of Alaska, but provided full fraternal recognition to any lodge within the State then operating under charter from the Grand Lodge of Washington for as long as the Grand Lodge of Washington approved.

Grand Lodge officers were elected. The installation of February 6 was public, with M.W. Bro. Foss (a member of Kenai Lodge No. 307, Soldotna, Alaska) as Installing Master, assisted by M.W. Bros. Hess, Jenkins (G.M. Nebraska), and Mouldthrop (P.G.M. Michigan) and in the presence of M.W. Bro. Sparger, G.M. Washington. The ceremony used was that of the Grand Lodge of Washington. All installing officers and the Grand Master of Washington wore plain white aprons and none of their official regalia, presumably because, although they approved the formation of the new Grand Lodge without reservation, it did not yet have the *official* approval of their respective Grand Lodges.

The 1st Special Communication of the Grand Lodge of Alaska, held on the following day, completed the formalities, agreeing by resolution to endorse the charters of the 12 founding lodges, each retaining its name and order of precedence with new numbers 1 to 12 incl.; adopting the constitution, by-laws and budget as formulated at the Constitutional Convention; adopting the esoteric work and Monitor, *mutatis mutandis*, of the Grand Lodge of Washington; authorizing forms and stationery; approving a per capita of \$5; and authorizing letters to each of the Grand Lodges on record requesting recognition. The Grand Master of Nebraska, presented his letter of recognition, valid until the next Annual Communication of his Grand Lodge, when he would request its approval. You will find some remarks by the Grand Orator at the end of these Reviews.

The First Annual Communication was attended by a delegation of 10 from the Grand Lodge of Washington, headed by their Grand Master. The Grand Masters of British Columbia, of Oregon, and of Montana as well as the G.S.W. of Saskatchewan were present and the P.G.M.s from several jurisdictions who had personally assisted during the Constitutional Convention.

The Grand Master reported that Grand Lodge was now incorporated as a non-profit organization under State law; that it had received more wide spread and faster recognition than had been anticipated with 70 recognitions and 36 Grand Representatives exchanged; that the business of Grand Lodge had gone well with many donations and much volunteer support; that additional financial support was essential. He had issued edicts permitting brethren of any Grand Lodge recognized by the G.L. of Washington to "sit in" Alaskan lodges and permitting his lodges to operate without their Charters while these were being endorsed.

To meet the realities of operating expenses, the per capita was increased from \$5 to \$10 and, in addition, each initiate has to pay \$50 as a contribution to the General Fund of Grand Lodge over and above his initiation fee (minimum \$150). It was considered inadvisable to start a Grand Lodge Bulletin or other official publication because of the expense. With the donations, income was \$45,000 and expenses \$10,400, but the volunteer work was outstanding. Assets are \$50,000 of which \$14,800 are fixed. Next year's budget is for \$27,750.

DeMolay and Rainbow are active. The State Master Counselor of DeMolay spoke at Grand Lodge.

The Grand Orator dealt with growth potential, advocating "getting the Lodges out to where the population is." He mentioned a dozen or more specific places for possible new lodges. Referring to a major construction site:

"... It is going to take 5 or 10 years . . . There are going to be hundreds of people up there working . . . Can't we establish and build a Masonry that will be carried from hither to yon and that they will never lose it. At the close of building the dam the Lodge may have to close but those fellows are going to be Masons."

He stressed the opportunity in small communities:

"... So what if a few of those will start and maybe fall by the wayside ten years from now, but isn't it worth it?"

The Grand Historian traced the history of the Grand Lodge of Washington from its conception and birth through to the formation of the Grand Lodge of Alaska.

All 12 Lodges were represented at this Annual Communication. The Committee on Credentials reported 68 votes of which 8 were proxies. Considering the distances involved that speaks well for the initial, and, it would be hoped, continuing enthusiasm in this newest of Grand Lodges.

A cornerstone of the new Masonic Temple at Forestburg was laid at an Especial Communication.

Our M.W. Bro. Polk attended the Annual Communication.

The Grand Master attended all 20 district meetings. He joined a trip to Hawaii with Masonic families from Alberta and Saskatchewan. Pleasant lodge visits were included. He reported enthusiastically on the Banff Conference and favourably on the All-Canada Conference. The Conference of G.M.s of North America "helps us keep our finger on the pulse of international Freemasonry."

"I encourage all Masons . . . to work . . . toward a brighter, a richer tomorrow. Learn, grow, become more valuable to yourselves, to others and to your Lodge. Therein lies your fulfilment of your Commitment to the Craft . . . Masonry bids her highest and humblest to go where he will, world-wide not as a stranger but where he will find friends and brothers."

The Deputy Grand Master resigned "for personal reasons," a decision much regretted by the Grand Master. As a result the S.G.W. and J.G.W. were elected G.M. and D.G.M. respectively; a P.G.M. will act as S.G.W. and a new J.G.W. was elected at Grand Lodge. A previous Grand Chaplain, who had not been a P.M. when he held office (and had been addressed as Bro. Linster, V.W. Grand Chaplain) has now served as W.M. of his lodge. Grand Lodge gave him V.W. rank. The Grand Secretary is retiring but will remain during the upcoming year while his successor learns the ropes and takes over.

The report on the Condition of Masonry noted "with some solicitude" that 52 lodges had no candidates throughout the year. "Prospects in over 100 Lodges are rated as excellent or good." Average attendance was 28% of the resident membership. "There can be no doubt that where a carefully planned, promoted and presented program of Research and Education exists, a corresponding increase in Masonic activity and interest results."

The Committee on Work ruled firmly against "the canvas" in the M.M. work. There was a close and sharply divided reaction on a motion to incorporate definitely

(not just optionally) the "traditional" language in obligations. This was referred to a committee for report next year.

Benevolent grants exceeded \$12,000 and 33 bursaries of \$900 each given to matriculating students plus 20 undergraduate scholarships, also for \$900, the latter from the Milling Scholarship fund. Your reviewer is delighted to note such surnames among the bursary winners as: Andrusiw, Fedoruk, Tocci, Tominuk, Virginillo, Wasylyschyn and Yee.

Action was deferred on a proposal to move the Grand Lodge office from Calgary to Red Deer.

The Chairman of Fraternal Relations and Correspondence again uses part of your reviewer's text verbatim for the majority of his reviews. He obviously likes and appreciates them.

R.W. Bro. C. R. A. Green, the son of M.W. Bro. Claude Green, the Grand Representative of our Grand Lodge near the Grand Lodge of British Columbia, was elected Deputy Grand Master. In normal course he will have become Grand Master a month before our 1984 Annual Communication. If he attends, your reviewer has no doubt that he will receive a special welcome.

Among 22 Special Communications, 17 placed "commemorative stones," and 1 a cornerstone in lodge buildings, 2 were dedications (1 of a Scottish Rite Temple), 1 presenting a 50-year emblem to a P.G.M. and 1 for the funeral of the Deputy Grand Master who died in office. "An oration" was a feature of most of these, but in two instances a quartet (including the Deputy Grand Master) "rendered religious songs."

There is a highly vocal "fundamentalist" group in this jurisdiction. A P.G.M. introduced a resolution in Grand Lodge which would have completely destroyed the universality of the Craft in Arkansas, proclaiming that "no man could be a true Mason and uphold the pure principles and teachings of Freemasonry if he be a deist or does not believe in the Bible." This, together with two more indirectly worded but similar resolutions, were rejected by the Committee on Masonic Law and Usage. Grand Lodge adopted the Committee Report.

One of the numerous rulings of the Grand Master speaks for itself (including the fact that it required a ruling at all) as to the state of the Craft:—

"A Lodge asked if they had violated any Masonic Law or conduct when they sold tickets to a Fish Fry and some of these tickets came into the possession of some black people. They in turn came to the Fish Fry and got carry out plates and left.

I ruled that when tickets were paid for, the ownership changed and when the buyer gave the tickets to a third party, the Lodge was still responsible to honor its obligation to the holder or bearer of the ticket."

Other rulings barred the use of a lodge dining room for a family reunion on a Sunday; prohibited initiation of the General Manager of a Municipal Recreation Improvement District because a sportsman's pub was directly under his authority (although he did not "dispense, sell or serve"); approved initiation of an employee of a chain store where liquor was available for sale (he had nothing to do with that department); O.K.'d sponsorship of a boy's baseball team by a lodge (but they could not use a Masonic Emblem); O.K.'d a street sign with info. as to lodge address and meeting dates; and O.K.'d a lodge booth at a Country Fair (to be closed on Sunday, no petitions available, no solicitation).

A "Masonic Cabinet," "a voluntary group of current Masonic officers," met quarterly. Their work and advice was praised by the Grand Master. The principal dinner during Grand Lodge was hosted, as usual, by the Scottish Rite.

The Appeals and Grievances Board reported briefly on each of 21 trials for U.M.C., resulting in 4 expulsions, 12 indefinite suspensions, 4 acquittals, and 1 new trial ordered. Trial Law is being revised and a special committee is being continued for another year to complete this.

Two lodges were lost by amalgamation.

There are no financial statements in the proceedings. The Board of Finance reported operating deficits over the past two years totalling \$40,000, recommended an increase in per capita (which apparently was granted) and a budget for the coming year said to provide an operating surplus. The Board of Charities and the Youth and Scholarship Board, both active, give minimum specific detail. There were 59 scholarship grants, 29 new and 30 renewals.

The Grand Master presented plaques to two brethren who had been Masons for 75 years.

An Emergent Communication was held "recognizing the enlargement, renovation and refurbishing" of the temple at Nakusp, taking the form of a symbolic cornerstone laying.

Our then R.W. Bro. Groshaw represented our Grand Lodge at the Annual Communication and was one of several visitors to address Grand Lodge.

The Grand Master was "encouraged" by the increase in the number of petitioners:

"Freemasonry . . . is just as useful today as it has ever been. It challenges you and it challenges me to project ourselves into the mainstream of life, and to do our part in helping to make this moment in history a better and a happier time in which to live.

. . . Show your Freemasonry, live your Freemasonry and create a climate so that more men will have the opportunity of discovering the significance of our Fraternity for their own lives.

. . . Brotherhood is the very price and the very condition of man's survival. Fellowship is the mortar that binds the thoughts of men together. Can we afford to keep these to ourselves?"

Sizeable expenditures for office equipment and supplies led to an operating deficit of \$3,500 over revenue of \$160,500. The benevolent fund was \$10,000 in the red after paying \$78,000 in relief and \$20,000 to the Bursary Fund, the latter as instructed by Grand Lodge. One hundred and seven (107) bursaries were given — average \$350. The Contingent Fund grew over \$28,000 to \$210,000.

The Ritual Committee "spent considerable time reviewing the Canadian Ritual" in preparation for a new printing. The Grand Lodge Library and Museum remain special reasons to visit Grand Lodge headquarters in Vancouver. The Library Trustee held 7 meetings and 13 working meetings. "There is a very definite improvement in the number of books out on loan."

The Jurisprudence Committee "regretfully recommended" that a petition from a blind applicant should not be received. Cases involving some physical disability are dealt with reasonably.

A charter for Tsawassen Lodge U.D. was approved as No. 185.

Several lodges are making renovations and additions to their premises. The Committee on Lodge Buildings recommended that a Special Committee investigate the possibility and feasibility of establishing a "Loans to Lodges Fund."

The Grand Secretary, R.W. Bro. Charles Lorimer resigned after four years' service. The new Grand Secretary is M.W. Bro. W. L. Stirling.

Your reviewer again records his pleasure in his associations with his brethren in British Columbia as their Grand Representative near our Grand Lodge.

At the opening of Grand Lodge (attendance 61), a directive from the Ministry of the Interior was read, authorizing the holding of the Communication.

A sudden surge in activity in three of the lodges increased raisings to 35, more than a third greater than the previous year. Two lodges accounted for 50 of 60 suspensions from "screening old membership files." Overall there was a net loss of 31, but a more valid picture of actual membership.

The Constitution has been translated into Chinese and this is "a landmark in Masonic Literature in the Chinese language." The text has been circulated to lodges and to G.L. officers pending final action at the next Annual Communication.

The Grand Lodges of Alaska and of Pernambuco (Brazil) were recognized. Relations were terminated with the (old) Grand Lodge of Belgium. The Regular Grand Lodge of Belgium had already been recognized.

Four scholarships of NT \$4,000 each were awarded.

Revenue for both general and charity funds increased, but the Committee of Finances recognized this "was due to temporary or non-recurring conditions," specifically a surge in interest rates which has since abated and to "a generous donation of NT \$100,000." Operating surpluses resulted, but this may well be temporary.

Rainbow is moderately active and is assisted.

The viability of Freemasonry in this jurisdiction depends almost exclusively on the political future of Taiwan. This is, and will remain, the number one fact of life for the Craft in "China."

After 22 years' service as Pro Grand Master, M.W. Bro. the Earl Cadogan requested relief from his office. He was succeeded by Lord Cornwallis (former Deputy Grand Master) and who, in turn, was replaced by Hon. E. L. Baillieu (former Assistant Grand Master). The new Assistant Grand Master is Rt. Hon. Lord Farnham.

The great expansion of E. C. Freemasonry continues in the Provinces. The data above are from the March Quarterly. The Proceedings of the four Quarterly

Communications list 46 new Lodges (No. 9027 through No. 9072) and 4 "erasures" (in Sri Lanka, Buenos Aires, the Orange Free State and "South America S.D.").

The Grand Master presided at the June and March Quarterlies. His address at the latter dealt with the major reorganization of Masonic Benevolence which now comprises the "Grand Charity," the "Masonic Trust for Boys and Girls," and the "Foundation for the Aged and the Sick." The highly comprehensive Bagnell Report on the reorganization had made 60 specific recommendations. These are printed in the Proceedings with the action taken on each by a special committee appointed by the Grand Master. Provision has been made for financial support for "non-Masonic" programs (e.g. £25,000 to the "South Atlantic Fund"); amalgamation of the previous two separate school trusts; closing the Boys' School; allowing the Royal Masonic Hospital to continue as a general hospital "relying on its greater efficiency and the introduction of fee-paying patients"; providing that the Grand Charity should be "under the control . . . of the Craft, acting through the members of Grand Lodge"; and that all 3 charities should be "independent of any control by the Board of General Purposes." It was agreed that an additional Masonic Hospital should not be established in the provinces, that Grand Lodge should not establish its own medical insurance scheme, but that the Foundation should operate an advisory service to assist any Province that wished to set up small local Old Peoples' Homes. Establishment of an endowed chair in Gerontology at a Teaching Hospital is being considered.

The reports of the Grand Charity indicate grants to 701 petitioners (increase of 56) and distribution of £358 thousand (increase of £73 thousand). In addition £500 thousand (payable over 2 years) went to the Royal Masonic Benevolent Institution for extension of existing homes; £39.5 thousand distributed among welfare organizations; and £19 thousand among medical research groups. There were numerous other grants including "Newfoundland: £5,000 to the District Grand Lodge of Newfoundland towards establishing a 28-bed infirmary in the Newfoundland Masonic Park."

Both the Grand Master and the Board of General Purposes referred to the long standing and strict E.C. regulation that when its members visit other Jurisdictions, they must avoid attendance and, if necessary, withdraw, if members of a Grand Jurisdiction not recognized by the Grand Lodge of England should be present. It appears that there have been difficulties with members of the former Grand Lodge of Belgium, from which recognition has been widely withdrawn.

An unusual item is included in the report of the Board at the March Quarterly:—

"Lodge After-Proceedings:— It has been reported that in some instances individuals are being called upon to pay the entire cost of the after-proceedings. The Board finds it necessary to state plainly that no Brother, and particularly no Candidate and no Master, should in any circumstances be required to pay for meals provided for anyone other than himself and his personal guests."

By constitutional amendment, Grand Lodge now recognizes throughout the Craft disciplinary action imposed by the Royal Arch.

The per capita charges (subject to annual review by the Board) remain unchanged (London £4.50 + £1.2 for the Grand Charity, Provinces £2.7 + £1, District Lodges £0.67, Abroad (non-district) £1.12).

M.W. Bro. Lord Cornwallis presided at the 1983 Annual Investiture. The list of office bearers is extensive, as are the combined "promotions" and grants to past rank. In a brief address Lord Cornwallis emphasized the personal importance to each incoming W.M. of his installation, and urged that nothing should detract from this during the ceremony in the lodge.

There were two Called Communications for laying cornerstones of the Nampa City Hall and of the new Scottish Rite Centre, Boise. In the latter case, after Grand Lodge was opened, it was announced that "because of the numbers of people in the front of the building it would be impossible to march properly to the cornerstone" and "we would merely find our way through the crowd." There was also an Emergent Communication as a tribute to a recently deceased P.G.M.

The Grand Master attended an International Night at Bonners Ferry Lodge. "Many Canadian brethren were in attendance" and 37 lodges were represented. He joined in a major tribute to the retiring Grand Secretary; took part in a M.M. degree during the "Dead Horse Cave Communication" of Lincoln Lodge; and visited Portneuf Lodge to act as host when the Grand Master of Utah was also present. He was one of eleven Grand Masters attending an International Night in Seattle, Washington and sent coins struck for the 100th Communication of his Grand Lodge for deposit in the time capsule of the G. L. of Massachusetts. His visit to Fiat Lux Lodge No. 1079 in New York continued a tradition of a very special celebration.

The Grand Master summarized the state of the Craft:

"... Our imminent problems ... are the lack of developing leadership; the advancing age profile; and the very real need to attract new members to our organization. ... We all realize the need to bring young men to our Craft. The biological process dictates that our time span is limited to a narrow spectrum and that we must move on and let others occupy our places.

The past two decades have been difficult times ... Along the way we forgot that with all the independence also come responsibilities, not only to ourselves but to others.

... Now that it appears, however faintly, that the pendulum is swinging the other way, will we again have candidates awaiting at our doors? ... No, my Brethren ... Masons have acquired a syndrome of secrecy and of self indulgence ... We must regain our visibility in society. Lodges can help by participating in public affairs as charity, recognizing efficient public officials, honoring school teachers, taking part in certain civic affairs. Yet it is the

individual Mason who can make the biggest contribution by telling the story of Masonry. . ."

Youth and ladies' organizations were honored at the Grand Lodge Banquet. The address, by the Grand Orator, strongly emphasized old American values.

There were three break-ins at the Grand Lodge office. The last time the office safe was removed with loss of insurance policies, master ritual, historical ledger, bank pass books and numerous pins. The safe was destroyed when found.

There was a nominal surplus in general funds for the year. The overall investment portfolio is \$877,000 which is 18% over its cost. This is due entirely to common stock investments which cost \$83,000 and are valued at \$278,000.

The report on Masonic research and education emphasized data on candidates who did not complete their degrees or who promptly lost interest.

" . . . Each Lodge must maintain programs of interest to retain its membership. The tools are available and there is no magical solution.

. . . Our Grand Lecturer has reminded us that 'the only place where "success" appears before "work" is in the dictionary'."

The Grand Historian spoke on "Legend and Masonry" dealing with the ancient myths all the way back to Adam that have somehow got into a legend involving Masons. Most of the stories are highly fanciful, but W. Bro. Downs' summary is useful reference material.

The Grand Lodge of Spain was recognized.

Installation of Grand Lodge officers was open. The new Grand Master requested that the W.M.'s and Secretary's address and phone be posted in front of lodge quarters "where it is visible to the street;" that the W.M. place a different brother in charge of "the program" associated with each meeting; that a specific brother be assigned to bring each new M.M. to lodge for a year; that newspaper publicity be given to Grand Lodge officer visitations; that community parades and fairs be supported; that each lodge pursue at least one charitable activity during the year.

IRELAND — 1982

Quarterly Communications March (in Dungannon, Co. Tyrone)

June (in Dublin), October (in Belfast), December (in Dublin)

St. John's Day Communication, Dec. 27, in Dublin

Grand Master M.W. Bro. Most Hon. The Marquess of Donegall

The material at hand is the brief Annual Report, "published and authorized by the R.W. Deputy Grand Master."

During this the first full year in office of the Grand Master 4 new Provincial Grand Masters were installed, 1 to replace him in the South Eastern Counties, 2 following resignations after long service, and 1 from death. There were 4 new lodges, 1 reviving No. 60 in Ballymena and 3 in Nigeria. A lodge in South Africa surrendered

its Warrant. An Assistant Grand Master was appointed in Northern Ireland as the Grand Master lived at the opposite end of the country. R.W. Bro. Harte retired as Grand Secretary after twenty-seven years' service. He was presented with "a handsome cheque subscribed by the brethren."

The Grand Master visited South Africa for three weeks. "Because of the vast distances too much of our tour was spent airborne" but everywhere there was an "enormously warm welcome" and "an intense loyalty to the Irish Constitution." There are serious membership and financial problems in Zimbabwe and in Zambia. The four constitutions, E.C., S.C., I.C. and South Africa work in harmony. The Grand Master attended the Festival of St. Andrew in Edinburgh. One of the subjects discussed with the Grand Master Mason was:

"In some countries the brethren are beginning to think that their future would be more assured and on a firmer base if they formed their own sovereign body. . . . It is a complicated issue . . . and there is no great unanimity . . . It will obviously require very close consultation between ourselves and London and Edinburgh . . . I reemphasize . . . that if the brethren concerned can agree (to do so) we could not and would not oppose it, but would do all we can to give . . . assistance."

The Deputy Grand Master visited India and Sri Lanka. Some of the lodges have a wonderful history:

"To visit a Lodge such as Emerald Isle No. 19 can only give pleasure . . . They are a long way from home; indeed I wonder when they were last in Ireland. No. 19 was formed in Malta in 1907, then attached to the 88th Foot, the Connaught Lancers. This regiment was disbanded after the Great War when the Battalion was stationed in the North-West Frontier. Suffice to say it would be hard to find a better Lodge, who are working today in difficult conditions. Long may they prosper."

There were impressive meetings in Sri Lanka.

A scheme to administer the invested funds obtained from the sale of the Masonic Boys' School property ("The Cy-pres Scheme") was approved by the High Court in Dublin and is being launched. Its management committee can assist in the education, care and maintenance of "Masonic orphan boys and others who qualify." This parallels the Masonic Girls' Benefit Fund.

There are no quantitative or statistical data in the Annual Report. There are, however, a few paragraphs from each of several reports of Provincial Grand Masters. Here are a few excerpts:

(from Antrim) "During the early part of the year the Kidney Research Appeal was closed out with £24,000 already handed over and £4,000 still to be donated.

(from Londonderry and Donegal) "Probably the highlight of the year was . . . in Kilrea. There we had the privilege of dedicating the fine new hall which Star Lodge No. 16 had built, following the destruction of their former hall by terrorist bombs. . . . This is the

fourth such ceremony which this Provincial Grand Lodge has carried out in recent years (and) speaks volumes for the resilience of our brethren in the face of terrorist attacks."

(from South Eastern) "On 4 June a party of nine Masons from the West African Lodges of Ghana and Togo visited the Clonmel Lodge. They came to express their affection for our late Grand Master and laid a wreath on his grave."

(from Zimbabwe) "The 3 Inter-Constitutional Charitable Funds, i.e. the Charity Fund, the Education Fund, and our Masonic Homes in Bulawayo and Harare, are well supported and our cottages, 50 all told, are completely paid for. We are able to let our senior brethren and widows have them at very reasonable rent."

(from Ghana) "The current political climate here, in which prejudice is being worked up against Freemasonry, has made it rather difficult to carry on with Masonic activities regularly."

First, the genuinely good news:— The new Masonic Centre in Tokyo was cornerstoned, completed and dedicated and its operations will be profitable. The incoming Grand Master is a native Japanese businessman, born and educated in Japan.

Second, the bad news:— Among numerous "routine" dispensations were thirteen to conduct a meeting with less than 7 members present. Five of these went to one lodge, listed as having 9 initiations and a membership of 374.

The cornerstone of the Masonic Centre was laid on May 23, 1981, Grand Lodge closing in "public form." Dedication was on November 7, 1981, both opening and closing of Grand Lodge being in "open form." The Centre operates as a public company, the Zaidan Hojin, responsible for benevolence as well as property management. Inclusion of benevolence permits some business and tax advantages, accruing to a non-profit organization.

"... a fairly sizeable income is now being received by the Zaidan Hojin, so we are able to funnel more of our resources into welfare projects.

... The Zaidan Hojin has agreed to underwrite a project for the study of mechanical devices to aid handicapped people for ¥10 million per year for 5 years ... We will conduct an annual review to see if it is meeting its goals.

... Because the Zaidan Hojin is a legal entity with the right to own property, property other than the Tokyo site, later acquired

for Masonic purposes, have been placed under its name and protection."

This new set up will materially improve the financial condition of Grand Lodge. The previous Tokyo building had been a significant drain on Grand Lodge funds. During the year under report, Grand Lodge operated within its budget.

The Grand Lodges of Alaska and of Belgium (regular) were recognized.

The Grand Orator made a reasoned plea for an advisory body, chaired by the Deputy Grand Master, to improve communications within Grand Lodge, to improve public relations, to effect long range planning and to act as a "think tank."

The installation of Grand Lodge officers was open.

There were 5 Emergent Communications, 4 for cornerstones and/or dedications of lodge buildings, 1 for a memorial service.

Legal and disciplinary matters took much of the Grand Master's efforts. Grand Lodge had in 1981, and again in 1982, authorized and approved, by over a two-thirds majority, sale of the New Orleans Temple and property. During this period two P.G.M.s had taken legal action, questioning the authority of Grand Lodge to sell the Temple. This had been decided in favour of Grand Lodge. Within a week of his installation, and while on a fraternal visit out of the State, the Grand Master was advised that a "satisfactory" sale, which had been approved, would be blocked by an application for an injunction filed by a constituent lodge to stop sales negotiations. The Grand Master, by phone, ordered the Grand Lodge attorney (a P.G.M.) to take possession of the Lodge Charter and deposit it with the Grand Secretary, and ordered the immediate suspension from Masonry of the W.M. of the lodge and of the attorney who had filed for the injunction. Two days later, these "rebels" capitulated, withdrawing their injunction attempt "with prejudice" (i.e. they paid the court costs). However, the waters remained badly muddled when it was discovered that the two P.G.M.s had appealed their case against Grand Lodge! After discussions and politely worded but acrimonious correspondence, the Grand Master suspended the two P.G.M.s from Masonry. He continued the suspension of the attorney involved, but restored the Charter and the W.M. of the lodge. The pot simmered all year. Finally at Grand Lodge, and after the Grand Master's address, it was announced that the two P.G.M.s had agreed to abandon their appeal. The inference from the proceedings is that the sale would be finalized and "harmony" at least officially restored. But this is not certain as there have been executive changes in the purchasing company, and, meanwhile, Grand Lodge has lost considerable potential interest on purchase payments which would have been made.

If this were not enough, the Grand Master received from offended parties complaints as to the marital behaviour of some brethren and chose to become involved to the extent of personally attending some lodge meetings dealing with charges consequent to his advice to the respective W.M.s. In one extreme case when the lodge declined to order a trial, he expelled the brother anyway (advising him that he could appeal to Grand Lodge) and Grand Lodge sustained this action, over-ruling the report of the Committee of Appeals which had recommended that the lodge be ordered to proceed with a trial. The report of the Appeals and Grievances covers 12 printed pages, concluding with two reprimands, six indefinite suspensions, ten expulsions, three cases carried forward, and one lodge election procedure clarified.

Of course, there are very good things in the proceedings too. A "Masonic Coordinating Cabinet" of elected Grand Lodge officers plus the ranking officer of each "Masonic-related" body in the State, meets four times a year (incl. at Grand Lodge) to coordinate overall planning and action. The Grand Master was impressed by the number and quality of young applicants for initiation. The Masonic Home for Children "continues to be the brightest jewel in our Masonic Crown." There are 42 children, age 20 (at college) to 6; Assets \$1.2 million (41% fixed); Cost \$350,000. Some 2,000 turned out for the Grand Master's "Homecoming" to the school. The Educational Foundation is doing excellent work, assisting 86 students, full scholarships for "Home" children and \$800 for most of the others. It is noted that the institutions attended include St. Mary's Dominican College and Universidad Autonoma de CD. Jaurez. Foundation investments are \$1.1 million.

The opening session of Grand Lodge was "informal" with many non-Masons present for the reception of visitors ("public grand honors") and a lengthy memorial service with individual eulogies. At the end, installation was open and Grand Lodge closed in "summary form."

The Committee on Fraternal Correspondence files their reviews in the Grand Secretary's office. Their half-page printed report comments on falling membership and "it is also interesting to note that several Grand Jurisdictions had no cases to be reviewed by their Committee on Appeals and Grievances."

Your reviewer again reminds his brethren that there are 10 lodges which follow a Scottish Rite ritual and would, therefore, be of special interest to our brethren visiting Louisiana.

plus 1 Research Lodge

The new Research Lodge was constituted and consecrated at a Special Communication in June 1982. This is the first new lodge since 1960 and there have been only four regular new lodges since 1916.

The Grand Master attended all twenty-four district meetings and went on both Grand Lodge tours, one to Hawaii and the other to Rio de Janeiro. The latter included

a side trip to Brazilia "the cleanest city perhaps in the entire world." He was shown a lodge room there and "came home with a story to tell of its beauty only to learn that it was not a Maine recognized Lodge." Even Grand Masters have problems sometimes! He issued dispensations for twelve Table Lodges. He praised work with youth groups (DeMolay, Rainbow) and the "Outreach Program" of visiting shut-ins, the sick and the hospitalized. Grand Lodge officers visited "Togus," a chronic care (Veterans?) hospital.

Special degree teams have to have annually renewed approval of the Grand Lecturer to assure competence and ritual conformity.

Benevolent funds have been particularly well managed. Investments (more than half in common stocks) have a value over \$2 million (25% over cost). There are, in addition, a dozen small benevolent trusts. Total revenue more than covers the \$130,000 benevolence plus an administrative share of the applicable Grand Lodge expenses.

This jurisdiction operates with very tight purse strings. Some lodges share quarters during the winter with other lodges or with the I.O.O.F., cutting fuel costs. To meet Grand Lodge operating deficits, the constitutional change proposed (and circulated to the lodges for vote) adds 50¢ to the present \$3 per capita to Grand Lodge, **but** reduces per capita for benevolence from \$1 to 50¢, so the total remains the same. This is justified financially by the status of benevolent fund investments. It would seem to be less justified masonically. In the same vein, in reporting of the Grand Masters' Conference whose 1984 meeting will be in Seattle, the Grand Master "wonder(s) how much longer any of our jurisdictions will be able to afford the luxury of sending representatives all over the United States." In this jurisdiction the average lodge dues is \$13.72 and the average joining fee \$48.49. Small wonder that M.W. Bro. Burbank, in the foreword to his report of the Committee on Fraternal Relations, is pessimistic:—

"Lodges in Maine, both large and small, are struggling to stay alive — to maintain Temples that are old and costly — to attract members to their meetings. In this fast-moving ever-changing world, with its new attractions, notably television, we cannot sit back complacently and wait for the return of the 'good ol' days'. We must provide programs, improve our ritualistic image, and engage in more and better public relations if we are to survive the challenge of the new age. This is not peculiar to Maine . . ."

The loss above, derived from change in total membership reported, is larger than the 171 loss indicated by statistics from (Initiations, Reinstatements, Affiliations) less (Deaths, Demits, Suspensions).

The Grand Master referred to the institution of Corinthian Lodge, the first lodge to be instituted since 1966. He reported on Grand Masters' Conferences and was especially impressed with the 250th anniversary celebrations of the Grand Lodge of Massachusetts. He held a luncheon meeting with religious leaders in Winnipeg:

"Our presentation . . . generated a healthy question and discussion period. . . . Through continuing dialogue in the future, we may ward off some of the hurtful and damaging attitudes and actions which have become a major problem in other Grand Jurisdictions."

He encouraged "Open House Meetings" by Lodges:

". . . To assure their full and potential content, the Grand Master (should) be the only authority to grant permission. The Grand Master (has to) be given all the information such as format, location, speaker etc. to enable him to make a fair and prudent decision."

This was the third year of a five-year plan to revitalize Freemasonry in the Province and significant progress is starting to show. The Condition of Freemasonry report and other reports "tell it like it is":

"Time is our most valuable asset today. . . If an officer, as he reaches the chair of J.W. cannot attend at least 70% of the meetings, he should withdraw or be asked to resign. . . . How do you find such a man? The answer is 'you challenge him'. Right from the start you develop this man. You sponsor him . . . you teach him what Freemasonry is about. Are you your Brother's keeper. You bet your life you are. . . .

. . . Sponsors are going to have to be more responsible. . . . Too often the only instruction a new member gets is a copy of the Work, portions of which he is told to go home and commit to memory.

. . . More and more secretaries are saying less and less in their notices. . . . What is there to bring me to Lodge (when) the agenda consists of 'such business as may come before the Lodge'. . . ."

What is happening to stop the rot?:—

"The Program Planning Committee (is) setting up District machinery to take the District Deputy out from under the cloak of being a figurehead representative of the Grand Master and making him an administrative executive with committees to promote and foster Masonry in the District.

. . . The first annual Masonic workshop (is) to be held in the spring of 1984.

. . . (There are) changes and consolidations in the charitable funds so that we make them more viable and . . . expanded."

On recommendations of the Grand Master's Special Committee on the Economics of the Benevolent Fund, the previous several funds are being reorganized

into a Masonic Endowment Fund and a Reserve Fund. The former can support all aspects of Freemasonry. The latter can go outside strictly Masonic-oriented benevolence:

"Freemasonry is not merely a collection of men or of Lodges working in isolation, but it is a brotherhood. . . . We should look beyond our boundaries . . . to understand world-wide trends of society so that we may become a more effective force for greater unity among men. We should not hamper ourselves by budgetary restrictions from undertaking any activity which will add to the strength of our Fraternity."

Recommendations made are also specific. An ad hoc committee "on a charitable project" recommended, and got approval, to buy cars and supply voluntary drivers for the Cancer Society. The three cars, painted blue and with masonic insignia, will be donated to the Cancer Society and then leased back for \$1 per year and garaged on temple property. The Cancer Society will pay a mileage fee for gas.

The Board of General Purposes met five times. Summaries of their actions at each meeting are printed in the Proceedings. Expenditures, General Fund, were \$1,500 in excess of \$123,400 revenue. Equity reserve remains at \$64,000. The remarkable financial result of the year was the Masonic Temple repaying \$52,000 of the mortgage owed the Benevolent Fund. There still remains \$200,000 on the mortgage (which only pays 1%), but at least there is real progress on getting this major debt under control. The Benevolent Fund now has \$140,500 invested reasonably. The Beneficiary Fund has \$272,000 additional.

The Grand Lodge of Spain and the Grand Lodge of Santa Catarina, Brazil were recognized.

In a "Literary Section" of the Proceedings are printed essays winning the Rachman Essay contest. "What is the purpose of a Masonic Lodge" (category of under 5 years' Masonic membership); "What is the Function of Grand Lodge" (category 5 years or over membership); a speech at a P.M.s luncheon; and the sermon at the Grand Master's Divine Service.

This Grand Lodge, recognizing that its survival necessitates working in Spanish, and that English-speaking lodges will disappear, approved a charter for Logia Atemajac No. 29 (Spanish) U.D. Bahia Acapulco Lodge No. 25 (English) surrendered its charter. This lodge had only 11 members on the roll, 7 of whom were still in the area and its accommodation had deteriorated and was unusable. There are no lodge statistics in the proceedings. The "loss" above is from the Grand Secretary's

report. Two pages of the proceedings are in Spanish, comprising the report of the D.D.G.M. for Logia Tijuana and a resumé of the career of the new Grand Master (which also appears in English).

The Grand Master suffered "a triple blow of family illness, financial disaster and personal physical disability" which necessitated the D.G.M. serving as acting Grand Master for several months as the Grand Master's family returned to the States. The Grand Master remained, technically, a resident of Mexico returning to preside at the Annual Communication where his courage in adversity led to a standing ovation. His conclusion was deeply personal:—

"... When I leave this temple tonight it may be never to return but if that be the design of the Supreme Architect for me I want you to know I will always be grateful for you and this place and the lessons learned here. . . . I humbly pray, upon stepping down, that I have been less a stumbling block than a stepping stone, and that you will remember me with kindness as I shall remember you with love."

The new Grand Master was born in France, and has had marketing and executive positions in Mexico since 1957. He is a licensed Yacht Captain, also as a teacher of Hatha Yoga. He writes under the pen-name of "El Breton".

Toltec Lodge No. 1 celebrated its centenary. It was formed under dispensation by the Grand Lodge of Missouri in December 1882 and chartered as No. 520 in November 1883. It later became No. 214 under the Gran Logia Valle de Mexico, which was renamed the York Grand Lodge of Mexico in 1910. A summary of the history of the lodge and of the D.G.M.'s address at the Lodge celebration are printed as appendices in the proceedings. In earlier days it was not unusual for the brethren to enjoy a "proper banquet" at a restaurant at the expense of a newly raised brother. As unusual items, in 1903 two brothers agreed to abandon legal action over a debt and have a Masonic trial to settle the issue! The same year Miss Josephine Perkins of Amsterdam, N.Y. (a landlady) requested, and got, a character reference for one of the brethren.

Our M.W. Bro. Howard Polk attended the Annual Communication and was one of several visitors to address Grand Lodge.

The Grand Master had made a decision that any lodge not represented at Grand Lodge would have its charter suspended. This, as might have been anticipated, proved drastic, and, with the Jurisprudence Committee raising questions as to proper excuses and details of charter restorations, the matter was, with the Grand Master's approval, referred to the incoming Grand Master for his action. Four lodges were lost by amalgamations.

Among numerous proposed amendments to the Constitution, those providing for handing on District Officers regalia to successors, and for permitting a Research Lodge to be chartered were approved. Rejected amendments would have permitted a Masonic Temple to rent space to the Michigan State Liquor Control Board, to permit lodge sponsorship of athletic teams, and to increase voting privileges at Grand Lodge by adding some district officers, and past Grand Lodge officers. (Your reviewer found this confusing as the latter, at least, would have had a vote as P.M.s anyway.)

The Board of Directors of Grand Lodge met nearly every month. Their minutes are printed in the Proceedings, so the active business administration of Grand Lodge is fully recorded. The market value of investments being managed is \$36.6 million. Total annual investment income is \$3.2 million. Grand Lodge operating account has, however, had significant deficits for each of the past three years. Current reported expenditures were \$77,000 over income of \$547,000. The drop in operating fund balance over three years has been \$300,000. Remedial action would seem imperative.

The Home had 295 residents. Costs are given as \$30 per day for Home care and \$55.50 per day for Nursing care (59,050 hospital days.) Home expenses total \$4.7 million of which \$2.9 million was payroll. Next year's budget expense is \$5.4 million. Home finances appear to be in acceptable shape.

The Grand Lodge of Spain was recognized.

The installation ceremony is printed in full. It was open complete with detail of family introductions of each Grand Lodge officer.

There were 10 Emergent Communications, 1 for consecration, dedication and constitution of a new lodge, 2 lodge building cornerstones, 4 lodge dedications and 3 for funerals of P.G.M.s.

Two lodges were lost by consolidation. With one new lodge there was a net loss of one.

The Jurisprudence Committee ruled on several questions submitted. A criminal record of an E.A. was discovered after initiation; ruled that the brother was an E.A. and that charges must immediately be laid. The Eastern Star rent lodge quarters. Who can have a key? — ruled only members of the lodge. A member was indicted for murder, acquitted and discharged. Charges were laid at a meeting at which none of the W.M., S.W., or J.W. were present; a P.M. presiding at the request of the W.M. After legal acquittal, the lodge ordered the Secretary to remove the minutes of this meeting

from the minute book, tearing out the pages so that a permanent record of the brother's name would not remain; ruled that the meeting at which charges were laid was illegal due to the absence of the 3 principal officers, that the statutes provide that nothing may be removed after entry in lodge minutes, that the lodge formally record in their next minutes that certain pages were removed to protect the name of an innocent brother as entered at an improperly held gathering. The Complaints and Appeals Committee cleared 11 expulsions, 1 suspension, 1 restoration and, a most unusual case, agreed with a lodge which voted to expel a brother and then changed its mind before formally reporting to Grand Lodge.

There were 23 children in the Home, average cost \$7,200. Home assets exceed \$3.3 million of which \$0.8 million are fixed.

General fund had a surplus of \$8,000 over expenditures of \$180,000. General fund assets are \$350,000.

(Your reviewer is again indebted to V.W. Bro. Maarten van Wamelen for preparing this review. V.W. Bro. van Wamelen retains his fluency in his native tongue and his association with and affection for his mother Grand Lodge.)

Since 1769, it has been customary for the Grand Orient of the Netherlands to hold its Annual Communication on St. John the Baptist Day. This year conformed to the ancient tradition.

The business meeting was in the morning in one of the several meeting rooms in the headquarters of the Order in the Hague. The ceremonial meeting was held in the afternoon when the elected officers were installed and invested in the main lodge room, after the formal opening of the St. John's Grand Lodge by the Grand Master.

M.W. Bro. Sepp was elected Grand Master in 1982 and, in normal course, will hold this office until 1988, subject to annual elections. A similar procedure is followed with other offices in Grand Lodge, but with various lengths of term, thereby maintaining a continuity of knowledge and experience in the inner working of Grand Lodge, much to the benefit of the Order.

The business proceedings are printed verbatim and there were many questions from the 223 delegates on the floor. It appears to your reviewer (M.vW.) that the actions and rulings of Grand Lodge of the past year were carefully and duly reviewed by the delegates and, if necessary, questioned.

The Grand Master, in his address, made special reference to P.G.M.s who had worked so diligently on the rebuilding of Masonry in the Netherlands after World War II. Early in 1941, after the occupation of 1940, M.W. Bro. H. Van Tongeren, Grand Master, was deported by the Nazis to a concentration camp, where on March 29, 1941, he laid down his worldly working tools and the lights in the lodges in Holland were extinguished until 1945.

Tribute was also paid to the late Bro. M. Mulder, who, residing in London, England, during the war was the driving force in the formation of the Anglo-Dutch Lodge, No. 5862 E.C., thereby maintaining the chain of brotherhood among Dutch Freemasons in exile.

As to the future, the Grand Master remarked that Freemasonry is a "living entity" within which continuously small, and sometimes greater changes take place, in spite of its traditional nature, requiring, particularly in view of the rapid changes in modern society, an unending consideration of causes and effects of current developments and making adjustments which aim to promote our Masonic activities within its proper traditional framework. This requires knowledge of the existing rules and their background, as well as accessibility to these rules. This, in itself, is a difficult and highly responsible task, which Grand Lodge hopes it can fulfil to the satisfaction of its members.

The statistics show 6,335 members in 132 lodges. The largest lodge has 97 members and the smallest 14. At the end of World War II only 3,000 living Masons were on the register of Grand Lodge. Its growth of over 100% in 35 years speaks well for Masonry in the Netherlands.

The Grand Orient of the Netherlands has Provincial Grand Lodges in the Netherlands Antilles, in Suriname and in Zimbabwe, as well as one Dutch lodge in Johannesburg, South Africa.

The financial report anticipates an increase from Fl.95 to Fl.105 per member per year in the charge for lodge rooms in the Hague. Adding Fl.30 for the subscription to the monthly Masonic magazine, A.M.T., issued by Grand Lodge, and the normal cost of lodge operation, total membership dues may easily reach Fl.200. As the real purchasing power of the Dutch Florin is not far from that of the Canadian dollar here,, the conclusion is obvious that membership in the Craft in the Netherlands is, indeed, a privilege and held in high esteem.

Two Special Communications were held to lay cornerstones for a large Athletic Centre on the campus of the New Mexico Military Institute and for a United Methodist Church respectively.

The evening before Grand Lodge a chuckwagon buffet supper was held following which ladies and youth organization leaders were welcomed in the lodge room; the Grand Master introduced his family and a special presentation was made to a retiring Grand Lodge office Secretary.

The Grand Master approved the consolidation of two lodges. His Committee on Restoration, set up to recommend steps to reduce loss of membership, admitted failure:

"Quality is far more important than quantity. We need a public awareness program, but one which is subtle and does not convey the idea that we are just another service club. Let them know what we do and what we stand for. As in the past, if a man is interested he will find his way to Masonry.

... Each Lodge and each individual Mason must have their or his own restoration project. It simply cannot be done by a Grand Lodge Committee."

General Fund receipts and expenses permitted a \$10,000 transfer to the General Investment Fund. The "Perpetual Membership" scheme now has 501 members and 43 memorials. It operated at a slight deficit in its first full year but, presumably, this will correct itself in the future. Its assets now exceed \$200,000. Assets of the Masonic Home Fund (there is no Home) are listed as \$154,000 and the total for all general funds as \$407,000. The Masonic Charities of New Mexico Inc. donated \$40,000 largely for cancer research and to a hospital and has assets of \$300,000.

There is no V.W. rank in this jurisdiction. Grand Lodge officers down to the Junior Grand Steward are all R.W., but the Grand Chaplain is just W. and the Grand Sword Bearer and Grand Tyler have no rank.

The Public Schools Committee suggested that brethren should find out how well their community was doing in standardized tests; should press for raised academic standards especially in math, science and foreign languages; press for merit pay for good teachers; and get elected to school boards.

DeMolay is "in the throes of reconstructing a viable organization."

There were 8 Emergent Communications, 2 cornerstones and 5 dedications of lodge buildings (all open) and a graveside service for a P.G.M.

Our M.W. Bro. Howard Polk attended the Annual Communication. He will have especially noted that James K. Polk Lodge U.D. was chartered as No. 759.

The Grand Secretary's report lists a gain in membership of 16. Unfortunately they printed the wrong word. There is a nominal loss of 16 when you look at the numbers, which is still much better than most Grand Lodges are doing.

The Grand Master had the happiness of raising one of his sons and, with the permission of the Grand Master of Virginia, of installing another son as W.M. of his lodge in Virginia. He constituted Oak Island Lodge No. 758 and instituted James K. Polk Lodge U.D. He attended both the Grand Masters' Conference in Dallas and the

Southeastern Masonic Conference in Orlando. He removed one W.M. from office for misconduct.

The Grand Orator has been Attorney-General of the State for nine years. He was very out-spoken. Many of us will agree with most of his views, but his attributing all these views to "Masonry" is simply not valid:—

"... our Masonic forefathers molded the beginning of this country. . . . They knew that government has an insatiable thirst for power . . . that checks and balances had to be placed on government . . . that the government which governs least governs best . . .

I have seen government increase rapidly because everytime something happens in society someone jumps up and says 'There ought to be a law.' Well, . . . my friends, we are 'lawed' to death . . . Government does have a habit of increasing geometrically. So I ask my fellow Masons to be eternally vigilant and not ask special favours of the government . . .

There is a steady creeping phenomenon where we are merging the separation of church and state . . . When you merge the two you lose both religious freedom and political freedom . . .

We Masons also believe that laws are passed for people to obey and there is one Mason standing before you who is sick and tired and fed up at the criminals of this country getting all the breaks. We Masons believe that good and honest and decent people ought to have some rights too. . . especially those who are the victims of crimes . . . I have cases in my office that have been around 4 or 5 years of individuals who should (not) even be called animals . . . 'Enough is enough'. . . And, yes, we as Masons believe there is supreme punishment. We believe in the death penalty, and I think it ought to be used and quit being hypocritical."

The North Carolina Masonic Foundation contributes \$100,000 to the Orphanage and to the Home. Present capital is \$2.5 million. They want \$10 million as an objective for their 200th Anniversary in 1987. There were 205 in the Orphanage at the year end. Education is half day academics and half day vocational among the high school grades. There is a lot of Masonic and church group help. The Home has an enrolment of 180, with 12 of 16 independent living apartments occupied. It is operated jointly with the Eastern Star. Cost per resident is given as \$11,129. Grand Lodge operated comfortably in the black. Estimated revenue for 1983 is \$368,000 and budget expenses \$318,000.

NOVA SCOTIA — 1983

118th Annual Communication — June 3, 4, 5

Grand Master M.W. Bro. C. L. Collins presiding
Grand Master M.W. Bro. C. R. MacLean elected and installed

There was an Emergent Communication to dedicate a new lodge room in Windsor.

Our M.W. Bro. Howard Polk attended the Annual Communication.

The Grand Master was "inclined to agree" that the candidate's catechism of questions was "far too lengthy" and suggested that the Ritual Committee give this consideration. He reported renovations to the G.L. headquarters due to the Fire Marshal's requirements. He was pleased with the quality and numbers of younger members being initiated, in spite of the continuing loss in membership.

The Premier of Nova Scotia, W. Bro. J. M. Buchanan, was the speaker at the Grand Master's Banquet. He referred to Major Erasmus James Philipps, buried in St. Paul's cemetery, who was the founder and first Master of the first Masonic Lodge on Canadian soil at Annapolis Royal in 1738; and also to a stone, bearing a masonic emblem and the date 1606, found on the shore of Goat Island in the Annapolis basin. The stone had been sent to the Canadian Institute in Toronto and was "plastered over" in their building wall, so it is "not quite lost and not quite found" either. It sounds a bit like the constitutional question which faces the country today.

Although Grand Lodge operated with a small surplus, the general per capita was increased from \$2 to \$2.50 and the additional per capita for the Masonic Home increased from \$4 to \$6. Motions to set up a G.L. proxy system when the W.M. did not attend (similar to our own) was defeated, as was a motion to permit lodge notices to cover two-month periods instead of a single month.

The Grand Lodge of Spain was recognized.

The Masonic Home is filled and there is a waiting list. Planned expenditures of \$35,000 are required to meet fire regulations. Staff salaries also require upward adjustment. The Home is competently and pleasantly run. Cost is \$10,000 per resident. The operating surplus of \$23,000 over expenditures of \$596,000 was earmarked for capital improvements and the increased per capita will keep finances in order. The Home Endowment is over \$1.8 million.

There were 24 Emergent Communications — 1 to constitute the new Copper Penny Lodge No. 778, 4 to lay cornerstones for Masonic buildings, 6 dedications of lodge rooms and 13 "rededications" celebrating special lodge anniversaries etc. (1 Lodge was 125 years old, 4 held their centenary).

M.W. Bro. Groshaw attended the Annual Communication.

The Grand Master reported his joining our M.W. Bro. Polk and M.W. Bro. Collins (G.M. Nova Scotia) for "International Masonic Day" during which the

R.C.M.P. degree team exemplified "a Canadian degree" in a "most impressive" manner. He presented an 85-year service award (the first in the history of Ohio) to Bro. Dr. A. F. Linscott "with nearly 200 Masons and ladies present." He issued an edict to all lodges reminding the W.M. of his responsibility and "reiterating the high purpose of our degrees" in view of recent legislation enacted in the State dealing with hazing.

Amendments to the constitution removed the Masonic Publications Committee and the Library Committee from their status of "standing committees" of Grand Lodge. Another amendment set up a specific procedure for laying charges when a brother was found guilty or had pleaded guilty to a felony in a court of competent jurisdiction. Amendments for consideration next year include an increase in the per capita, and actual costs will determine the charge for certificates for membership and diplomas of M.M. proficiency; would require the same per girl donation to Rainbow and Job's Daughters as per youth to DeMolay; and somewhat liberalize the availability of "official" ritual.

The "State of the Craft Committee" recommended that lodges be permitted to realize financial profit from certain activities:

"... we must be cognizant of the fact that Lodges cannot continue to operate only on income from dues, fees and investments. Sources of income (are) dinners, plays, sales of seasonal items (in good taste) and participation in local community activities. It is further recommended that Lodges be allowed to rent non-dedicated portions of their temples (to) community groups for such things as anniversary parties, or a host of other activities, upon approval of Grand Lodge."

Other recommendations concerned improved candidate counselling and better distribution of "the Review Letter" and of the Grand Secretary's Bulletin.

After eliminating investment transactions, general fund receipts were close to \$1.1 million and expenditures (including \$575,000 for the Home) close to \$1 million. The total investment portfolio is \$4.4 million. Comprehensive public liability for all lodges is \$5 million plus a property floater ("fraternal paraphernalia of Grand Lodge and symbolic Lodges") of \$3.7 million.

The Grand Lodge of Spain was recognized.

The Masonic Home had \$1.75 million added to its Endowment Fund. This included \$1.3 million in bequests. Your reviewer found nothing in the Proceedings to indicate the total endowment. Operating expenses were \$7.8 million and are budgeted for \$8.2 million next year. Further factual data are not reported. The previous year there were 472 residents.

Thirty scholarships of \$750 (next year \$1,000) were awarded.

The new Grand Master was started in "the line" by M.W. Bro. Rasor. It is not surprising that he takes "Visibility now" as his theme and promises lots of action: "We, as Masons, **shall be seen and heard** from the Ohio River to Lake Erie. . . We **shall** move forward in 1984."

There were 7 Special Communications, including laying cornerstones of a Baptist Church and of a Senior Citizens Home. Four others were Lodge dedications and one the funeral of a P.G.M.

During the year, the Grand Master presented two 75-year pins. His dispensations included 5 interstate lodge visitations, 1 out-of-doors degree conferral and 1 lodge participation in a Christmas parade. He ruled that a petition from an applicant known to be a member of a Prince Hall Lodge be returned "with any monies received, without a ballot being had thereon" as coming from a person "clandestinely initiated." He took arbitrary action on two matters, this, in each case, being rejected by his Grand Lodge.

Two lodges were lost by amalgamations. Grand Lodge revenue of \$609,000 yielded an operating surplus of \$99,000. The latter would have been higher but for a deficit from the Print Shop, which was sold during the year as it had become uneconomical. The Masonic Charity Foundation has \$18 million in assets (\$2.5 million fixed). Its operating surplus was \$0.9 million. The Home had 99 residents, annual cost per resident \$16,584 gross, reduced to \$10,804 by Social Security and Medicare. Only one child (in a foster home) remained in the "Children's Home" section.

Numerous resolutions were considered. A detailed Perpetual Life Membership plan was rejected as was a proposal to give D.D.G.M.s a Right Worshipful rank (they now have W. rank only). Membership is restricted to U.S. citizens.

A Masonic essay contest (each school to select essays from 1 boy and 1 girl) had 190 entrants. There were 3 prizes for boys and 3 for girls. Next year's contest should be good as the subject will be "The Impact of Computers on American Life."

Installation of Grand Lodge officers was open.

There were two Occasional Communications to dedicate a Public Utilities Building and to lay the cornerstone of the new Shriner's Hospital.

The Grand Master's address contains a highly pertinent reflection on the state of the Craft:

“ . . . We are living and conducting our affairs in perilous times. There are strains on men, the society in which he lives, and on the government which should serve him, unlike those of any other period. Often it seems to me that man is at war with himself . . . I believe our brotherhood must remain viable. . . .

. . . Membership will contract again this year and I believe the trend will continue still to a point that cannot be identified readily (and) continue to impose emotional and fiscal strains. . . . The answer which suggests itself to me is that we not throw up our hands . . . but that we seek new and novel ways for dealing with the included matters while, at the same time, seeking new members. . .

. . . Ritual update is also needed! . . . I refer to ‘re-packaging’ the manner in which the degrees are conferred and the candidate catechism be learned and returned and to a progressive presentation of the lectures of the several degrees . . . We must bring the presentation of our ritual into the 21st century for men of that century. . . .

. . . Sojourners must be returned to active Lodge participation . . . I sent the names and addresses of 4,999 Oregon Masons living outside the State to the Grand Master of the indicated jurisdiction. . . . Inactive members and sojourners are often men of mature years whose life style has changed. We must find ways to accommodate these brethren in our councils and in our fellowship. . . . Have you brethren ever thought of having a daytime or a lunchtime communication? . . . I have experimented with a bi-monthly lunch in one community and see brethren there I never saw in a nearby Lodge.

. . . Masonic education is perhaps most vital to any effort at assuring continued Lodge viability.

. . . Recruitment of new members has long suffered . . . from a mistaken impression of what constitutes ‘solicitation.’ . . . Experience convinces me that the new member today and in the past has been asked or discreetly led to ask for a petition . . . As painful as it may be to admit, there is validity in the observation that Freemasonry is not for everyone. My brethren, we suffer from a negative recruitment syndrome which must be overcome.

. . . Too many Lodge Real Properties are in poor repair or unattractive. . . .

. . . The concerns I have for Freemasonry seem to me to arise from a preoccupation of some members with social security, incorrectly applied by those so occupied, that attitude leads to inaction and stagnation in the Lodge. It is the resultant benign neglect or drift, more than a conscious movement that results in these negative conditions.

I take heart, for such conditions and attitudes may be overcome by an attitude of optimism. Lodge management must be progressive, challenging.

... I see young men and men with progressive ideas entering our Fraternity

... In sum I am not disheartened. I am bouyed by the expectation that we are at a turning which portends renewed purpose and desire not only to improve oneself in Masonry but to reveal, through the Lodge, the relevancy of Freemasonry."

There was positive action on several of the Grand Master's ideas. He made a television appearance, had a radio interview and took part in a radio-television talk show. He took steps to correct and improve the management of the Portland Masonic Temple. He met with Legislative members and discussed tax exemption matters (Oregon has a Grand Lodge committee to keep in touch with such affairs). He encouraged St. John's Day meetings. There were Masonic booths at 12 county fairs. A Ritual committee is active and demonstrated and consulted on some simplifying proposals at Grand Lodge as a basis for recommendations to be submitted next year. Dispensations were given for outdoor meetings ("to be properly tyled and all provisions of the code observed") and for taking part in civic parades ("ever bearing in mind the exemplary image of Freemasonry"). The Governor of the State was petitioned to proclaim a "Public Schools Appreciation Week," which he did. Youth activities were strongly encouraged.

The Committee on Jurisprudence report was in twenty-four sections. In summary, discipling for gambling now is restricted to "illegal" action ("enterprise or lottery violates any federal, state or local law regulating such activity"); conviction for a felony "punishable by death or imprisonment for more than one year" results in automatic suspension by the G.M. after a certified copy of the final judgement is filed; the age for admission was reduced from 21 to 18; changes speeding up reporting of lodge elections were rejected as were some structural changes in the Finance Committee; staff pensions were improved and reorganized; installations of Grand Lodge officers may be either public or private as the Grand Master-elect determines.

Heading the long membership awards was a rare 80-year certificate to Bro. F. S. Engle who received his M.M. degree in November 1902.

The Grand Lodge of Spain and of Santa Catarina (Brazil) were recognized.

The Grand Lodge Trustees met monthly. General annual accounts were just in the black. Life membership fund assets are \$2.1 million. Educational fund assets are \$1 million. \$54,000 was spent in grants to 30 children. Home endowment funds are close to \$10 million. There were 80 residents (joint operation with the Eastern Star) and expenses were \$1.14 million. The auditors were critical of some of the Home accounting practices (e.g. inadequate depreciation) and this is under advisement.

In presenting his report on Necrology, the Grand Chaplain, Rabbi Y. H. Geller, quoted George Eliot's poem "The Choir Invisible". Your reviewer has not heard this ... since his early teens.

"Oh, may I join the choir invisible
 Of those immortal dead who live again
 In minds made better by their presence: Live
 In pulses stirred to generosity,
 In deeds of daring rectitude, in scorn
 For miserable aims that end with self,
 In thoughts sublime, that pierce the night like stars,
 And with their wild persistence urge men's search
 To vaster issues.

May I reach
 That purest heaven, — be to other souls
 That cup of strength in some great agony,
 Enkindle generous ardor, feed pure love,
 Beget the smiles that have no cruelty,
 Be the sweet presence of a good diffused,
 And in diffusion ever more intense
 So shall I join the choir invisible
 Whose music is the gladness of the world."

A Divine Service was held in the Grand Master's home church the evening before Grand Lodge and was followed by a reception.

The Grand Master laid the cornerstone of the Corinthian Community Homes Ltd., a 10-unit housing facility initiated by the brethren of Corinthian Lodge No. 19. Cornerstones are a rare occasion in P.E.I. although the brief list includes the "historic Provincial Building" in 1843 and the Charlottetown City Hall in 1887.

The Grand Master visited 14 of the 16 lodges with, according to custom, the D.G.M. in the chair when he visited his own lodge. He attended levees hosted by the Lieutenant Governor, by the Premier, by the Mayor of Charlottetown, by the Roman Catholic Bishop, by the Knights of Columbus and held one of his own at the Masonic Temple in Charlottetown on New Year's Day.

The luncheon during Grand Lodge was addressed by W. Bro. O. A. Guinn of the G. L. of Massachusetts who gave a first-hand account of what happened to Masonry in China under communism:

"... I worked under the Grand Lodge of England as Secretary of Lodge Foochow No. 1912 in Foochow, Fukien. England, Scotland and Ireland gave their Lodges permission to transfer their regalia, certificates and charter to Hong Kong if possible. ... We were able to do it with Foochow No. 1912. Some of our senior men arranged it with the communists. We packed the box and it arrived in good condition. We rented our Foochow

Temple to the Communists who used it as a bank and the Lodge was reformed in Hong Kong where it is working today . . .

(We) believe that (a Mason) will be willing to help me if possible. Certainly I do not think he will harm me. But what happens when the Communist Government determines that he will become my accuser and is made to testify against me in a trial in which my life is on the line? You may not understand what it means to be in that condition. . . . They have ways of forcing cooperation. You might say that you wouldn't do it. May I remind you that you are in Prince Edward Island and not in Foochow. There is a major difference.

. . . The first book published by the Communists for schools was a first grade reader. It opened by a poem which read 'Don't love Father!; Don't love Mother; Love China.' You can imagine what you would say if your child brought home a school book with that in it.

Say my son was in the first grade. . . . A teacher would walk around the school yard with him. The teacher would ask 'Did you get your new book? Did you take it home? What did your Father say?' . . . He will say what I said when I saw the poem. Someone in my home is reporting to the police. . . Our home and family have been invaded.

. . . In the beginning (church) services were permitted but soldiers were always present. They said nothing, but in a few days the Pastor would be called and asked why his sermon did not fit into the plan outlined by the government? Wasn't he willing to cooperate? Go back and try again next Sunday. . . . Every clergyman knew that his wife could soon be without a husband, his children without a father. He had to make a decision every time he stood in the pulpit."

Finances are a real problem when you have a membership of only 1,047 who pay dues. \$1 per member only produces about \$1,000 revenue. Disbursements were \$600 over receipts. The Grand Secretary is paid \$600. He resigned because his regular job did not leave him enough time to fulfil what he considered his proper duties as Grand Secretary. Yet Grand Lodge paid \$6,000 in scholarships to 24 students and gave \$3,000 to the Queen Elizabeth Hospital.

A small group of devoted Masons continue to hold the fort and practice Freemasonry within a decreasing and circumscribed community. One lodge surrendered its charter and some amalgamations are inevitable, especially outside of Montreal. Death duties (the only ones in Canada) prescribe that retirees leave the province. Membershipwise, the fact that deaths, withdrawals and suspensions each exceed initiations presents a grim picture. But a devoted core remains and functions.

The Grand Master continued the plan that each lodge should be visited by the Grand Master (accompanied) at least once in five years. He was enthused at the reception accorded him. A trip by private aircraft to the Lake St. John District was lengthened when the weather closed in. "The brethren of Saguenay William Price Lodge were delighted." The Grand Lodge Ecumenical Service was "well attended." Special degree teams are assisting lodges of limited membership. "Degree teams should not be clothed in a manner at variance with (that of) the brethren."

There is still no action in the appeals on taxation of the Temple in Montreal. The Temple was also classified as a "public building" which requires the cleaning staff to be paid at a rate well above the minimum wage. Two notaries (both P.M.s, 1 French, 1 English) advised Grand Lodge that "the Decree would be enforced regardless of conditions which might logically exempt the Temple." Work hours were reassigned to completely segregate "cleaning" from other building operation functions. Heating was converted from oil to gas.

The Committee on Rites and Ceremonies said that a degree should be conducted in its entirety in one language only, "but there is no objection to an explanation being given in the other language."

The Grand Lodge of Spain was recognized.

The Grand Master took as his theme "Involvement, Enlightenment and Commitment" and endeavoured to meet the largest number of brethren, their families and friends:—

"This I considered necessary (to) promote the Craft out in the communities as well as in Lodge, so that the families and friends of the brethren might gain a more accurate understanding of the aims and benefits of Freemasonry and as a result make them more supportive."

With the Grand Secretary, he attended all 11 area meetings:—

“Freemasonry is not a one man show. The active participation of every brother is essential. . . The plan for W.M.'s and Warden's Workshops was (modified so) instruction was given by their peers. . . Taking an average of 4 workshops per district, it meant that at least 88 P.M.s were giving instruction to a potential 480 W.M.s and Wardens, who were expected to use it for the benefit of their Lodges.

. . . In a few instances the response was limited, but in a large majority (it) was enthusiastic beyond our fondest hopes.”

The Grand Master ruled that a M.M. was not eligible to hold any lodge office, either elected or appointed, until he had passed his M.M. examination in open lodge. Approval was given to a lodge bylaw for prepaid membership conditional on additions recognizing that it was not “life membership,” that annual dues cards would be issued, that there be no refund should the brother demit, and the brother would be subject to dues in any other lodge with which he affiliated.

Both general and benevolent funds increased their reserves. There were 28 benevolent grants (range \$3,277 to \$120). The Trustees were concerned “that many lodges have not been reviewing their membership and dependents regularly. . . Our funds are sufficient to support a much greater demand than they are now receiving.” The Committee on Finance considered life membership in some depth and gave notice that at the next Communication it would propose constitutional amendments to “place the granting of Life Membership on a sound economic basis.”

Two lodges were lost by amalgamation and one charter surrender was cleared at Grand Lodge. The report on the Condition of Masonry was, as usual, factual and realistic. Further decline in the viability of country lodges is anticipated. “Social activities” were reported by all but 32 of the lodges. Membership loss was lower than last year due to fewer deaths. Arrears in dues decreased. “144 Lodges appear to be financially sound and 16 questionable.” There are “Freemasonry and Youth Committees” in 106 lodges. “There is a great opportunity for Masons to influence the youth of this country . . . (to) become involved with young people and to derive a great deal of satisfaction from their efforts.” The committee suggested that more importance should be placed on officer training.

Lodge histories are compiled for 120 of the 217 lodges instituted under this jurisdiction. A history of Grand Lodge is in ms. form and publication is under advisement.

For the first time in the history of this Grand Lodge an election was held for the office of Grand Master. All previous Grand Masters (terms ranging from 2 years to 20 years) had been elected by acclamation, normally, in recent years, the then Deputy Grand Master, the latter being a personal appointee of the Grand Master. M.W. Bro. Prescott was the previous D.G.M., but the fact that he was opposed really shook some of the brethren. The election was at the Half-yearly Communication and the Grand Master commented:—

“... I have been very conscious over the past few months of the bewilderment of some of the brethren confronted by something that has never happened before. . .

Let me say at once that the office of Grand Master is, and always has been, an elective office. . . What troubles so many brethren is that in a face to face election of this kind, not only has there to be a winner but there has to be, unfortunately, a loser. . . There is a great potential for divisiveness (and that) is the last thing we want in the Craft. . . Neither do we want to develop in the Craft what I might call the cult of personality. . . we run the danger of what I might call a popularity poll. . . We must never forget that the good of the Craft is more important than personal popularity. . .

We (now) have to look very carefully at our electoral procedures, as I have very grave doubts as to whether they are satisfactory. . . Ought it not to be a postal ballot? (Now) many brethren, particularly country brethren, are virtually disenfranchised. Would it not be better if an approved and comprehensive statement of the candidates were circulated with approval of the Board? . . . and what if there are three or more candidates? . . . We should be thinking about it in advance and not be caught unprepared.”

Grand Lodge had undertaken a major renovation of Freemasons' Hall as the Centenary project. The necessary funds are not being volunteered and the senior officers of Grand Lodge are concerned. Again, the Grand Master:—

“For too long we have lived on the generosity of our ancestors, for too long we have enjoyed Masonry on the cheap. You have heard the exhortation ‘Put your money where your mouth is.’ . . . I say something different in launching this Centenary appeal . . . ‘Put your money where your heart is’.”

Unfortunately the above project competes for dollars with "Ridgehaven" a new complex for the care of the aged, for which Grand Lodge has already purchased the land for A\$400,000. The situation is further complicated by changes in government policy for financing and supporting such homes, which may, and probably will, increase the financial commitment of the Craft.

Constitutional amendments restructured and consolidated the benevolent funds for better management. The per capita dues (payable quarterly) were increased from A\$12 to A\$14, as expenses ran 5% over revenue. Three lodges were lost by consolidation.

The maximum of 100 students registered in the Masonic Education Correspondence Course. This is a major undertaking. Stage I has been issued with Pick & Knight's "Pocket History of Freemasonry" as text. Combined meetings of students and tutors were held for discussion. Stage II will follow. Stage IV is planned for issue during the Centenary year.

The installation ceremony had all the usual "down under" ceremonial. There were delegations of 12 from New South Wales, 19 from Victoria, 12 from Tasmania, 14 from Western Australia, and 9 from Queensland. The new Grand Master's address included:—

"... I wish to make it abundantly clear that the officers I have selected have not been appointed to serve me — their task is to serve Freemasonry. Moreover, it will not be their goal to seek higher office, but to succeed in their present office. . .

. . . We have all become too casual about our Freemasonry. . . Complacency, brethren, must loom as one of the greatest challenges we face. . .

. . . In the management of our affairs, it seems to me we do not strive for the same standard of excellence we seek in the performance of our Masonic ceremonies. . . The business side of our organization has not kept pace with developments in the world outside. . . Too often we see annual dues maintained at unrealistic levels, little or no provision for building maintenance, inadequate benevolent funds . . . we have (not) maximized investment opportunities. . .

If we are to subsist in today's tough world we must adopt a bold and well disciplined approach to these matters. . . We have the expertise, we need the will to harness and direct these resources for our future good."

There were 6 Special Communications; 2 to consecrate, dedicate and constitute new Lodges, 3 dedications of new lodge buildings (1 included a cornerstone as well), 1 for dedication of grave markers for 3 P.G.M.s.

"Preliminary ceremonies" with a religious service and civic receptions preceded the formal opening of Grand Lodge.

The most important development in this jurisdiction is the emergence of five new lodges. Of these, two were formally constituted during the year, the charter for a third approved at Grand Lodge and two others are U.D. The Grand Master worked hard on membership problems:

"Each Lodge was asked to appoint a three-man committee to examine the annual returns to determine the members that had been dropped over the past five years. Each of these was then contacted personally and encouraged to be reinstated. I also wrote over 2500 personal letters to members who had not paid their 1982 dues. I feel that our loss would have been much greater if it had not been for these two programs."

The Grand Master also wrote personally to each newly raised M.M. whose name and address had been supplied by the lodge secretary.

The 18th "Rock Quarry" meeting was attended by "several hundred members and many out-of-state guests." The Grand Master adds:

"Outdoor meetings are gaining in popularity and several Districts are now conducting meetings of this type. I strongly encourage meetings such as these."

Like all the southern U.S. jurisdictions, there are, to your reviewer, a disturbing number of Masonic trials. At least details are only given for two cases which were appealed. There were 17 expulsions (including 3 E.A.s!) 4 indefinite suspensions, 3 acquittals and 12 cases still "pending."

The Grand Lodge of Spain was recognized.

The per capita specific for the Board of Masonic Relief was doubled from \$1.50 to \$3. Grants made required much of the Board's interest on investments in addition to the previous per capita. The new figure will cover the current grants fully. The operating per capita remains at \$5. Each new M.M. is asked to "voluntarily" contribute \$5 to the George Washington Memorial. Staff pensions were updated in line with State recommendations. The general operating fund was in the black.

The Constitution is being rewritten and is at the near final stage with amended drafts circulated to lodges for review and last comment. The present constitution is printed in full in the Proceedings with detail of change noted. One amendment, approved by Grand Lodge, established concurrent jurisdiction within each of the 30 Masonic Districts. A quick glance at some of the Constitution (the original dating from 1860, with amendments to date) indicated that the Tiler of a Lodge has a "duty to serve all summonses delivered to him by the Secretary. . . . For the faithful performance of his duties he shall receive such compensation as the Lodge may determine." There is a chapter "of Extinct Lodges" which provides that "No Lodge is

permitted to make a distribution of its funds preparatory to surrendering its Warrant," as said funds revert to Grand Lodge. (Such a distribution occurred in Quebec and their Grand Secretary was not amused). Finally, your reviewer quotes:

"ARTICLE 112. The practice of dueling is repugnant to the principles of Free Masonry; and in all cases where two brethren resort to this mode of settling their disputes, it becomes the duty of the Grand Lodge or Lodges of which they are members, to expel them from the rights and privileges of Masonry, subject, as usual, to the confirmation of the Grand Lodge."

The Grand Master emphasized Masonic Education and set up awards for Lodges based on their having an "Inquirer's Night"; a school of instruction in the Lodge; completing training courses for officers; visiting youth organizations; visiting another lodge; honoring older Masons and widows; honoring someone not a Mason; attending Grand Lodge. Each of the D.G.M., G.S.W., and G.J.W. had extensive schedules of visitations to ladies and youth organizations as well as Craft functions and each reported on these. They also supervised workshops at Grand Lodge for W.M.s, S.W.s, and J.W.s respectively.

A resolution to reduce the age for initiation to 19 just failed to get the necessary two-thirds majority.

Grand Lodge finances are being restructured following several operating deficits. The current year deficit of \$25,000 (over an operating income of \$66,000) was reduced by \$12,500 from the Grand Charity Fund (capital \$1.5 million) as an administrative fee and by an additional \$7,000 from a special Trust Fund. Motions are on the agenda for next year to increase the per capita and to establish a General Fund Endowment Fund. The Grand Charity paid \$79,000 in benevolence and gave \$2,500 to the O.E.S. Home. It also paid an Agents fee of \$8,000.

The Grand Lodge of Espirito Santo, Brazil was recognized.

Grand Representatives were asked to report on their respective jurisdictions to the Fraternal Correspondent and twenty-eight of them did so. Our representative commented on our benevolence and on the hearing research program.

Public Installation followed the closing of Grand Lodge "in due and ample form." In the installation, the new Grand Master received his chain of office from his wife and then "closed the meeting informally."

The cornerstone of a City-County police building was laid at a Special Communication.

On the Sunday before Grand Lodge opened there were workshops for W.M.s and Wardens. The Grand Master's banquet followed.

The Grand Master ruled that a lodge-designated Trustee "to receive, hold and disburse funds" for a recipient of Masonic relief could not so act. The Lodge was directed to "deliver the Grand Lodge cheques to the recipient forthwith."

The Grand Master declined to reverse a previous ruling prohibiting street signs giving location and times of lodge meetings. A resolution, was, however, passed by Grand Lodge amending the code by extending the term "legitimate Masonic purposes" for which Masonic emblems and devices might be used to include "location signs, roadside signs and notices, when designed to advise brethren about a lodge's meeting place, dates and times, and when in form authorized by such lodge."

There was considerable emphasis on a "Widow's Program." This is "non-voluntary." Lodges are encouraged to have "widow's evenings" (or Saturday or Sunday afternoons). Continuing contact with widows is strongly recommended.

A Public Relations Kit has been prepared and will be given to each lodge.

The Grand Lodge of Espirito Santo, Brazil was recognized.

Grand Lodge operated comfortably in the black.

Installation of Grand Lodge officers was open.

As usual, more than half the pages of the proceedings constitute a detailed membership roster.

EPILOGUE

It is fitting to end these reviews with a challenge. The newest Grand Lodge in North America is Alaska. Here is the challenge given by W. Bro. Parkins, Grand Orator, at Alaska's 1st Special Communication, the day following the conclusion of their Constitutional Convention. Apply it with Ontario in mind. Apply it to your Freemasonry:

"Brethren, we in Alaska today come from all corners . . . some being born and raised in Alaska, and some coming from several foreign countries . . . We are in a true sense a melting pot of the whole U.S. assembled here in Alaska, to do what we can for and with Alaska. However you look at it, we are what we are today. We have come through different cultures, from one corner

or another, some through one profession or another, but we are what we are today, and no one but we ourselves can change that. We stand as we are. But there isn't any one of us that cannot change what we are today, if we are not satisfied in our own hearts and feelings of what we are. If you have the determination, and the dedication, and the will, you can be what you want to be — and I feel the same way about this Grand Lodge. We have come from many walks, we have been raised Masons in many, many Grand Jurisdictions, but we have assembled here as Masons in this new and wonderful Grand Lodge of Alaska, and I would like to have you take this with you as a thought for the coming year. It is a little slogan that I adopted many, many years ago in the Sunday School room from a plaque that hung on the wall. It is as follows:

'Good, Better, Best,
Never let it rest
Until your Good is Better
And your Better is Best'."

* * * * *

Your reviewer advised the Most Worshipful the Grand Master a year ago that this year would complete his assignment to prepare these reviews. This decision became imperative with a heart attack in January. Recovery has been "normal" but pressure and deadlines must be minimized. The number of reviews this year is significantly fewer than in previous years as two to three months of "prime time" was lost, during hospitalization and early recovery.

The author (unknown to your reviewer) of the brief section in "Whence Come We?" on Fraternal Reviews says that compiling these "is a laborious and thankless task." Your reviewer disagrees vigorously — laborious sometimes, discouraging occasionally, thankless never. The work is one of the all too few windows we have to world wide Freemasonry. The task of trying to transmit the true state of the Craft to the brethren and the provision by Grand Lodge of a means of sharing the information and the thoughts so gained is a privilege to be highly valued. "However you look at it, we are what we are today." That is the point from which we advance to the future. "If you have the determination, and the dedication, and the will, you can be what you want to be." That is our hope for the days ahead.

And so:

"Now give heart's habit brave intent. Salute arriving moments with your eyes.

We are elected now by time, few out of many not yet come to birth, and many dead, to see the daylight NOW, to stand beneath the sun upon the earth.

Press mind and body hard against this world and open wide the door, the door that opens towards the sky."

APPENDIX "A"
ADDRESS BY M.W. BRO. GORDON L. BENNETT
AT THE
GRAND MASTER'S BANQUET
JULY 18, 1984

THE GRAND MASTER: I am now going to ask M.W. Bro. J. N. Allan to introduce the speaker.

M.W. BRO. J. N. ALLAN:

Most Worshipful Sir, Distinguished Head Table Guests and my Brethren:

I am afraid tonight, as I undertake to introduce our speaker, who is such a wonderful person, that I feel very much like the small boy who worked in an old-time grocery store in the mountains of Tennessee. It was one of those stores with a barrel of crackers, a big belly stove and a barrel of molasses. This little lad was very fond of the molasses and he used to lean over the barrel, dig his fingers in the molasses and then lick them. One night as he did this he fell in. He got up and felt the molasses on his face, looked up to heaven, and said: "Oh, my God, if you would only give me a tongue to do justice to this occasion!"

My brethren, that is how I feel tonight in introducing Gordon L. Bennett, who hails from that lovely Prince Edward Island to the east of us — where the potatoes come from and where they have the lobsters, but they charge us so much that we never get a chance to enjoy them!

Our speaker was born in Charlottetown; he got his early education there at Prince of Wales College and Acadia University in Nova Scotia; became a teacher and taught in the same school as his mother and father had taught. He taught for thirty years, during which time he was appointed to the faculty of Prince of Wales College. He then decided on a change of pace and became a politician.

One of nature's laws is that cream rises to the top, and our speaker was successful in this endeavour and was appointed to the cabinet, where he held several different portfolios. It is said that he left his mark on education in Prince Edward Island during his tenure as Minister of Education. After serving two terms in government, he was appointed Lieutenant Governor of Prince Edward Island.

It would be a gross understatement to say he was a community man, because during all this time he was particularly interested in young people and was a great pillar in the community as he was involved in all things that were good. He is an elder in his Church, Past President of the Canadian Curling Association, Rotarian, interested in music, Past President of the Prince Edward Island Canadian Club, and has been honoured recently by being appointed an officer of the Order of Canada. He served on the Council of Canadian Unity, is President of the Canadian Bible Society and active in many other areas of his community.

He became a Mason in 1952, and, again, cream rose to the top as he became Master of his lodge in 1961 and Grand Master of Prince Edward Island in 1967. He also became most active in other appendant bodies, particularly Scottish Rite, where he presently serves as Lieutenant Grand Commander of the Ancient and Accepted Scottish Rite of Canada; and a member of the Royal Order of Scotland.

My only regret, in introducing our speaker, is that I did not have the pleasure to meet this distinguished Canadian until a couple of days ago. One is assured, however, of the fact that he is one of unusual capabilities, with the ability to plan his objectives, to organize himself to be able to carry out his decisions and one can only benefit from an association with a man who works in such broad, worthwhile areas.

And so, my brethren, I know you are in for a great treat as you listen to our speaker tonight, and, now, I have a great deal of pleasure in giving you Gordon L. Bennett.

M.W. BRO. GORDON L. BENNETT

Most Worshipful Grand Master, distinguished guests, brethren all —

My first words, naturally, must be to express my gratitude to M.W. Bro. J. N. Allan for his kind and generous introduction. I have long since learned that overly complimentary remarks should be handled in the same way as one handles perfume — “smell it, enjoy it, but don't swallow it.” One takes as much enjoyment and satisfaction from the things left untold as from the recital of one's accomplishments.

I wish to thank the audience for the warm reception and generous applause they have given me. They tell me that when you get applause before your remarks that is evidence of great *faith* on the part of the listeners, when it comes half way through it is an expression of *hope*, and if there is a faint round of applause at the end it is *charity*.

One Sunday afternoon in mid-April I was watching television when my telephone rang and, upon answering, I was pleasantly surprised to hear the voice of your distinguished Grand Master. I was even more surprised and delighted when he extended an invitation to address this large and prestigious gathering of Masons. Continuing, he said; “Now, Gordon, before you commit yourself to being the speaker, I think it only fair that I should tell you that I had a dozen potential speakers in mind and you were my second choice.” Well, I thought, two out of a dozen is not too bad, but then my curiosity got the better of me and I said, “Ron, I'm curious, who was your first choice?” You know what the reply was: “Any one of the other eleven.”

While trying to recover from that deflating remark and pondering my decision, the beautiful rich voices of the Hymn Sing Chorus reached my ears. They were singing the familiar and encouraging words: “Be not dismayed what e'er betide, God will take care of you.”

With that type of reassurance ringing in my ears I placed myself in the hands of a higher Power and accepted the invitation so graciously extended by the Most Worshipful Grand Master.

I am not sure that the Grand Master would have even considered me as your speaker had he been aware of my reputation as a teacher. I was reminded of some of

my shortcomings a few years ago while lazing about a swimming pool where an attractive young lady suddenly dropped her wrist watch into the deep end of the pool. Seeking help she rushed past a number of virile young men and asked me to retrieve the watch for her. As I returned the watch I said: "Why in the world did you ever ask me to do that for you?" Quick as a flash she said: "Oh, you evidently don't remember me! I sat in your chemistry classes for two years and discovered that you could go down deeper, stay down longer, and come up drier than any person I ever knew."

As I stand here this evening, I am a bit awed by the size of the audience and by my awareness of the high standard set by earlier guest speakers — M.W.Bro. W. L. Wright, M.W.Bro. Eric Nancekivell, R.W. Bro. Donald M. Fleming, my fellow Islander Very Rev. Bro. Lorne MacKay, the late Ill. Bro. George Newbury of Buffalo, New York, whose passing a few months ago saddened all of us and many others.

I am also aware that you are the leaders, and very distinguished leaders, of some 100,000 or so Masons in this great jurisdiction of Ontario where you have exerted a tremendous influence for good in your 129 years of existence as a Grand Lodge. In the back of my mind, as well, is the comment of that great Irish politician and critic, Richard Sheridan, who commenting upon a speech said: "It contained a great deal that was true and a great deal that was new, but that which was true was not new and that which was new was not true." I hope there are not too many Sheridan's in the audience this evening!

Two small boys were cornered by a billy goat; seeing what was going to happen, one said to the other, "Say your prayers." He did, in these words, "Lord make us grateful for that which we are about to receive." Now, I make no apologies for that which you are about to receive, but perhaps I can get off on the right foot by repeating what Henry VIII said to his several wives: "I won't keep you long."

I stand up here tonight as a proud Canadian and an equally proud Mason. I feel the pride is justifiable for we are citizens of a great nation and brethren in a great and glorious institution.

It is almost 120 years now since politicians from the Maritime Provinces met in Charlottetown to discuss the possibility of their union. History tells us that when the conference started it was rather dull and uninteresting until the S.S. Queen Victoria steamed into Charlottetown harbour bearing a delegation from Central Canada — in addition to a full cargo of the choicest wines, beers, and spirits. George Brown, one of the chief delegates of Central Canada, describes the first informal working session in this way —

"Whether as a result of our eloquence or the goodness of the champagne, the ice became completely broken, the tongues of the delegates wagged merrily and the banns of matrimony between all the Provinces of British North America having been formally proclaimed and all manner of persons duly warned there and then to speak or forever after to hold their tongues"

This quote gives the impression that Confederation was brought about by a group of dear old Gentlemen, known as the Fathers of Confederation, who were motivated by noble sentiments and who radiated feelings of mutual goodwill. Nothing could be further from the truth. They fought like cats and dogs. The debates, which took place were bitter and contentious and at times it looked as though the prospect of bringing forth a new nation on this continent was completely hopeless.

In the 1860's it took foresight and courage to believe that this mish-mash of provinces, composed of French, English, and other nationalities with strongly held religious convictions and widely divergent ideologies could some day be melded into a united Canada.

One of the positive factors in support of Confederation was the recognition by those involved that unity does not necessarily demand unanimity. They knew the truth of the old saying, "Where everyone thinks alike, no one thinks very much." They conceded that the right to hold and express different viewpoints is the very essence of democracy — but only if we are prepared to grant the same right to others.

I can understand perfectly well the feelings of those who argue vehemently for the claims of their respective regions or ethnic groups. It is out of these competing and conflicting demands that social justice finally emerges. What I cannot condone are those who threaten to withdraw from the Canadian Confederation every time they fail to get what they demand. In a true democracy we cannot get everything we ask for because, if we do, others will get short shrift. Compromise and accommodation to the needs of other regions was the genius of confederation; up to this time, 117 years later, they have assured our national survival.

"Canada is not an easy country to govern," Sir John A. MacDonald is quoted as having said. That is still true today. We are people holding divergent views and representing conflicting economic interests. So was the nation the Fathers of Confederation brought into being in 1867, a nation brought into being because they believed that the things that unite us are infinitely more important than those that divide us. Thus it is with much pride and gratitude that we fully support the tribute paid to the Fathers of Confederation — "Providence being their guide they builded better than they knew."

My what a variety of good things we enjoy as Canadians — the vastness and immensity of Canada, the second largest land mass in the world; the treasure chest of mineral riches found in this great land; a wealth of rivers, choked with rapids, which places Canada third among the nations of the world in hydro-electric power; the gold and khaki checkerboard of wheat in the Prairies; the oil and gas wells which spout alongside forgotten buffalo paths in Alberta; the lumbering, pulp and paper, and fishing industries of the Atlantic Region, Quebec, and British Columbia.

One of the great identifying characteristics of our country throughout its history is the freedom which its citizens enjoy. We can criticize, write, speak, think, travel and worship as we please. Boys and girls in Canada may start out in the most humble circumstances and go to the top in every field of endeavour. The standard of living for the rank and file of our citizens is unexcelled. Throughout Canada there is a genuine concern, by and large, for our fellow human beings — charity and giving are a 'way of

life' in Canada and nowhere is this quality more apparent than in the Masonic fraternity.

Is it any wonder we throw out our chests and say "I am proud to be a Canadian!" And at no time has this pride been more evident or more justified than in 1984.

We were thrilled a few months ago when Gaetan Boucher, the saviour of the whole Canadian Winter Olympic team, performed so brilliantly as a speed-skater. We proudly reflect upon the establishment two hundred years ago of the great Provinces of Ontario and New Brunswick and we rejoice with Torontonians who celebrate 150 years of growth from 9,254 citizens to three million souls today. We have recently proudly acclaimed the visit of the "tall ships," reminding us of Jacques Cartier's visit to this land 450 years ago. I am particularly interested in recalling his visit to my native Province in 1534 — one of our first tourists — and, with great humility, I remind you of his comment as he departed the shores of Prince Edward Island — "the fairest land 'tis possible to see." Cartier was obviously a man of keen discernment and extremely good judgment!

Within a month or two Canada will receive another visitor to its shores — His Holiness Pope John Paul II. I sincerely hope that citizens of all faiths will join our Roman Catholic friends in welcoming this outstanding church leader as he gives unstintingly of his time and energy in the interests of world peace and understanding.

It was a proud moment, I am sure, for Canadians when Madame Jeanne Sauve became the first female Governor General of Canada. She is a lady of great charm, dignity, and ability and will be a most worthy representative of Her Majesty the Queen. Let us hope and pray that her heavy and responsible load will be made more bearable through a full measure of good health.

Yes, indeed, we are proudly aware of our great good fortune of being Canadians. Canada is a great nation, but it is not perfect. Of course, we have problems and most of them are of our own making. Our difficulties arise more from prosperity than from poverty. As a nation we shall continue to have our differences, our growing pains, and our perceived difficulties. But, as a Canadian, I have great faith in the collective wisdom of our people to keep our nation progressive, prosperous, generous and, most of all, united, strong and free.

Most Worshipful Grand Master, it is my privilege this evening to bring greetings to you, to your Grand Lodge Officers and Brethren from the Grand Master and Brethren in the jurisdiction of Prince Edward Island. We number something less than the number of Masons who are in this banquet hall this evening but, unlike most Canadian jurisdictions, we are holding our own membershipwise and, as a matter of fact, we recorded a slight increase of membership for 1983.

As I look out upon this distinguished group of Masons I am fully aware of what individual Masons and an association of dedicated Masons have done, and can still do, for our Nation. Such men reveal in their lives the truth of Ralph Waldo Emerson's observation about civilization. He observed that "the true test of a civilization is not the census, nor the size of the cities, nor the crops — *No* — but the kind of men the country turns out." Freemasonry, by concentrating on the character of the individual, has always recognized this truth. We are, individually and collectively, the very building blocks of civilization.

After 31 years as a member of the Craft, I have concluded that one of the great lessons it teaches is the art of living in community with others. Harmony is the simple, yet complex, goal of Freemasonry's rites and the exemplification of it by our members in everyday living.

Within a Lodge, men of differing religious faiths, business interests and political loyalties meet together in friendship and harmony, without rancor or disturbance. Respect for the convictions of others, while still retaining one's own, is a distinctive and historic rule among members of the Craft.

The world needs understanding more today than ever before. The age of the computer and of electronic devices for messages and for direction is upon us and among these mechanical servants, — no matter how obedient — we need more emphasis upon the human being.

Freemasonry for ages has emphasized the part which individuals play in the scheme of things. And it teaches that without the touch of the man dedicated to brotherhood, and replete with sympathy and empathy, all else is mechanistic chaff.

I am also delighted to bring you greetings and best wishes from the Sovereign Grand Commander of Scottish Rite Masonry, Ill. Bro. Lyle H. Bergstrom, who is well-known to many in this audience.

Those of us associated with Scottish Rite Masonry in Canada, or any other Rite, must ever be mindful that we are first of all members of a Symbolic Lodge — the foundation of all Masonic organizations. Every member of every Masonic body must pass through the door of a Craft Lodge. It is, indeed, 'the rock that begat us'. If that rock — the Symbolic Lodge — is eroded through our forgetfulness, our indifference or our neglect the structure of the Scottish Rite, the York Rite and other concordant bodies cannot long endure. It is imperative that each of us apply our abilities and leadership to the promotion of Symbolic Freemasonry in our respective communities.

What about Symbolic Masonry! We meet at regular intervals, listen to talks which deplore the fact that membership in Masonry is going down — attendance is dropping — that our future is bleak and yet we maintain the same rules by which a man may apply for membership; we open and close our Lodges in the same familiar, ponderous methods; we hold tight to the cherished and involved words of the obligations and lectures which may no longer fill the needs in our day as they did in former times.

An analogous situation exists with respect to the King James version of the Holy Bible, published in 1611. It was for years accepted by all as the authorized version for the English speaking people. However, over the years, many forms of expression in the King James version became archaic, common words changed in meaning and became misleading, and many words became obsolete and were no longer understood by the average reader. As a consequence, we find many people today using the Revised Standard version, published in the '40's and '50's, which is a revision designed to preserve all that is best in the English Bible, but written in more understandable language. Upon the completion of the revised version the translators had this to say: "Truly, good Christian Reader, we never thought from the beginning that we should need to make a completely new Translation, nor even to make of a bad one, a good one — but to make a good one better."

Perhaps, my Brethren, we, too, should be thinking of changes which can make a good institution even better. Like our nation, Freemasonry is not perfect — it, too, has its difficulties. Not for one moment am I suggesting changes in the Moral Truths which lie at the very foundation of Masonry. These are holy and sacred and not to be tampered with; they are God's — not ours — Eternal and Unchanging, but the form, the ritual, the means, the methods through which and by which they are communicated and carried into each of our hearts and lives, and into the lives of others are of man's design and perhaps need to be changed to better meet man's needs.

I am not proposing that we totally revolutionize our Masonic procedures, but I am saying that since God has called us as Masons to be the "light" of the world; "to let our light so shine before men that they can see our good works and give glory to God." And to do so, we may have to put our light in neon and vapor and lazer beams and discard some of our kerosene lanterns.

Albert Pike, great Masonic scholar, once wrote that "Freemasonry is on the lips of many, but in the hearts of few. He who would teach it must first practice it, and let his good example recommend it to the consideration of others."

Business people the world over are firm believers in the slogan — "It pays to advertise." And so it is for every enterprise which faces some form of competition. If we follow the logic of our times, Freemasonry, too, must decide where and how it should advertise.

By advertising, I don't advocate dragging prospective members off the streets or going on television with advertisements. But I do believe that we should be letting good men know what it takes to become a Mason and what it takes to be a good one. It is my firm belief that as a fraternity we need to be more open in society. Masonic effectiveness is greatest when men do not light a lamp and put it under a bushel, but on a stand, and it gives light to all in the house.

I recently came across an article which quoted a statement attributed to Napoleon: "Great men are like meteors, designed to burn so that the earth may be lighted." One of the greatest Masonic meteors of recent times was the late Bro. Harry S. Truman who was born 100 years ago (1884) of a great Masonic family. Of the 14 Presidents of the United States who were Freemasons Harry S. Truman was perhaps the most active and devoted member of the craft. Both before and after serving as President of the United States he stated publicly, on more than one occasion, that the highest office he ever held was that of Grand Master of the Grand Lodge of Missouri.

We are often pleasantly surprised when we learn that this or that well-known and famous person is a Brother Mason. These are the ones who set the right kind of example for us all. Freemasonry and Freemasons can be a great stabilizing force in the world, but not if we're in hiding. So let us advertise — let us talk about Masonry and let us stand up and be counted — as Masons and be proud of it.

There are many other matters to which I would like to refer, but time permits me to refer to only one and for a particular reason as you shall see.

If we wish to strengthen the character of the individual man we must reaffirm our belief in God and the brotherhood of man. Each one of us should support the church

of our choice and show by example that we truly believe what we have affirmed. 'When' or 'where' a man worships has never been an issue with Freemasons. It is far more important 'if' he worships than 'when' or 'where' he worships. It has been said as a general rule — "Freemasons are good churchmen and churchmen are good Masons."

It is disturbing, however, to learn that a smaller percentage of Canadians are attending our churches and synagogues than in early years. I hesitate about mentioning the word 'Gallup' but I've learned that a Gallup poll of two years ago showed greatly reduced church attendance as compared to 25 years earlier. The national average showed a percentage attendance drop from 60% to 35% in 1982 as compared with that of 1957.

The first and only unequivocal landmark of Freemasonry is a sincere and genuine belief in the Deity. This forms one of the primary bases of international recognition between Grand Jurisdictions. Worship of the Almighty on a regular basis is the inspiration we all need to help us to be better than we are.

Speaking of church attendance reminds me of a visit — my first — to Nassau earlier this year. Anxious to attend a morning church service I wandered about the streets and eventually walked into an attractive little church. Chatting to the Minister prior to the start of the service I told him I knew only two people in Nassau — Donald and Alice Fleming. "What a coincidence, Donald is one of our most faithful and valued choir members" he told me. The Minister, not recalling my name, went to the choir room and informed Donald there was a friend of his in the congregation. Donald's comment was: "He's probably some tramp who has wandered in off the street looking for a free meal." Donald was obviously taken aback when he entered the sanctuary and spotted me, but he recovered quickly and, showing the mark of a true politician, remarked later: "We never welcomed a more distinguished tramp to the Kirk."

As I said at the commencement of my remarks, we want Canada to be one of the great countries of the world. As loyal and proud Canadians and Freemasons we must contribute to that greatness by adherence to those principles upon which any nation should build its future. They are those things which I cannot pick up with my hands as I would a piece of paper, a book, or a glass of water. They are imponderable things very much like sunlight, which slips silently through your fingers, or like the air which brushes and rushes so close to you, but which you never see. I like to think of them as the invisible things of life — the things which our mothers taught us — honesty, integrity, truth, beauty, freedom, goodness, and above all, love of home, love of country, and love of God. In my view these are the anchors to which we must attach ourselves if Freemasonry is to endure and triumph during these difficult years and if Canada is to assume an even more respected place among the nations of the world.

Deputy Grand Master's thanks to M.W. Bro. Bennett.

Most Worshipful Sir, Distinguished Head Table Guests and my Brethren.

It was a joy and a delight to meet our guest speaker for the first time last night. It was evident in those very first few minutes that M.W. Bro. Gordon Bennett was a

brother who was very friendly, exuberant and one who possessed a charisma that is reserved for a small select few. He displays unusual charm and extraordinary intelligence.

The aspect of your message, Sir, which was very effective and which appealed to me, was the duality between Masonry and this great nation of ours — Canada — and it might be compared to a man having two loves — that of his mother and that of his wife and we should never trade one off, against the other.

Your message, Sir, was both worthwhile and pertinent. We want you to know how much the assembled brethren appreciated your thoughtful talk. We as North Americans are rather proud of our neighbours to the south, and equally proud of our great Canadian heritage. You touched on both of these subjects very nicely tonight.

The very early meetings of our Fathers of Confederation was an exciting piece of news, because we found that they too squabbled like some Masonic Lodges do on occasion! It took place right in your home town of Charlottetown and as a result we in Upper Canada have always considered Prince Edward Island as the very cradle of our Canadian being.

You have touched on certain strengths indigenous to our Craft and projected a catalytic expertise which will impart both enthusiasm and inspiration to all of us. In short, Sir, you have this evening created for us a genuine mutuality, coupling Masonry with that of our great Canadian nation.

May I, on behalf of all the brethren assembled, express to you a simple and sincere thank you.
